Note from the Executive Director:

As you can see from the robust selection of livestream, interactive and even in-person programs offered in this summer bulletin, TCI staff are committed to your growth, enrichment and personal development. It is our sincere hope that you can take advantage of our many spring classes to uplift your spirit and/or upskill your resume. We will keep your safety and comfort foremost as we provide web-based, livestream, in-person and hybrid courses for your pleasure.

Sincerely,
Linda Kurokawa

MiraCosta College is accredited by the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, 10 Commercial Blvd., Suite 204, Novato, CA 94949, 415.506.0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at: accjc.org. The college is also approved by the California Department of Education for the training of veterans under the provisions of the GI Bill® of Regulations.

Your learning options

Live online

- Sessions meet online at specific days and times
- Interact live with instructor and classmates in a virtual environment
- Online assignments with due dates to be completed outside of class session
- Continue class experiences like lectures and small group work

Online

- All coursework done online
- No scheduled class meetings, allowing you to learn at your convenience
- Interact with instructor and classmates on our own time
- Learning activities and assignments must be submitted by due dates

Hybrid

- Part online without a set time to attend, part scheduled class time
- Scheduled class time will be face-to-face on campus
- Primarily for lab science, physical education and occupational classes

Face-to-face

- Scheduled in-person time in class
- Smaller class sizes to uphold social distancing
- Required to wear masks at all times

HOW TO REGISTER

- 1 Internet Registration**—Go to miracosta.augusoft.net to register online.
- 2 By Phone: 760.795.6820**—Please have your Visa, MasterCard or Discover card in hand and your registration information ready when you call.
- 3 In Person**—Community Education & Workforce Development Office, MiraCosta College Technology Career Institute, 2075 Las Palmas Drive, Carlsbad, CA 92011.
Hours: 9 AM–5 PM, Monday–Friday.
- 4 By Mail**—Complete the registration form on the next page using a separate form for each person (forms may be duplicated). Visa, MasterCard, Discover card or check (payable to MiraCosta College) can be used to pay registration fees. Mail checks and completed registration form(s) to: **Community Education & Workforce Development, MiraCosta College Technology Career Institute, 2075 Las Palmas Drive, Carlsbad, CA 92011.**

Remember to mark your calendar with class date, time and location. Please include your email address on your registration form to receive an email confirmation of your enrollment.

PARKING INFORMATION

Parking permits are required at the Oceanside, San Elijo and Community Learning Center (CLC) campuses of MiraCosta College Monday–Saturday. Students may park in any lot marked Student or spaces marked Student on all campuses. Please avoid any spaces or lots marked Staff. Parking permits may be purchased from the parking permit vending machines as follows:

- **Oceanside Campus:** Parking permits are not needed during Summer 2021 semester as long as students park in marked student parking lots only.
- **Community Learning Center:** Parking permits are not needed during Summer 2021 semester as long as students park in marked student parking lots only.
- **Technology Career Institute:** A parking permit is not required. Parking is free.

REFUND AND TRANSFER POLICY

Check refunds may take 4–6 weeks to process.

Class/Workshop Refund Policy: Refunds will be made up to three business days prior to the class start date. No refunds will be given once a class has started. A \$15 cancellation fee will be retained for each refund. A full refund will be given if a class is cancelled due to low enrollment. Unused attendance is not transferable to another class session.

Excursion Refund Policy: Refunds will be made up to five business days before the excursion only if the excursion is full and someone on the waiting list is available to take your place. There will be a \$25 cancellation fee if a replacement can be found.

Workforce Training Refund Policy: Refunds will be made up to five business days, depending on course, prior to the class start date. A \$25 cancellation fee for work skills programs will be retained for each refund. A full refund will be given if a class is cancelled due to low enrollment. Unused attendance is not transferable to another class session.

Class/Workshop Transfer Policy: Transfers will be approved up to three business days prior to the class start date. Students must receive a verbal approval from Community Education before a transfer can be made.

For more information, email us at: CommEd@miracosta.edu

MiraCosta College reserves the right to change class location, schedules, fees and instructors when necessary. Please, no tape recording during classes without prior permission from the instructor. MiraCosta is pleased to welcome and admit students 18 years of age and over of any race, color, religion or national and ethnic origin to all classes. Students under 18 will be permitted to attend classes only with prior consent of the instructor and staff member.

Drawing Landscapes Livestream

Drawing from imagination, photos and observation, we'll explore a logical approach to artfully depict most landscape subjects, such as trees and land, water and skies with the thoughtful use of descriptive, interesting shapes and the effective use of values and textures. This is an ideal companion course to future study in painting classes with Drew Bandish and other instructors. Common drawing supplies include: paper, pencils, erasers and colored pencils.

Supplies: A supplies list will be sent prior to the start of class. Students are expected to supply any and all physical materials related to their art education. Instructor will send an email with Zoom link before class begins.

Drew Bandish / \$119 Early Bird Special \$99 (Register BEFORE 5/29 for this rate) / Online
5 Sat, 6/5–7/10, 9–11 AM. *No class on 7/3.*

Watercolor Landscape Painting

Premier instruction now offered Online. All experience levels are welcome. Let's focus on representing the elemental parts of landscape painting: sky, land, water, figures, mood, distance, atmosphere, light –with purposeful composition.

Learn effective procedures to make descriptive, interesting shapes, expressive color, strong values and specific textures in watercolor.

Supplies: A supplies list will be sent prior to the start of class. Students are expected to supply any and all physical materials related to their art education. Instructor will send an email with Zoom link before class begins.

Drew Bandish / \$139 Early Bird Special \$129 (Register BEFORE 7/10 for this rate) / Online
7 Sat, 7/17–8/28, 9–11 AM

Watercolor and Mixed Media Techniques Livestream

For older adults. Create lasting and beautiful works of art from home using watercolors and various household items to create unique, fun, easy and interesting art pieces. We will combine traditional and non-traditional watercolor techniques and concepts with demonstration and personal guidance. The Zoom format allows for excellent interaction between you and the instructor.

Supplies: A supplies list will be included with your student confirmation upon registration. Supplies are kept to a minimum. Instructor will send an email with Zoom link before class begins.

7 Tues, 7/20–8/31, 1:30–3:30 PM

Oil Painting for Pleasure at TCI

This is a class for new or experienced students with established drawing skills.

The goal is to better understand value, shape and color, and how to use them to create a harmonious painting. The class emphasis changes each semester, so there is continual learning of new skills. There will be a mix of painting with the class on a project and working independently. By the end of this course, you will have some finished paintings to proudly display in your home! Build the foundation you need to create great works of art.

Supplies: A \$5 materials fee will be collected in class. A supplies list will be sent by the instructor prior to the start of class. Bring a mask. Safety protocol will be emailed to students.

Anne Benkendorf / \$139

TCI, Room 100

5 Sat, 7/24–8/21, 9 AM–12 PM

Stained Glass for Beginners

Create your own beautiful stained glass art pieces and windows! Learn the art of stained glass from a master cutter, right in a stained glass studio. In this comprehensive workshop, you will learn the basics of design and assembly, as well as the use of the tools needed to develop beautiful stained glass artwork. By the end of the workshop, you will have created as many as three projects suitable for display or sale (depending on your speed and ability).

Note: Studio has been rearranged so that students can safely learn while physical distancing. There will be hand sanitizer provided on each table and in the bathroom. Due to physical distancing, class enrollment is very limited. Enroll soon before the class gets filled.

Supplies: A \$45 per-project materials fee for glass, solder, lead and copper will be collected in class. On-site sales of tools available. Please bring mask.
Don Myers / \$129

Don Myers Stained Glass
1025 S. Coast Highway, Oceanside
3 Sat, 6/12–6/26, 11 AM–2 PM

NEW Mosaic Mandala

Learn from master mosaic artist Cathy Sparks, BFA, MA. In this fun and relaxed class, we will study images of the Mandala for inspiration, before each student creates their own flat, circular mosaic piece suitable for home or patio. More advanced students may choose to do their own project with individual guidance from the instructor and class participation. Whether you are new to this art form or simply want to share studio time with others, all are welcome!

Supplies: A \$50 materials fee will be collected in class. All materials and tools supplied. Use a mix of ceramic tiles, broken dishes, glass gems and pieces of stained glass. Mask required. Safety protocol will be emailed to students.

Cathy Sparks / \$149 / Early Bird Special \$139

TCI, Room 100
6 Thurs, 6/3–7/8, 10 AM–1 PM

NEW Mosaic Tabletop

All experience levels are welcome.

Learn from master mosaic artist Cathy Sparks, BFA, MA. In this fun and relaxed class, we will study images of mosaic table tops and mosaic techniques for inspiration before each student creates their own mosaic table top suitable for the patio or the home. More advanced students may choose to do their own project with individual guidance from the instructor and class participation.

Supplies: A \$50 material fee will be collected in class. All materials and tools supplied. Use a mix of ceramic tiles, broken dishes, and glass gems. Students to provide their own small table, resources given or purchase table from instructor for additional cost. Mask required. Safety protocol will be emailed to students.

Beginning Upholstery

Learn the craft of upholstery in this interesting and informative hands-on class. This class will focus on the basic fundamentals, techniques and terminology of upholstery and how to properly plan and execute a project. This class is suitable for students new to the field as well as the DIYer. Bring your own projects to class to work on. First-time project suggestions are: wing, side and dining chairs, stools, benches, ottomans, cushions and upholstered accessories are recommended. Those students entering the field will begin to prepare a professional portfolio. Upholstery of sofas and large items (no recliners) are reserved for advanced students. Topics include:

- Tools, terms and supplies
- Overview of sewing machines
- Measuring and estimating
- Pattern layout (charting)
- Selecting fabrics

Note: Please bring binder, paper for notes and your class project. Shopping resources for supplies will be given. A face mask is required. Other safety and social distancing guidelines will be announced.

Supplies: A \$20 materials fee will be collected in class. Limited supplies included.

Mary Cortmyer / \$220 / Early Bird Special \$199
(Register BEFORE 5/26 for this rate)

Landes Recreation Center, 2855 Cedar Road Oceanside
8 Tues, 6/1–7/27, 12–4 PM. *No class on 7/6.*

Upholstery—All Levels

This class is suitable for beginner students, the DIYer, advanced students and those already in the field. Classes will focus on styling, identifying different types of fabrics and furniture styles and furniture

building techniques and construction. Beginner students will learn basic fundamentals, techniques, terminology and how to plan and execute a project. Advanced students will build on their intermediate knowledge, while learning

additional, more difficult techniques. Both beginner and advanced students will gain a working knowledge of wood finishes and minor wood restoration. Those students already in the field will be adding to their current portfolio, as well as editing its content as skills improve. Upholstery of sofas and large items are scheduled one-item-at-a-time on a proven skills basis (no recliners).

Note: Please bring binder, paper for notes and your class project. Shopping resources for supplies will be given. A face mask is required. Other safety and social distancing guidelines will be announced.

Supplies: A \$20 materials fee will be collected in class. Limited supplies included.

The Best Program in North County

There are two requirements in order to get a driver's license in the state of California before the age of 18. 1) **Driver Education** and 2) **Behind-the-Wheel Driver Training**. MiraCosta College offers both! Students must be at least 15 to take driver education classes and 15 ½ to take behind-the-wheel training.

CALIFORNIA DMV-APPROVED ONLINE DRIVER EDUCATION

\$30 You must register online:

miracosta.edu/driversed

Behind-The-Wheel Training

\$330

Six hours of one-on-one training

Students receive six hours of one-on-one instruction in our Behind-the-Wheel Driver Training Program. Convenient times after school, evenings, and weekends are available. Behind-the-Wheel Driver Training pickup locations: Carlsbad High, El Camino High, Rancho Buena Vista High, La Costa Canyon High, Sage Creek High, MiraCosta College Oceanside Campus and MiraCosta College in Cardiff. All licensed instructors are professional and reliable. Our courses satisfy all DMV requirements.

To register for Behind-the-Wheel Training, please call 760.231.1221.

Adult Driver Training

\$353 / 18 years of age and older

Lessons consist of three days of training, two hours per day. The instructor will pick you up at your home. You must have a valid California learner's permit to sign up.

Call 760.231.1221 to register.

**For general questions about our Driving programs,
please call 760.795.6825.**

NEW Sweet Summer Desserts Livestream

Enjoy the fruits of the season as we embark on a sweet journey of baking. Together, we will make a stone-fruit galette, mastering pastry dough along the way, and a succulent berry cobbler. Join French-trained pastry chef, Lisa Michelle Porfiro on this adventure that marries technique with the fruits of the summer.

Supplies: Prior to class, the instructor will email a list of ingredients and equipment/utensils needed. Instructor will send an email with Zoom link before class begins.

Lisa Porfiro / \$55 Early Bird Special \$49
(Register BEFORE 6/18 for this rate) / Online
1 Sun, 6/27, 2–4:30 PM

The Chemistry of Cooking Livestream

Are you finding yourself at home more often and looking for a fun and engaging activity? Get the family together and join this fun and interactive livestream class. This class will introduce you to the underlying principles of chemistry as it relates to cooking food. We will investigate the chemical and physical properties of foods and how different preparation methods affect the outcome of how food appears and tastes. At the end of the course, you will be a scientist and a chef!

Supplies: Instructor will provide PDF materials and send suggested supply list. Required materials in the kitchen are measuring cups and spoons, basic utensils, a timer, a pot, a pan, and access to a stove and an oven. Suggested items include a kitchen scale, thermometer, and a grill/skillet. Instructor will email Zoom link.

Sarah Dunn / \$79 Early Bird Special \$75
(Register BEFORE 7/3 for this rate) / Online
Family members in same household are welcome to join in at no additional cost.
4 Thurs, 7/15–8/5, 4–6 PM

NEW Wine Tasting—The Famous 1976 Judgment of Paris

Experience a reenactment of the famous 1976 Judgment of Paris blind wine tasting event that put California wines on the worldwide wine map. Certified Sommelier Dane Kuta will tell the story of this watershed moment in California's wine history while you enjoy two wines: a French Bordeaux Supérieur and a California Cabernet Sauvignon. At the end, we'll vote on which wine we like best and declare a winner. The course includes two (2) 750ml bottles of wine and the NY Times best-selling book *The Judgment of Paris* by George M. Taber delivered to your home.

Note: Must be 21 years or older to register. Instructor will send an email with Zoom link before class begins.

Supplies: A \$40 materials fee will be collected in class. Includes two bottles of wine and the NY best-selling book *The Judgment of Paris*.

Dane Kuta / \$49 / Online
1 Wed, 8/18, 7–8:30 PM

NEW 6 for 66—Wines and Food Pairings

Join Certified Sommelier Dane Kuta in a unique one-day virtual wine class featuring the popular "6 for \$66" wine selection from 3rd Corner Wine Shop & Bistro in Encinitas. Students will pick up the July six-wine package from 3rd Corner on their own and then join Dane for a livestream as he describes each of the six wines in detail, suggests the ultimate cheese accompaniment, and provides food pairing ideas for each selection. We'll even play some online wine games based on the month's theme. Stock up for summer with 6 wines for only \$66 in this very fun livestream class!

Note: Must be 21 years or older to register. Instructor will send an email with Zoom link before class begins.

Supplies: Students will need to purchase the July "6 wines for \$66" at the 3rd Corner wine shop prior to class (897 S. Coast Highway, Ste. F-104, Encinitas 92024). Visit www.the3rdcorner.com/ for location information.

Dane Kuta / \$49
1 Wed, 7/28, 7–8:30 PM.

Landscaping with California Native Plants Livestream

Create a sense of place and habitat using California's own heritage, which will ultimately benefit your purse, home and the planet. We will focus on 20 native California plant species, their uses, care and maintenance without chemicals or additives. Students will design a landscape and supplemental irrigation system through lecture and hands-on design sessions.

Supplies: Please bring notebook, colored pencils, pen and eraser to use during livestream class.

Susan Krzywicki / \$59 Early Bird Special \$55 (Register BEFORE 5/29 for this rate)

2 Sat, 6/5 & 6/12, 9 AM–12 PM

NEW Organic Edible Gardening Livestream

Grow your own organic produce! Whether you want to provide your family with nutritious food, save money, get some exercise or just be more self-sufficient, this course will give you the skills and knowledge you need to be on your way to a successful harvest. If you have a few hours a week, you can grow the best organic vegetables for your table. You do not need a large yard. Growing

in raised beds and containers makes gardening so much easier. We will discuss building raised beds and where to buy pre-made ones. All aspects of gardening will be covered: design and care, preparation, planting, harvesting and more. You will learn everything you need to know about our favorite vegetables, fruits, herbs and edible flowers. Join us in the dirt to make great, healthy food!

Supplies: Gardening tools and a supplies list will be suggested and emailed to students before the start of class. Instructor will send a Zoom link before class begins.

3 Sat, 6/5–6/19, 11 AM–1 PM

Growing Plants for Fun and Profit

Turn your love of plants into an enjoyable and profitable home business. Learn how to grow and market plants on a small scale without major capital investment.

In an area as small as 1000 sq. ft., you can generate thousands of dollars' worth of plant material in a single growing season. This course is your practical guide to licensing, site preparation, equipment, how and where to find supplies, how to select and produce plants appropriate to your climate zone, how to produce quality material and, most importantly, how to market your product.

\$99 Instructor Led. \$100 self-paced. 6-week course.

Financial Planning for Women Livestream

Statistics tell us that eight out of ten women will end up handling their own finances. This may be due to longevity, divorce or other reasons. This class will prepare you to handle your finances and give you a deep knowledge of financial markets. We will cover budgeting and give you tools to create and run a budget. You will learn how to properly allocate assets. We will spend a lot of time breaking down stocks/equities vs. bonds/fixed income. You will learn how to evaluate your portfolio against proper benchmarks and how to interpret your financial statements. Each class includes a packet of worksheets. This class will give you peace of mind and knowledge that will last a lifetime. This is a fun, hands-on, interactive class where questions are welcomed.

Post-Pandemic-Bucket List Time!!!

**AFRICA • NORTH/SOUTH AMERICA
EUROPE • ASIA • AMERICA • AUSTRALIA**

We are all looking forward to planning our next BIG adventure outside of our living rooms! As you get ready to reserve your next international travel experience for 2022, be sure to look to MiraCosta College International Travel Program. In partnership with Collette Travel, we offer more ways to customize your tour so that all you have to do is put on your walking shoes and get your camera ready. We will handle the rest. Our team consults with health and security experts all around the world to ensure a healthy and enjoyable travel experience.

Contact us at **760.795.6820** to ask about destinations and request travel brochures.

Getting Started with Your dSLR Livestream

In this workshop, you will learn how to set up your camera to optimize the quality of your photographs. We will cover important topics of white balance and ISO, allowing you to shoot under difficult conditions. Additionally, you will learn about the little icons on your shooting dial. After you have completed this class, you'll be able to take pictures right away!

Supplies: Instructor will send an email with Zoom link before class begins. Please have your camera and manual ready for class.

Terry Matsuoka / \$49 / Online
1 Wed, 7/14, 6:30–8:30 PM

From Good to Great Photos: Understanding Aperture and Shutter Speed Livestream

Even if you didn't realize it, this is probably why you bought your dSLR in the first place. Aperture and shutter speed can be daunting concepts to understand on your own. Once you master these aspects of photography, it's what is going to separate your pictures from the rest. We will also take a look at some of the pictures you took after your first session for constructive evaluation. After this class, you'll be able to practice depth-of-field and capture motion and time.

Supplies: Instructor will send an email with Zoom link before class begins. Please have your camera and manual ready for class.

Terry Matsuoka / \$49 / Online
1 Wed, 7/21, 6:30–8:30 PM

Making Shooting Perfect Pictures Easy Livestream

After this class you will be well equipped with ideas on how to approach your picture taking. The most important aspects of making great photos are how you arrange things in your frame and how it is lit. Learn compositional and lighting techniques to try the next time you go out to take pictures. We will also learn what kind of effects different lenses have on your photos. Level up your creativity!

Supplies: Instructor will send an email with Zoom link before class begins. Please have your camera and manual ready for class.

Terry Matsuoka / \$49 / Online
1 Wed, 7/28, 6:30–8:30 PM

Digital SLR Photography Series

Introductory digital SLR photography series can be taken as individual courses for \$49, or together for only \$119!

The photography topics are interrelated and affect one another, so we recommend you take all three (Getting Started with Your dSLR, Aperture and Shutter Speed and Making Shooting Perfect Pictures Easy) to get a complete understanding of the camera and picture-taking.

RECREATION

Introduction to Chess Livestream

It is widely known that playing chess improves mental acuity, cognitive ability and enhances creativity. Chess is one of the oldest games in human history and since its inception, changed drastically into the game we know today. Join us in this interactive virtual class where you will learn the history and development of the game of chess, modern chess theory, the rules of the game and chess strategies that will enable you to play at a beginner or intermediate level by the end of class. This class is ideal for people who have little or no experience with chess.

Supplies: Practice problems, lectures, and worksheets will be emailed to students but owning an actual chess board with pieces will be extremely helpful. Students can purchase a chess board at any game store or retail chain for under \$20. Instructor will send an email with Zoom link before class begins.

5 Tues, 6/15–7/13, 5–6 PM

NEW Coastal Geology Walk at Torrey Pines and San Elijo Beach Park

Join Geology expert Phil Stoffer as he leads you on a beautiful coastal hike, while you learn about the formation of local landscapes, coastal and stream erosion, water resources and habitats. In order to fully enjoy this class, students must be physically capable of hiking long distances on potentially rugged trails with several hundred feet of elevation gains. Experience the natural beauty, a variety of birds and sounds all while soaking in ocean views.

Note: Please wear a mask upon arrival to class and the Instructor will provide further instructions.

Supplies: Students will need good footwear for hiking 3–4 miles on beaches and mountain trails. Students will need a backpack and a notebook (for taking notes), water, sunscreen, snacks, etc. Everyone should have a cell phone. Students will need to provide their own transportation and pay parking fees if necessary. The link to print field trip packets will be included in the registration receipt.

Phil Stoffer / \$49 Early Bird Special \$39

Torrey Pines

12600 N Torrey Pines Rd, La Jolla, CA 92037
Hike starts at the park entrance and up (about 3 miles total).

Sat, 6/19, 9 AM–1 PM
(Register BEFORE 6/12 for Early Bird rate)

Activity Level: Moderate

San Elijo State Beach

2050 S Coast Hwy 101, Cardiff, CA 92007
Hike starts at the park and ends at the San Elijo Lagoon Nature Center.

Sat, 7/17, 9 AM–1 PM
(Register BEFORE 7/10 for Early Bird rate)

Activity Level: Easy

Adult Horsemanship

English or Western style.

This is a wonderful opportunity for you to learn about horses, grooming, horsemanship and to begin riding in a safe and beautiful environment. Horseback riding helps build confidence and responsibility, soothes and releases stress, provides exercise, and develops a strong bond between you and horses. All levels welcome, including the experienced rider who wants to get back in the saddle.

Note: Students must weigh under 200 lbs, be healthy and in good physical condition and able to mount and dismount a horse by themselves. Students will need to sign a waiver supplied by the instructor at the first class. Students between the ages of 15–17 must be accompanied by an adult and will need to have a parent or guardian sign a waiver. Please wear a face mask upon your arrival at the farm and your instructor will give you further instructions.

Supplies: Bring water and sunscreen. Wear closed-toe shoes and comfortable clothes that can get dirty.
Teri Cagle / \$210
Hoof Haven Farms, 4777 S. Mission Road, Fallbrook
6 Sat, 6/26–7/31, 12–1:30 PM

Simple, Easy, Every Day Meditation™ (SEED) Livestream Workshop

Do you want to get serious about learning to meditate—then you must take this class! Meditation and mindfulness can lead to inner peace, creativity, inspiration, harmonious relationships, better health and increased self-awareness. This class is ideal for the beginner or the practicing meditator. Taking this workshop will provide you with the tools and knowledge required to start a mediation routine in the comfort and privacy of your own home. This special online class will teach the basics of meditation using “SEED” (Simple, Easy, Every Day Meditation™) technique, which includes breath-based, body scan, heart-centered, compassion, mindfulness and mantra meditations.

Note: Instructor will send an email with Zoom link before class begins.

Golf-Full Swing FUNDamentals

Are you interested in learning the golf swing? Have you been playing a while and just can't find the consistency you are looking for? Come join the Full Swing Fundamental class. This class will focus on the full swing only. We will go over the fundamentals of the golf swing, posture, grip, aim, swing plane and swing path. We will break the swing down and cover a different part every week including set up, back swing, transition, down swing and follow through. By the end of this class you will have a very good understanding of the golf swing and how to practice.

Note: Please wear a mask upon arrival to class and the instructor will provide further instructions.

Supplies: A \$55 materials fee will be collected in class for weekly range balls and golf course fee. Scott Newman / \$169 / Encinitas Ranch Golf Course 8 Sun, 6/20-8/15, 9-10 AM. *No class on 7/4.*

Golf-Short Game FUNDamentals

Have you heard the golf adage, "drive for show, putt for dough"? It's the truth. Although it's fun to step up to a golf ball and hit it as hard and as far as you can, to shoot good scores, you have to have a good short game. This class will focus on all aspects of the short game, such as putting, chipping, pitching and the sand shot. Each week we will work on new shots to hit to help you lower your scores.

Note: Please wear a mask upon arrival to class and the instructor will provide further instructions.

Supplies: A \$55 materials fee will be collected in class for weekly range balls and golf course fee. Scott Newman / \$169 Encinitas Ranch Golf Course 8 Sun, 6/20-8/15, 10:15-11:15 AM *No class on 7/4.*

Golf-Women's Beginner

This class is for ladies who are interested in learning about the game of golf in a relaxed group atmosphere. We will cover all the basics including the swing, etiquette and rules, so you will feel comfortable going to the driving range or course to play with friends or colleagues. Enjoy the outdoors, fresh air, make new friends and learn a game that can be enjoyed for a lifetime. Everything will be provided; just bring yourself and be ready to have some fun.

Note: Please wear a mask upon arrival to class and the instructor will provide further instructions.

Supplies: A \$55 materials fee will be collected in class for weekly range balls and golf course fee. Scott Newman / \$169 / Encinitas Ranch Golf Course 8 Tues, 6/8-7/27, 12-1 PM

Golf-Women's Level 2

This class is designed for the lady golfer looking to improve her existing golf skills and achieve more consistency in all areas of the game. Through drills and simple training aids, classes will focus on putting, chipping, pitching and the full swing with a driver and irons.

Note: Please wear a mask upon arrival to class and the instructor will provide further instructions.

Supplies: A \$55 materials fee will be collected in class for weekly range balls and golf course fee. Scott Newman / \$169 / Encinitas Ranch Golf Course 8 Wed, 6/9-7/28, 12-1 PM

{ More Golf classes will be added. Please contact us at 760.795.6820 or visit miracosta.augusoft.net }

Become a Notary Public Livestream

Establish yourself as a Notary Public, earn additional income and provide a service to your community. Successful notaries provide a valuable service to their company, friends and private clients. Notary skills are valuable in almost any industry: real estate, legal, medical and banking to name just a few. Livestream with a notary expert for three sessions and you will be ready to take the official notary exam and practice as a safe and effective notary. Next, consider becoming a Loan Signing Agent and make \$200 to \$300 per signing. Students are eligible to access our private Facebook page to ask questions, watch webinars and receive updates. All you need is a smartphone to join. Must be at least 18 years of age. A serious conviction may disqualify an applicant. You'll receive a Completion Certificate and a Secretary of State-Notary Public Application from your notary training class that you must bring with you to your chosen testing center. The notary test must be taken at a physical location. Register for the official notary exam 15 days in advance or be a walk-in candidate. Use this link to view testing schedule and register: <https://exam-registration.cpshr.us/notary/notary>

Supplies: A \$20 materials fee will be collected upon registration for workbook. The book and materials will be emailed to students from Notary Public Seminars. Notary Public Seminars, Inc. / \$99 / Livestream Sat & Sun, 7/24–7/25, 10 AM–1:15 PM

Renewing Notaries Livestream

Need to renew your notary commission?

We'll feature the new state laws and give you a brush-up on general law to make sure you haven't fallen into any bad habits. Your commission must be current to be eligible for the three-hour seminar. Renewing notaries must take the exam and submit Live Scan fingerprints again. Option: the six-hour notary public education course satisfies the requirement for a three-hour refresher course.

Note: You are automatically registered for the official state exam directly following the seminar. See box to the right regarding the notary test.

Supplies: A \$20 materials fee will be collected upon registration for workbook. The book and materials will be emailed to students from Notary Public Seminars. Notary Public Seminars, Inc. / \$50 / Livestream Sat, 7/24, 10 AM–1:15 PM

Become a Loan-Signing Agent Livestream

Make the most out of your notary commission by becoming a certified Loan Signing Agent. Our livestream seminar will teach you how to notarize loan documents and give you a simple strategy to launch your new business. Learn the information and tools you need to succeed as a Signing Agent from the comfort of your home. Our expert teachers are seasoned in the business; they'll teach you the process of completing a signing, best practices in the industry, and how to get loan signing assignments. Students are eligible to access our private Facebook page to ask questions, watch webinars and receive updates. All you need is your smartphone to join. A certificate is awarded upon completion of the course.

Topics include:

- Notarize a loan package from any bank successfully every time
- The dos and don'ts of the profession
- What to discuss with your clients
- How to develop your own business
- Getting signed up with busy signing agencies

Prerequisite: Must be a notary public or have taken a notary class.

Supplies: A \$30 materials fee will be collected upon registration for workbook. The book and materials will be emailed to students from Notary Public Seminars. Notary Public Seminars, Inc. / \$99 / Livestream Sat, Sun, 8/14–8/15, 10 AM–1 PM

When you are ready to take the walk-in exam, please bring the following:

- 1) Completed Secretary of State-Notary Public Application
- 2) Proper ID
 - State-issued driver's license or ID card
 - U.S. passport or a passport issued by a foreign government
 - U.S. military ID card
- 3) 2 x 2 color passport photo of yourself (can be obtained at Costco, Walgreens, CVS)
- 4) Two #2 pencils
- 5) Completion Certificate from notary public training
- 6) Payment for the exam, check or money order
- 7) \$40 made payable to "Secretary of State"

NEW Building Strong Teams Virtually Anywhere

We hear about destination vacations, but have you ever thought about working from your dream location for a week? A month? A lifetime? If so, then you've found the right class! In four short weeks, you'll learn what it takes to make your dream a reality—and still stay connected with your work team, your friends and your family.

Note: Students will need a laptop, tablet, or desktop computer and access to Internet for the duration of the class. Instructor will send an email with Zoom link before class begins.

Supplies: Please have a notebook and pen or pencil ready to take notes.

Certified EKG Technician

Electrocardiography (EKG) technicians are vital members of any healthcare team. If you want to join the booming healthcare industry as an EKG tech, this in-depth course will train you to apply, monitor, and measure electrocardiography tests in a flexible, online learning environment. You will also learn key subjects needed to earn a nationally recognized EKG technician certification, such as measuring basic vital signs, performing rapid response procedures, operating an EKG machine, and identifying rhythms. By course completion, you will be prepared to take and pass the Certified EKG Technician Specialist (CETS) certification exam, offered by American Education Certification Association and the Certified EKG Technician (CET), provided by the National Healthcareer Association.

\$1,995 [Click here to register](#)

Teacher's Aide with ParaPro Prep

Schools need paraprofessionals! This course will prepare you for the ETS ParaPro Assessment exam, so you can work as a teacher's aide. You'll learn how these paraprofessional educators assist with classroom instruction and build a foundation in educational principles like classroom management. Most importantly, you'll develop strategies to support students of different learning abilities in reading, writing, and math.

HOW TO APPLY FOR WORKFORCE TRAINING

The majority of our workforce training classes (identified by a ◊) require that a Student Interest Form and Student Application are completed in our online “Apricot” database prior to enrolling. A Medical Form is also required for Machinist, CNC Operations and Welding classes.

Start here www.tinyurl.com/TCIinterest by creating a Student Interest form (profile). Keep your password handy, as you will need to log back into the system. Then follow the steps below:

1. Sign on using your username (email) and password at ctk.apricot.info
2. Click “MENU” in upper left corner of form
3. Click “Search Records”
4. Click “Student Interest Form”
5. Your name should appear in the middle of the page
6. Click your name
7. An All box will appear
8. Drag your mouse to the right of the Application and click “+”
9. Don’t forget to “Save Record” on the right side of page
10. Repeat steps for the Medical Form ONLY if you are taking Welding, Machinist Technology, or CNC Operations
11. Lastly, submit a photo ID in person or via email to tc@miracosta.edu.

Note: For our longer workforce training programs and/or outside funding sources, there may be additional forms and documents that are required.

Our programs under 50 hours will typically accept students ages 15 years or older. Please contact our office at 760.795.6820 prior to applying.

CERTIFICATE INFORMATION

For any program over 50 hours, students will have the opportunity to earn a Certificate of Accomplishment. If you are enrolled and successfully complete a program under 50 hours, we can issue a certificate for \$20.

REFUND POLICY

Refunds will be made up to five working days prior to your class start date. A \$25 cancellation fee will be retained for each refund. There are no refunds given once the class has begun, unless special permission has been granted by the program supervisor.

Email us at tc@miracosta.edu

FREE INFORMATION SESSIONS

▶ Child Visitation Monitor

- Wed, 7/21 at 5:30–6:30 PM Online

Instructor will send an email with Zoom link before the information session begins.

▶ Biomedical Equipment Technician

- Tues, 6/22 at 6 PM (information session with testing)
- Tues, 7/6 at 2–5 PM (interviews by invite only)

Technology Career Institute • 2075 Las Palmas Drive, Carlsbad
Online: Mon, 6/14 at 10 AM

▶ BrewTech

- Thurs, 7/8 at 6 PM (information session with testing)
- Thurs, 7/22 at 2–5 PM (interviews by invite only)

Landes Recreation Center • 2855 Cedar Road, Oceanside
Thurs, 7/15 at 10 AM

▶ Engineering Technician

- Wed, 5/26 at 6 PM
- Wed, 6/30 at 9 AM (information session with testing and interviews following)
- Thurs, 7/29 at 4 PM (testing and interviews only)

Technology Career Institute • 2075 Las Palmas Drive, Carlsbad
Online: Fri, 5/28 at 10 AM
Online: Fri, 8/13 at 10 AM

▶ Machinist Technology

- Thurs, 5/27 at 9 AM (information session with testing and interviews following)
- Thurs, 6/24 at 4 PM (testing and interviews only)

Technology Career Institute • 2075 Las Palmas Drive, Carlsbad
Online: Tues, 5/4 at 10 AM

▶ Massage Therapy

- Tues, 6/29 at 5 PM. Oceanside Campus, Room T520

▶ Phlebotomy Technician

- Tues, 8/24 at 5:30 PM Livestream. A Zoom link will be emailed to students prior to the information session.

Note: no assessment needed!

▶ Unmanned Systems (ROV/Drone) Operator Technician

- Tues, 6/15 at 6 PM (information session with testing)
- Tues, 6/29 at 2–5 PM (interviews by invite only)

Technology Career Institute • 2075 Las Palmas Drive, Carlsbad
Online: Tues, 6/8 at 10 AM

▶ Veterinary Assistant

- Wed, 8/18, 5:30 PM Livestream. A Zoom link will be emailed to students prior to the information session.

Note: Mandatory math and reading comprehension assessment is scheduled on Wed, 8/25 at 2 PM.

MiraCosta College's Technology Career Institute is an equal opportunity employer (EOE). Auxiliary aids and services are available upon request to individuals with disabilities.

Note: If you have a verifiable disability, you will need to call 760.795.6820 at least one week prior to the assessment to ensure proper accommodations can be made.

CERTIFICATE

Advanced Manufacturing Leadership Certificate

Bundle these classes for \$1,265

GI Bill® and WIOA funding available

- Blueprint Reading with GD&T
- LEAN Six Sigma
- OSHA-30
- Quality Assurance Basics for Manufacturing

CNC Programming Certificate

Bundle these classes for \$1,680

GI Bill® and Sallie Mae funding available

- 3D CAD for Manufacturing—Resumes in Fall 2021
- Blueprint Reading with GD&T
- Digital Precision Measuring
- CNC Programming—Introduction and Intermediate

Biomedical Equipment Technician Certificate

GI Bill® and Sallie Mae funding available

- Fundamental Electronics
- Human Anatomy
- Advanced Troubleshooting
- BMET Career Readiness
- OSHA-10
- 486-hour course

Child Visitation Monitor Certificate

WIOA funding available

Make a difference in the lives of children and families.

- Satisfies the State Requirements
- Covers State Policies and Procedures
- Safety and Responsibilities
- 24-hour course

BrewTech Certificate

GI Bill®, Sallie Mae and WIOA funding available

- Techniques and Technology of Brewing
- Equipment Troubleshooting and Repair
- Brewing Formulas
- History and Nature of Brewing
- OSHA-10 and LEAN Training
- 280-hour course

Electronics Certificate

Bundle these classes for \$2,950

GI Bill®, Sallie Mae and WIOA funding available

- Basic Electronics—Resumes in Summer 2022
- Introduction to Electromechanics—Resumes in Summer 2022
- Electronic Assembly
- OSHA-10
- Quality Assurance Basics for Manufacturing

CNC Operator Certificate

Bundle these classes for \$1,645

GI Bill®, Sallie Mae and WIOA funding available

- 3D CAD for Manufacturing—Resumes in Fall 2021
- Blueprint Reading with GD&T
- Computer Numerical Control (CNC) Operation
- OSHA-10

Engineering Technician Certificate

GI Bill®, Sallie Mae and WIOA funding available

- Electrical
- Mechanical
- Robotics
- Automation
- OSHA-10 and LEAN Training
- 600-hour course

For individual course details, please see pages 30–38.

PROGRAMS

Machinist Technology Certificate

GI Bill®, Sallie Mae and WIOA funding available

- Blueprint Reading with GD&T
- OSHA-10
- Manual Lathe, Mill and CNC training
- CNC Programming
- LEAN Six Sigma
- 487-hour course

Unmanned Systems (ROV/Drone) Operator Technician Certificate with FAA Licensing Test Prep

GI Bill® and Sallie Mae funding available

- Introduction to ROV/Drone Operation and Piloting
- FAA Licensing Requirements
- Electrical and Mechanical Repair
- OSHA-10
- 462-hour course

Massage Therapy Certificate

CAMTC Approved

Sallie Mae funding available

- Anatomy and Physiology
- Body Mechanics and Chair Massage
- Advanced Massage Theory and Methods
- Shiatsu, Tai Chi and Acupressure
- Massage for Athletes

Scuba Diving Instructor Certificate

GI Bill® funding available

Offering the only GI Bill® Approved Program in California

- PADI Instructor Certification
- Self-Paced
- Includes coursework, boat dives and gear
- 1033-hour course

Call 760.795.6820 for details

Phlebotomy Technician Certificate

GI Bill®, Sallie Mae and WIOA funding available

- CPT1 Phlebotomy Technician Certificate
- Basic Phlebotomy
- Advanced Phlebotomy
- Hands-on and Post Course Externship
- 80-hour course

Veterinary Assistant Certificate

GI Bill®, Sallie Mae and WIOA funding available

Entry-level training for the veterinary assistant profession.

- Basic Animal Care
- Safety Procedures
- State/Federal guidelines
- Veterinary Medical Terminology
- 65-hour course

Real Estate License Certificate

GI Bill® and Sallie Mae funding available

- Real Estate Principles
- Real Estate Practice
- Real Estate Finance and Economics
- 150-hour course

Welding I Certificate

GI Bill®, WIOA and Sallie Mae funding available

Explore basic welding processes and procedures.

- Shielding Metal Arc Welding (SMAW)
- Interpretations of Blueprints/Shop Drawings
- Gas Metal Arc Welding (GMAW)
- Flux Core Arc Welding (FCAW)

For individual course details, please see pages 30–38.

◊ Basic Electronics

An introductory, 50-hour course that teaches students the basics of electronic technology. Students experiment with direct current, series-parallel circuits and transistors/semiconductors. Additional topics include: study of Ohm's law, Watt's law, use of electronic components, basic soldering, oscilloscopes, digital volt meters, bread-boarding electronic circuits, basic computer troubleshooting and basic AC circuitry.

\$450 **WIOA tuition funding available.**

Technology Career Institute

10 Tues & Thurs, 6/22–8/26, 6–8:30 PM

◊ Blueprint Reading with GD&T

In this 30-hour hands-on class students learn to read and correctly interpret blueprints used in the manufacturing trades. They will get an opportunity to draw and edit simple blueprints through step-by-step development of multi-view drawings. In addition, students will learn the basics of geometric dimensioning and tolerancing (GD&T). This course is the perfect introduction to GD&T, symbols, applications and methods of inspection.

\$315

Technology Career Institute

5 Sat, 7/10–8/7, 9 AM–3:30 PM

◊ Biomedical Equipment Technician Program (BMET)

Biomedical Instrument Technology is constantly expanding in healthcare, playing an increasing role in patient monitoring and treatment. Therefore, there is an ever increasing need for Biomedical Equipment Technicians (BMETs) to provide user training, inspection, calibration, maintenance and repair of medical devices. MiraCosta's 440-hour BMET program will train students to use, troubleshoot, repair monitor and maintain biomedical instruments to prepare you for a career in this expanding field. The BMET program was developed as a result of increasing demand for biomedical equipment technicians in San Diego County and around the country. Courses build on lecture topics through extensive hands-on application in the areas of:

- Science
- Human Anatomy and Physiology
- Fundamentals of electronics
- Fundamentals of mechanics
- Introduction to computers, networks and cybersecurity
- Survey of instruments used in healthcare
- Documentation
- Advanced maintenance, troubleshooting and repair
- Career Readiness

\$6,000 **GI Bill® and Sallie Mae funding available.**

Technology Career Institute

Mon–Fri, 8/2–12/7, 8:30 AM–2 PM. *No class on 9/6, 11/11 & 11/25–11/26.* 5 hours each day.

► **Register for the FREE information session (details on page 27).**

◊ BrewTech Program

San Diego is well known as the craft beer brewing capital of the United States with over 150 active breweries and more scheduled to open soon. MiraCosta's 280-hour BrewTech Program is designed to train students to become productive brewers, while gaining confidence in the brewhouse, cellar or packaging line. As one of the premiere craft beer programs in the San Diego area with an on-site brewery, this class will focus on 'grain-to-glass' hands-on experience. The curriculum, including recipe development, wort production, cellar practices and packaging, is designed to train students to become a turnkey brewery technician. Classroom material covers the chemistry and biology of beer production and will introduce students to brewery equipment. Industry tours around San Diego will expose students to multiple brewing applications that will serve to enhance their knowledge of craft beer production. Students will also gain workplace skills training that will further add to their employability.

\$4,000 **GI Bill®**, **Sallie Mae** and **WIOA** funding available.

Landes Recreation Center, 2855 Cedar Road, Oceanside

Tues–Thurs, 8/24–12/2, 4–10 PM, 7 Saturdays, 9/11, 9/25, 10/9, 10/23, 11/6, 11/20 & 12/4, 8 AM–2:30 PM

No class on 11/11 & 11/23–11/25. 280 hours.

► Register for the **FREE** information session (details on page 27).

We are proud to be one of two Brewing programs in California recognized by the Master Brewers Association of the Americas.

◊ Computer Numerical Control (CNC) Operation

Computer numerical control (CNC) is the automated control of manufacturing machining tools (drills, boring tools, lathes) by means of a computer. In this 56-hour course, students will learn safety, terminology, and basic blueprint reading, as well as interpretation of G&M codes, and operation of both a HAAS CNC mill and lathe. Students will also get exposure to CAD/CAM software. Course material and activities are provided via demonstrations and hands-on instruction.

\$850 **Sallie Mae** and **WIOA** funding available.

Technology Career Institute

7 Sat, 7/10– 8/21, 8 AM–4:30 PM

◊ CNC Programming–Introduction Using MasterCam Mill

In this 30-hour introductory course, students learn how to design basic CNC programs for a three-axis CNC milling machine. Students will be instructed on G&M codes, Boolean logic and machine and control definitions. In addition, the class will cover basic aspects of post configuration, variable definitions, formatting, post lines, post text, modality and control definitions.

\$400 **Sallie Mae** funding available.

Technology Career Institute

6 Sun, 6/6–7/18, 9 AM–2:30 PM, No class on 7/4.

◊ CNC Programming–Intermediate Using MasterCam Mill

MasterCam is the most widely used CAM software in the industry and this intermediate, 30-hour course will provide students with trade-specific tips and tricks, whether they are in production or programming. This course also teaches additional topics for more intricate programs and designs. HAAS simulators will be used to test run the programs.

\$400 **Sallie Mae** funding available.

Technology Career Institute

6 Sun, 7/25–8/29, 9 AM–2:30 PM

◊Electronic Assembly

Learn the necessary training to become an electronic assembler at an advanced manufacturing company:

- Soldering through-hole and surface mount single-lead/multi-lead components
- Soldering multi-pin IC chips
- Measuring and cutting wire
- Trimming insulation, tinning wires and mounting to terminals
- Inspecting workmanship for acceptability to industry standards
- Familiarization with printed circuit board (PCB) cleanliness, coating and suitability for assembly requirements
- Understanding of product assurance, rework and repair processes and methodologies

In this 80-hour course students will work toward IPC certification. In addition, students will learn the role of production in the manufacturing system and how certain skill sets, such as reading and analyzing acceptance criteria, testing, documentation and soldering are integral to the job.

\$1,200 A \$100 certification fee will be collected.
WIOA funding available.

Technology Career Institute

10 Sun, 6/20–8/29, 8:30 AM–5 PM, *No class on 7/4.*

◊Electronic Assembly Re-certification

IPC professionals are required to renew their certifications every two years. In this 24-hour course students will be updated on IPC requirements and given the opportunity to demonstrate their workmanship skill to renew their IPC certification.

Demonstrate the skills and necessary training to re-certify as an electronic assembler at an advanced manufacturing company:

- Soldering through-hole and surface mount single-lead/multi-lead components
- Soldering multi-pin IC chips
- Measuring and cutting wire
- Trimming insulation, tinning wires and mounting to terminals
- Inspecting workmanship for acceptability to industry standards
- Familiarization with printed circuit board (PCB) cleanliness, coating and suitability for assembly requirements
- Understanding of product assurance, rework and repair processes and methodologies

Prerequisites: Current or expired IPC J-STD-001 (any revision) certification.

\$500 A \$100 certification and materials fee will be collected.

Technology Career Institute

3 Mon & Wed, 8/9–8/25, 5:30–9:30 PM

UPCOMING CLASSES

- 3D CAD for Manufacturing–Fall 2021
- Digital Precision Measuring–Fall 2021
- LEAN Six Sigma–Fall 2021
- OSHA 10 & 30–Fall 2021
- Introduction to Python-xy–Fall 2021

ADVANCED MANUFACTURING AND ENGINEERING TECHNICIAN APPRENTICESHIPS AVAILABLE

For more information, please
call 760.757.2121, x6528

◇ Engineering Technician Program

Whether you want to work in electronics, aerospace, biotechnology or breweries, this program can provide you with the necessary training.

Engineering technology integrates theory and application in mechanical, electrical and electronic systems, fluid power, automation, robotics and computer software. Our 600-hour program is 75% hands-on, gets students in front of industry leaders and trains students in the areas that companies have requested. Students will receive:

- OSHA certification
- National Career Readiness certification
- 2 days of job shadow experience
- Industry tours and guest speakers
- Career Readiness Bootcamp

Students will experience an accelerated program designed to prepare them with the skill sets to qualify for immediate entry into positions with local industry. Or, if a student has a college degree in this subject area or is interested in pursuing one in the future, this is the perfect supplement to enhance their current or future education.

\$7,000 GI Bill®, Sallie Mae and WIOA funding available.

Technology Career Institute

Mon–Fri, 8/30–12/17, 8 AM–4:30 PM. *No class on 9/6, 10/11, 11/11, 11/25 & 11/26.*

▶ Register for the **FREE** information session (details on page 27).

◇ Introduction to the Internet of Things (IoT)

Workers seeking employment in emerging technology may be confused about technology: hardware, software, connectivity, applications development, mobile devices, etc.

This 15-hour laboratory course introduces hardware, software, connectivity, and system architecture for industrial Internet of things (IoT). Students will create:

- Mobile device applications to connect with remote sensors
- Display remote sensor data using a graphical IDE
- Remotely monitor sensors using Arduino programmable module
- Create and store sensed data to an online database, and
- Create an online dashboard for displaying sensed data

\$150 / Technology Career Institute

5 Wed, 7/28–8/25, 6–9 PM

◇ The IPC-A-610 Certified IPC Soldering Specialist Training and Certification

The IPC-A-610 Certified IPC Soldering Specialist Training and Certification Course presents the acceptance criteria for quality of soldered electronic assemblies. This 32-hour course uses the IPC-A-610 document to present visual accept/reject criteria examples for the three classes of assembly. You'll learn the reject/accept criteria of soldered connections and most types of solder connections being used in today's market. Who should attend—Solder operators, quality inspectors, technicians, supervisors, engineering supervisors and manufacturing supervisors.

\$900 A \$65 certification fee will be collected.

Technology Career Institute

4 Sat, 8/7–8/28, 8:30 AM–5 PM.

◆ Machinist Technology Program

Want to work in the aerospace industry, make medical device parts and accessories or design a new golf club?

Gone are the days of the grease-covered, conventional machinist. Today's machinist must be highly trained with specific skills, working in high-tech manufacturing plants that are clean and innovative. Our nation has a huge shortage of skilled workers. As 77% of skilled Baby Boomers leave the workforce, San Diego County will need to fill thousands of positions over the next 15 years.

To meet this need, we offer a fast-paced, high-level training program. Students will be able to complete this program in 21-weeks (487 hours), with training in shop math, metal properties, reading blueprints, precision measuring, tooling, G&M codes, and manual and CNC machining. In addition, students will receive:

- OSHA certification
- National Career Readiness certification
- Opportunities to attend local industry meetings
- 2 days of job shadow experience
- Industry tours and guest speakers
- Career Readiness Bootcamp
- Apprenticeship pipeline available

\$6,500 **GI Bill®**, **Sallie Mae** and **WIOA** funding available. Technology Career Institute Mon–Thurs, 7/19–12/13, 3–9:30 PM. *No class on 9/6, 11/11 & 11/24–25.* 6 hours each day.

► Register for the **FREE** information session (details on page 27).

◆ PLC Design Logic

A hands-on study of PLC programming and logic design using Siemens TIA S7-1200 hardware/software, as well as ladder logic based on a RS Logix 500 emulator. Topics covered during this 30-hour course are hardware components and software interfacing with the PLC, ladder logic using switches, timers and counters, arithmetic operations, MOV operators, logic functions, shift registers and subroutines. Three simulated design projects will be assigned throughout the course. By the end of the course students will be familiar with ladder logic programming and interfacing with PLC controllers, as well as design methodologies for PLC programming.

Note: A basic understanding of electrical circuitry is strongly recommended.

\$300 Technology Career Institute
5 Sat, 7/10–8/7, 11:30 AM–5:30 PM

◆ Quality Assurance Basics for Manufacturing

Manufacturing companies are thriving in San Diego County. That means thousands of products must be inspected to ensure that quality meets or exceeds customer expectations. Whether it's a screw that goes into your body or a solar array on a satellite, it's critical that the part is made or assembled correctly. This 15-hour workshop provides students with an overview of quality assurance concepts within the manufacturing industry. Course topics include:

- Day-to-day job functions
- Inspection and testing topics
- Material certificates, MIL standards and verification
- AS9100 overview
- Auditing overview
- Manufacturing processes
- Documentation

\$275 Technology Career Institute
3 Tues & Thurs, 7/6–7/22, 5:30–8 PM

◇Quality Assurance Basics 2 Root—Cause/Problem Solving Analysis

Root cause is fundamental to problem solving. This 20-hour course presents the process and tools to identify the cause of a problem, solve it, and prevent it from occurring again. We focus on understanding root cause analysis as a procedure. The format of the course consists of lecture, practice, and role-playing. Whether your company is manufacturing, financial or service oriented, this course is needed.

Who should attend—Quality, risk, process engineers and managers, technicians, operations, process owners, those who want to improve their ability to solve recurring problems.

\$315 Technology Career Institute

4 Tues & Thurs, 8/3–8/26, 5:30–8 PM

◇Unmanned Systems (ROV/Drone) Operator Technician Program with FAA Licensing Test Prep

San Diego is a center for innovation and remote operated vehicles (ROV) are becoming the technology of choice for overwater, underwater, aerospace, retail delivery and agriculture industries. Our 420-hour program will employ hands-on training using state-of-the-art technology. Upon course completion, students will be ready to take the FAA Unmanned Aircraft Systems (UAS) Drone Knowledge Test—the required exam needed to pass to get a Remote Pilot Certificate.

Course includes:

- Industrial safety
- Electrical and specialty wiring
- Programmable controllers
- Machine design
- PC base data acquisition and control
- Geographic Information Systems (GIS)
- Electrical and mechanical repair
- Introduction to submersible robotics
- Introduction to ROV/drone careers
- ROV piloting
- Introduction to drones (UAVs)
- Drone piloting
- FAA licensing requirements and regulations
- FAA exam prep

\$6,000 GI Bill® and Sallie Mae funding available.

Technology Career Institute

Mon–Thurs, 7/19–12/15, 3:00–8:30 PM. *No class on 9/6, 11/11 & 11/25.* 5 hours each day.

► Register for the FREE information session (details on page 27).

◇Scuba Diving Instructor Program

MiraCosta College Community Education & Workforce Development now offers a rigorous GI Bill® funded Professional Scuba Diving Instructor program. We have created a 1033-hour course that prepares students for Professional Association of Diving Instructor (PADI) membership and certification.

This program is self-paced. To receive certificates, students must complete all classes and dives. **For program details, please call 760.795.6820.**

\$21,594.30 (includes all coursework, boat dives, materials and scuba gear) **GI Bill® funding available.**

Additional fees for PADI application, membership and certification will be required. These fees are the responsibility of the student and are to be paid directly to PADI or the certifying agency.

Start Dates: Ongoing Various diving locations

For VA funding, payments and enrollment questions, call MiraCosta College Community Education & Workforce Development at TCI: 760.795.6820.

◊Welding I Program

Designed to train students to qualify for an American Welding Society (AWS) code, this 132-hour course will explore basic welding processes and procedures, safety, interpretations of blueprints/shop drawings, metallurgy, fabrication tools, welding qualifications and procedure qualification. In addition, students will receive a significant amount of hands-on training in:

- Shielded Metal Arc Welding (SMAW)
- Gas Metal Arc Welding (GMAW)
- Flux Core Arc Welding (FCAW)

\$2,400 **GI Bill®**, **Sallie Mae** and **WIOA** funding available.

Landes Recreation Center

2855 Cedar Road, Oceanside

11 Tues, Wed & Thurs, 7/6–9/16, 5–9 PM

19 Sat, 7/24–12/18, 9 AM–4:30 PM

No class on 9/4, 11/13 & 11/27.

19 Sun, 7/11–12/12, 9 AM–4:30 PM

No class on 9/5, 10/31, 11/14 & 11/28.

◊Welding and Metal Fabrication

Interested in expanding upon your newly acquired skills from our Welding I class by getting some hands-on experience? If so, this 60-hour class is a great opportunity to practice and expand upon existing skills. Topics will include class projects, covering:

- SMAW, GMAW & FCAW welding processes
- Plasma arc cutting
- Blueprint Reading
- Basic tool safety and "tools of the trade" suggested checklist for welders/fabricators.
- Hands-on experience with the ironworker, cold saw and band saw.

Students will also learn math fabrication skills, job steps from start to finish, tacking, squaring and order of welding and basic critical thinking.

\$985

Landes Recreation Center

2855 Cedar Road, Oceanside

15 Mon, 8/30–12/13, 5–9 PM. No class on 9/6.

◊Massage Therapy Program | CAMTC Approved

500 hours completed in just ONE semester

Whether you are a beginner looking for a first-rate training and professional qualification or a qualified therapist wishing to further your knowledge and skills, MiraCosta College's Massage Therapy training program is just right for you. Our newly revised Massage Therapy program is held, Tuesday–Friday and some Saturdays. This 500-hour program has a maximum student number, ensuring close supervision for each learner. Massage therapists can specialize in many different types of massage modalities. Swedish, deep-tissue and sports massages are just a few of the many modalities of massage therapy. This program is designed for anyone who meets the prerequisites and is interested in becoming a massage therapist, sports massage therapist or starting their own massage business.

Kevin Whitfield, Keoni Salgado, Tania Yager / \$6,500 due at time of registration. **Sallie Mae** funding available.

Students are required to purchase and wear white or black short/cap sleeve shirt (polo/athletic style), dark/khaki knee/ankle length pants and closed-toed shoes while working with the public. Students will also bring personal sanitizer, a clean sheet and massage lotions.

Classes will be held in room T520 at the Oceanside Campus.

Textbooks: Course requires you to purchase three textbooks for an approximate cost of \$200. List will be sent prior to class.

Tues–Fri, 8/17/21–2/8/22, 1–7 PM & Sat, 1/29–2/5/22, 9 AM–4:30 PM. 30-minute break. No class on 9/6/21, 11/12/21, 11/25/21–11/26/21, 12/20/21–1/03/22 & 1/17/22.

▶ Register for the **FREE** online information session: **Tues, 6/29 at 5 PM (details on page 27)**.

◊ Phlebotomy Technician Program with NCCT Exam

MiraCosta College Community Education & Workforce Development, in partnership with PhlebotomyU, is proud to offer this excellent opportunity for those seeking to enter the medical field as a CPT1 phlebotomy technician.

Students are required to complete:

- A minimum of 20-hours in basic phlebotomy
- A minimum of 20-hours in advanced phlebotomy
- A minimum of 40-hours in a laboratory course in applied phlebotomy
- 40–120 hours of clinical externship in a healthcare setting

Students who pass the course will also be eligible to take the certification examination offered by the National Center for Competency Testing (NCCT) in class at the conclusion of the course. Upon successful completion of the course, participants will be issued a state-approved training certificate.

Note: A \$100 California CPT 1 License Application fee, BLS Certification and all immunization are not included in the tuition fee and must be paid by the student. High school diploma or GED required.

\$2,750 GI Bill®, Sallie Mae and WIOA funding available.

Additional Fees: A \$90 National Examination Fee and a \$100 Background Check and Drug Screen Fee will be collected at the time of registration with the tuition fee.

Technology Career Institute, 2075 Las Palmas Drive, Carlsbad, Room 100

Mon, Wed & Fri, 9/20–11/19, 5–8:30 PM (online & in-person)

Externship: Clinical externships will be provided and supervised by our phlebotomy program staff.

► Register for the FREE online information session: Tues, 8/24 at 5:30 PM Livestream (details on page 27).

◊ Veterinary Assistant Program

Become a veterinary assistant in just a few months! This 65-hour program will provide students with an overview and entry-level training. Learn basic animal care principles and techniques, safety procedures and state/federal guidelines. Topics include:

- Basic anatomy and physiology
- Basic radiology
- Small animal breeds
- Animal nutrition
- Parasite control
- Record-keeping and veterinary office procedures
- Client relations and communications
- Veterinary medical terminology, hospital patient care and surgical preparation

Students will learn laboratory techniques and customer representative skills appropriate for a veterinary assistant.

This class is an entry-level and is NOT a veterinary technician training program, which requires a two-year American Veterinary Medical Association (AVMA) accredited degree program.

Supplies: Students will need to purchase the book, *Veterinary Assisting Fundamentals & Applications* by Beth Vanhorn & Robert Clark and *Animal Restraint for Veterinary Professionals* by C.C. Sheldon, James Topel and Teresa Sonstagen (available on amazon.com) prior to the first class session.

\$1,090 GI Bill®, Sallie Mae and WIOA funding available.

Additional Fees: A \$15 lab fee will be collected at the time of registration with the tuition fee.

Technology Career Institute
2075 Las Palmas Drive, Carlsbad, Room 100
10 Sat, 9/18–12/4, 9 AM–4:30 PM
No class on 11/13 & 11/27.

Externship: We strongly recommended a minimum of 80 externship hours at the conclusion of the training (this is required for anyone receiving funding from an outside organization).

► Register for the FREE information session now: Wed, 8/18 at 5:30 PM Livestream (details on page 27).

Child Visitation Monitor Livestream

Are you looking for a career opportunity in which you can work within the community, gain valuable experience and make a difference in the lives of children and families. Consider becoming a Professional Child Visitation Monitor. A position that is always in demand. Monitors earn \$45-\$60 an hour, depending on the case. Often times, based on issues of protection and safety, a judge will order that a child only have contact with a parent when a neutral third person is present during the visit. The monitor's responsibility is to ensure the safety and well-being of the children involved. After completion of this course, monitors can apply at a visitation agency or work independently. This comprehensive course satisfies the State 24-hour training requirement. You will learn California State policies and procedures as well as your role as a monitor. Must be at least 21 years old and have a clean record.

Note: A small business license is required if you want to work independently as a child visitation monitor. Instructor will send an email with Zoom link before class begins.

Supplies: A \$65 materials fee to be paid directly to instructor. Instructor (Jazmin Mundo) will send a link prior to the start of class to pay material fee. Material (handbook) will be shipped to students by instructor.

Jazmin Mundo / \$329 Early Bird Special 315 (Register BEFORE 7/27 for this rate) **WIOA funding available.**

6 Sessions. Tues & Thurs, 8/3-8/19, 9 AM-1 PM

► Register for the **FREE Online information session now: Wed, 7/21 at 5:30-6:30 PM (details on page 27).**

Real Estate License Program

An accelerated 4-month program that includes licensing exam preparation.

The Real Estate License Program provides the perfect training for those students planning to enter the real estate profession, as well as opportunities for those currently working in real estate and related areas to increase knowledge in this field. MiraCosta's Real Estate Program has moved to Community Education & Workforce Development and will no longer offer college credit. However, the duration of the course has been shortened to four months/150-hours and includes testing preparation and the opportunity to take the real estate exam at the end of class.

Course includes: Real Estate Principles, Real Estate Practice, Legal Aspects of Real Estate, Mastering Real Estate Math and Exam Preparation.

CERTIFICATIONS: If students attend all classes, complete the necessary coursework and pass the required tests, students will receive a MiraCosta College Certificate of Accomplishment. Licensing to become a real estate salesperson is conducted by the California Department of Consumer Affairs Bureau of Real Estate (BRE). To obtain a California Real Estate Salesperson license, candidates must first qualify for and pass a written examination. For information about state licensing, go to bre.ca.gov.

Note: Instructor will send an email with Zoom link for online portion of the class. Online class will be recorded for students that cannot participate in the designated online time.

Blair Havens / \$350 per course, or save and sign up for all three courses for \$900

GI Bill® and Sallie Mae funding available.

Required Textbooks: *California Real Estate Principles* by Walt Huber 15th edition ISBN-10: 1626842175, *California Real Estate Practice* by Walt Huber, Arlette Lyons, 8th edition ISBN-10: 1626842523 and *Essentials of Real Estate Economics* by Mckenzie, Betts & Jensen, 6th edition ISBN-10: 053873969X (available on amazon.com)

Real Estate Principles: Tues and Thurs 8/31-9/30, 6:30-9:30 PM. 2 Wed, 9/1 & 9/15, 6:30-9:30 PM
2 Sat, 9/11 & 9/25, 8:30 AM-4:30 PM

Real Estate Practice: Tues and Thurs, 10/5-11/9, 6:30-9:30 PM. 2 Wed, 10/6 & 10/20, 6:30-9:30 PM
2 Sat, 10/16 & 10/30, 8:30 AM-4:30 PM

Real Estate Finance & Economics: Tues and Thurs, 11/16-12/14, 6:30-9:30 PM
2 Wed, 11/17 & 12/8, 6:30-9:30 PM. 2 Sat, 11/20 & 12/4, 8:30 AM-4:30 PM

Online Electronics/Robotics

MiraCosta Community Education & Workforce Development, in partnership with George Brown College, is proud to offer six interactive and highly innovative distance education programs that combine state-of-the-art lab simulation with award-winning curriculum. The program content is delivered on CD, DVD or USB drive and is supported through the online virtual campus.

Automation Technician

The AT program provides an introduction to industrial automation, including digital electronics, process control, and programming of PLCs, robotic and SCADA systems.

Fee: \$1,850 WIOA funding approved.
Or pay as you go (cost per module available at miracosta-gbc.com).

Electronics Technician

The ET program covers the fundamentals of electronics and prepares students for further on-the-job training as a consumer, commercial or industrial electronics service technician.

Fee: \$1,750 WIOA funding approved.
Or pay as you go: initial registration **\$430** and **\$60** for each of the remaining 22 modules.

Electromechanical Technician

The ET program is designed to provide students with a foundation in electromechanical technology, such as industrial maintenance, design and installation, technical services, technical sales and industrial research.

Fee: \$1,800 WIOA funding approved.
Or pay as you go: initial registration **\$430** and **\$60** for each of the remaining 23 modules.

Robotics Technician

An introduction to industrial robotics, this course explains how they are used in plants or manufacturing systems.

Fee: \$1,740 WIOA funding approved.
Or pay as you go: initial registration **\$570** and **\$90** for each of the remaining 13 modules.

Programmable Logic Controllers (PLC) Technician

The basic introduction to PLCs, this program is designed for people with little or no background in the area. Visit the website listed below for more information.

Fee: \$1,800
Or pay as you go: initial registration **\$450** and **\$75** for each of the remaining 18 modules.

Programmable Logic Controllers II (PLC) Technician

The PLC Technician II Certificate provides a more advanced study of PLCs, introducing tag-based addressing, DCS and SCADA systems.

Fee: \$1,800
Or pay as you go: initial registration **\$450** and **\$75** for each of the remaining 18 modules.

In partnership with George Brown College, MiraCosta Community Education & Workforce Development provides more information at miracosta-gbc.com or call 866.277.0881.
