MATRICULATION & TESTING

The matriculation process is also known as the roadmap to success that starts you on the right path and keeps you going with what you need to arrive at your educational destination.

Matriculation has four parts: **assessments, orientation, advisement, and education planning.**

Assessments & Multiple Measures

The assessment process uses alternative multiple measures to help place you in courses in which you will thrive. In order to be eligible for placement via multiple measures, students must have recently (within the last 10 years) attended a United States high school for three or more years. If you shared this information with us on your MiraCosta application, the Testing Office may be able to use your high school academic information to place you in classes geared towards your success. Otherwise, students can review and share the contents of your United States high school transcript with the Testing Office using either a transcript (unofficial or official) or the Multiple Measures Self Report Update form. Based on how your cumulative, unweighted high school GPA and courses completed meet the multiple measure criteria, some students may be placed directly in transfer-level English and mathematics courses, and some students may also need to take the English and/or mathematics assessment tests.

What You Need to Know Before You Take the English or ESL & Mathematics Assessments

- You must have an application for admission on file before you complete the assessments, unless you are assessing for another college. Submit at miracosta.edu/apply.
- Review your overall high school GPA and the grades you earned in the high school English and mathematics courses you've completed as represented by your high school transcripts. Prepare to share this information on your application or with Testing Services.
- Appropriate photo identification will be required to take the English, ESL and/or mathematics assessment exams.
- You will receive an assessment score after you complete your exam. Included with your score are recommendations for placement in mathematics, English, and/or ESL classes.
- Students may take each level of the mathematics assessment and ESL exams twice and must wait at least 24 hours before retesting.
- Questions? Contact the Testing Office at **760.795.6685**, email us at testing@miracosta.edu or visit our website at miracosta.edu/testing for more information.

When to Take the English or ESL & Mathematics Assessments

English or ESL & mathematics assessments are offered on a drop-in basis at the Oceanside Campus (Bldg. 3300), the San Elijo Campus (Bldg. 100) and at the Community Learning Center (Bldg. A). Visit miracosta.edu/testing for current drop-in hours.

Which is right for me? English or ESL?

- ◆ **English Assessment—**
 The Informed Self-Placement uses multiple measures to provide a course recommendation for:
 - ◆ Students who grew up in an English-speaking home, or
 - ◆ Students who were educated in all-English schools from elementary through high school.
- ◆ **ESL Assessment—**This is the assessment to take if your native language is not English. This includes those enrolled in the International Student Program.

Alternatives to Taking a MiraCosta College Assessment Test

- ◆ To use high school transcripts, please visit miracosta.edu/testing to see the list of criteria that will exempt you from taking the English and/or math assessments.
- ◆ Provide transcripts from another regionally accredited college showing you've received a "C" or better in a prerequisite English or mathematics course.
- ◆ Bring your English or mathematics assessment results from another California community college to the Testing Office. Documents must state the courses in which you are eligible to enroll.
- ◆ If you have a bachelor's degree, bring your diploma or transcripts to the Admissions & Records Office.
- ◆ If you have achieved one of the following minimum English scores, bring documentation to the office indicated below:

English

- ◆ **Advanced Placement English** (language or literature) score of 3 or higher—**Admissions Office**.
 - ◆ **International Baccalaureate Higher Level English Examination** score of 5 or higher—**Admissions Office**.
 - ◆ **California State University (CSU) System Early Assessment Program** result stating, "Standard Exceeded: Ready for English College-level course work." —**Testing Office**.
- ◆ If you have achieved one of the following minimum mathematics scores, bring documentation to the office indicated below:

Mathematics

- ◆ **Advanced Placement Program** calculus test with a score of 3 or higher—**Admissions Office**.
- ◆ **College Level Examination Program** mathematics score of 50 or higher—**Admissions Office**.
- ◆ **CSU Early Assessment Program** result stating: "Standard Exceeded: Ready for mathematics college-level course work." —**Testing Office**.

Orientation & Advisement

Have we mentioned the importance of orientation and advisement? Both are critical, no matter how prepared you believe you are. Log in to your **SURF** account and use the Matriculation Activity Guide to complete this helpful process.

Developing an Education Plan

First-time college students new to MiraCosta College must develop an education plan with an academic counselor to be eligible for priority enrollment. In order to maintain priority enrollment, students must have completed with a counselor a comprehensive education plan prior to completion of 15 units or third semester (whichever comes first). An education plan is an important tool to help students attain their goals without wasted time and effort. Education plans outline a suggested pathway for students based on their major, transfer plans, or other objectives. These plans allow students to determine how long it will take to complete a program of study and to be sure that all program requirements can be met within a particular period of time. Students can develop options for educational plans on *myEdPlan* in **SURF** but to maintain priority enrollment you must meet with a counselor. Counseling and career planning services are available to help you make informed choices concerning the programs and courses available. Contact the Counseling Department for details at **760.795.6670**.

Exemptions from the Matriculation Process

- You have already earned an associate degree or higher; or
- You were exempt during a previous semester; or
- You have already attended another college and noted on your MiraCosta College application one of the following as an educational goal:
 - ◆ Discover or formulate career interests, plans, and goals
 - ◆ Prepare for a new career or acquire new job skills
 - ◆ Advance or update skills in your current career
 - ◆ Maintain a certificate or license
 - ◆ Personal interest, with no intention to earn a certificate or degree or transfer to another college or university
 - ◆ Complete credits for a high school diploma or GED

Students can challenge or appeal any step in the matriculation process by contacting the Dean of Admissions & Student Support at **760.795.6893**.

Students with disabilities are entitled to appropriate accommodations. Contact Disabled Students Programs and Services at **760.795.6658** for more information.

ENROLLING IN CLASSES

After MiraCosta College processes your application, you will receive an email with information about **SURF**, our online enrollment system, accessible at surf.miracosta.edu. Application processing typically takes two business days.

You'll use **SURF** to enroll in your classes, but first, you must log in and set up a password. Do this online at surf.miracosta.edu, after your application is processed.

Enrollment Groups

Find the enrollment group to which you belong and then reference the chart on page 11 to find your exact enrollment date and time. Your enrollment date and time will also be emailed to you.

Group A: Special populations

Students in this group include:

- ✓ Veterans receiving VA benefits or who have been discharged from the military within the last four years.[†]
- ✓ Homeless or foster youth.[‡]
- ✓ EOPS, DSPS, and CalWORKs students.[‡]
- ✓ Active duty military.[§]

To receive and maintain priority enrollment, new and continuing Group A students must do the following:

- ✓ Complete assessments, orientation, and advisement;
- ✓ Veterans and active duty military must complete a comprehensive education plan within their first semester at MiraCosta College. Others in Group A must complete an education plan within two semesters;
- ✓ Maintain good academic standing with at least a 2.0 GPA;
- ✓ Complete at least 50 percent of enrolled units; and
- ✓ Not exceed 90 degree-applicable units. (Students in the bachelor of science in biomanufacturing degree program are exempt from the 90 unit limitation.)

Fees at a Glance / Spring 2018

Enrollment Fee:

\$46/unit for California residents.* High school students exempt.

Health Services Fee:

\$19/semester

Student Center Fee:

\$1/unit up to \$10/year

Optional Fees

Student ID Card: \$6

Parking Permit:

\$35—car

\$17.50—motorcycle

For a detailed explanation of required and optional fees, visit miracosta.edu/fees.

*Persons determined to be nonresidents of California pay an additional per-unit fee of \$234. Some exemptions to residency requirements exist. FEES SUBJECT TO CHANGE.

[†] Proof of discharge date, California residence and previous college enrollments may be required. Veterans who have been discharged within the last 15 years and have not taken advantage of priority enrollment for more than four years may request priority enrollment through the Admissions & Records Office.

[‡] Priority within these groups is not automatic and students must be verified by the EOPS or DSPS offices. Homeless students may contact Financial Aid for verification.

[§] Must show proof of military ID and request priority enrollment through the Admissions & Records Office.

Group B: All other matriculated continuing, new, and returning students

To receive and maintain priority enrollment, new and continuing Group B students must do the following:

- ✓ Complete assessments, orientation, and advisement;
- ✓ Complete an education plan prior to completion of 15 units or a third semester, whichever comes first;
- ✓ Maintain good academic standing with at least a 2.0 GPA;
- ✓ Complete at least 50 percent of enrolled units; and
- ✓ Not exceed 90 degree-applicable units. (Students in the bachelor of science in biomanufacturing degree program are exempt from the 90 unit limitation.)

Group C: Continuing, new, and returning students who have not matriculated (including those in Group A and Group B)

Group D: Probationary students

Any student who has been on probation for at least two consecutive semesters, including students on academic probation (GPA-based) or progress probation (based on the percentage of courses completed with an evaluative grade).

Group E: Students over 90 units

Students who have completed more than 90 units with a grade of A-F, P, or NP. Courses considered "basic skills" will not be counted toward the completion of units in this category (although they will count toward accumulation of units in Groups B and C).

Group F: Concurrently enrolled high school students

Concurrently enrolled high school students are restricted from enrolling early and may only enroll approximately two weeks prior to the start of the term.

Enrollment Appointment Times

All students must check **SURF** at surf.miracosta.edu to find their enrollment time.

The number of units you have completed at MiraCosta College determines your enrollment priority. For Groups B and C, this includes all courses completed, including basic skills and ESL classes. Students who have completed 90.5 units or more in degree applicable courses will be assigned to Group E.

Appointments are assigned randomly within each group and start at 8 a.m. You may enroll on your appointment date and time or any time after throughout the enrollment period.

FINANCIAL AID

Most community college students are eligible for financial aid. Problem is, many fail to apply. Don't miss out on making college even more affordable!

Three Ways to Get Financial Aid Information

1. Visit our website: miracosta.edu/financialaid.
2. Visit us in Bldg. 3000 on the Oceanside Campus.
3. Call us at **760.795.6711** or email MCCFinAid@miracosta.edu.

Six Reasons to Fill Out the FAFSA

The Free Application for Federal Student Aid (FAFSA) is used to determine eligibility for the following:

1. **Pell Grant and Federal Supplemental Grant (FSEOG)**
These grants are financial assistance based on need and other criteria. They do not have to be repaid.
2. **Board of Governors (BOG) Fee Waiver**
3. **Cal Grant** These grants are for students who meet the financial, academic, and eligibility requirements, and apply on time.
4. **Full Time Student Success Grant (FTSSG) & California College Completion Grant (CCCG)**
These are additional grants for Cal Grant recipients attending full time (typically 12 or 15 units).
5. **Federal Work Study (FWS)** Students earn money through part-time employment on campus.
6. **Direct Loans** Students must complete a FAFSA before applying for a loan and are responsible for repayment when the loan comes due.

Undocumented Students

If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act Application at dream.csac.ca.gov.

Important

- Financial aid is based on enrollment status as of the add/drop date. Waitlisted classes do not count.
- Students who withdraw after the add/drop date may be required to repay a portion of their financial aid funds.

Five Steps to Receiving Financial Aid

1 Apply

Complete the FAFSA at fafsa.gov. MiraCosta College School Code is **001239**.

2 Email

You will receive an email 7-10 business days after applying with further instructions and estimated award amounts.

3 To-Do List

Additional documents will be requested via the **SURF To-Do List**. Check your To-Do List often.

4 Review

Once your To-Do List is complete your file will be reviewed to confirm eligibility. Reviews can take between 3-6 weeks to complete.

5 Collect

Financial aid is paid through BankMobile disbursement services. Watch for a green envelope in the mail with information on setting up a payment method.

GENERAL EDUCATION

Students at MiraCosta College can choose to follow one of three general education patterns.

A

Plan A is for students not intending to transfer but who want to earn an associate degree. Plan A will satisfy general education requirements at MiraCosta College but will not satisfy all general education requirements for transfer to a CSU or UC campus and is not intended for students transferring to a four-year institution. See page 18 for the Plan A advisement sheet and the MiraCosta College Catalog's Associate Degrees & Certificates page at catalog.miracosta.edu/degrecertificate-transferinfo for additional information.

B

Plan B is for students transferring to a California State University (CSU) campus. See page 19 for the Plan B advisement sheet, which contains general education requirements, and the MiraCosta College Catalog's Associate Degrees & Certificates page at catalog.miracosta.edu/degrecertificate-transferinfo for additional information.

C

Plan C is for students transferring to either a University of California (UC) or a CSU campus. See page 20 for the Plan C advisement sheet and the MiraCosta College Catalog's Associate Degrees & Certificates page at catalog.miracosta.edu/degrecertificate-transferinfo for additional information.

MiraCosta College counselors can assist you in developing an education plan that meets your unique goals! Visit miracosta.edu/counseling for information on how to schedule an appointment.

IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are approved effective Fall 2017 and are valid through Summer 2018.**

Certification of this general education pattern is not a CSU admission requirement. Students should work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work.

Credit will not be awarded for both the honors and non-honors version of a course.

Courses listed in two different areas may be used in either area but not both.

() Course approved beginning semester and year indicated. Course taught on campus prior to CSU GE approval.

*MiraCosta College will not certify courses in Area A or B4 that have not been completed with a minimum grade of "C" or "P."

IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are approved effective Fall 2017 and are valid through Summer 2018.**

IGETC is not a UC admission requirement but is advantageous to many but not all transfer students. Students should work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work specific to the intended UC campus.

All courses on IGETC must be completed with a "C" or better. A "P" (pass) is acceptable, but UC permits no more than 14 semester transferable units to be completed on a pass/no pass basis.

UC credit may be limited for some courses. For example, no credit is given for an introductory course if it is taken after a more advanced college course. Credit may also be limited for courses with overlapping content. In addition, duplicate credit will not be awarded for the honors and non-honors versions of a course. UC credit limitations are noted on the catalog course descriptions.

Courses listed in two different areas may be used in either area but not both.

() Course approved beginning semester and year indicated. Course taught on campus prior to IGETC approval.

*Grades of C- are not acceptable except for high school language courses.
