

Five Easy Ways to Introduce Career Exploration in Any Class

Career Counselor Robbi Rosen, Librarian Jennifer Paris, & Faculty Director Donna Davis

CAREER CRUISING

This resource includes career assessment, exploration, job search, and other career-related resources.

- www.careercruising.com
 - Username: miracosta / Password: college
 - Click “Sign In” to begin.
-

WHAT CAN I DO WITH THIS MAJOR?

This resource connects majors to career areas, types of employers that hire graduates with the major, strategies to increase a candidate’s marketability, and websites for further research. This resource is produced by the University of Tennessee Center for Career Development. The MiraCosta College Career Center has a subscription to use this product, which must be accessed through the steps below:

- www.miracosta.edu/careers
 - Click on “Student Resources”
 - Click on “Career Exploration Resources”
 - Click on “What can I do with this major?”
-

CAREER COACH

Career Coach offers 6- and 60-question career assessments, career exploration resources, San Diego County programs of study (MCC programs of study coming soon!), local wages, and a resume builder.

- www.miracosta.edu/acp
 - Click on “Explore Careers”
 - Click on “Option 1: SELF-GUIDED ONLINE CAREER EXPLORATION”
-

21st CENTURY TRANSFERABLE SKILLS

- www.miracosta.edu/careers, then “Faculty/Staff Resources”
 - Click on [“Teach 21st Century, Transferable Skills \(AKA Soft Skills\)...”](#) to access an alphabetical list of top skills, videos, activities and lesson plans.
 - Click on [“Assign 21st Century Skills Career Ready Certificate”](#) for how to access and assign 8 “plug and play” online modules about the top skills identified from employer and other surveys conducted by National Association of Colleges & Employers (NACE)
-

TOP LIBRARY RESOURCES:

- Online Subject Guide for Career Research (<https://library.miracosta.edu/Career>)
- Ferguson’s Career Guidance Center (<http://library.miracosta.edu/fergusons>)

Note: off campus access to all library e-resources requires SURF id and password
