Description: *Academic Senators will have the opportunity to make brief announcements and updates.*

**XII. Adjournment**

On September 13, 2022, California Governor Gavin Newsom signed California Assembly Bill 2449 (AB 2449) into law. This bill changes remote attendance rules under Ralph M. Brown Act's opening meeting laws. With an effective date of January 1, 2023, AB 2449 imposes four periods of differing rules on remote access to, and member attendance of, local agency public meetings under the Ralph M. Brown Act (Brown Act). Further, a state of emergency is no longer in effect and so governing bodies will now meet in person with the possibility of approved remote attendance. The public may observe the meeting remotely or in person and offer public comment. A link for remote viewing or calling in is noted on the agenda. Therefore, Academic Senate (AS) meetings will be held in person with a Zoom link available. If you wish to attend the meeting and you have another disability requiring special accommodation, please notify the Academic Senate Administrative Assistant at 760-795-6873. The California Relay Service (CRS) is available by dialing 711, or 800-855-7100 for English or 800-855-7200 for Spanish.

In compliance with Government Code section §54957.5, nonexempt writings that are distributed to a majority or all of the MiraCosta Community College District Academic Senate in advance of their meetings may be viewed at the Office of the Academic Senate President, One Barnard Drive, Oceanside, California, or by clicking on the Academic Senate's website at <https://www.miracosta.edu/governance/academic-senate/index.html>. Such writings will also be available at the Senate meeting. In addition, if you would like a copy of any record related to an item on the agenda, please contact Debby Adler, Administrative Assistant to the Academic Senate President, at 760.795.6873 or by email at [dadler@miracosta.edu](mailto:dadler@miracosta.edu)

Audio recordings of AS meetings may be available and requested for up to 30 days. Please contact the MiraCosta College AS President's Office 760-757-2121 x6213 or email Debby Adler, Administrative Assistant to the Academic Senate at [dadler@miracosta.edu](mailto:dadler@miracosta.edu).

## UNOFFICIAL MINUTES

### I. Call to Order

Academic Senate President, Leila Safaralian, respectfully acknowledged that MiraCosta College is on the traditional territory of the Luiseño/Payómkawichum people. Today, the meeting place at MiraCosta College and its surrounding areas is still home to the six federally recognized bands of the La Jolla, Pala, Pauma, Pechanga, Rincon, Soboba Luiseño/Payómkawichum people. It is also important to acknowledge that this land remains the shared space among Kumeyaay and Ipai peoples. In addition, we pay respect to elders both present and past, the respected keepers of history, culture, wisdom, and knowledge.

The meeting was called to order at **9:02am**.

### II. Remote Member Attendance

Description: *Academic Senate will consider remote participation of members under the provisions of AB2449, if any.*

Information was shared to clarify the procedure in the document under Office Assignments 4. c)

Category 2 and explained removal of the phrase “squatter’s rights.”

**Consent calendar items A., B., C., and D. were approved by unanimous consent.**

Updated changes to the Senate Leadership LHE was shared as noted on the document attached to the agenda. Joanne Benschop will no longer be the SLO coordinator and so she will be replaced.

**MSU (Beltran-Aguilar / Owens)** to approve item E. Approve Academic Senate Leadership – Reassign Time as presented.

## **VII. Reports**

### **A. Academic Senate President**

AS President, Leila Safaralian, was honored to announce Sociology Instructor, Edwina Williams won the statewide Stanback-Stroud Award. Congratulations to Williams and the Awards Committee for all their hard work. She will attend Board of Governor's meeting on April 19<sup>th</sup> to receive her award. It was noted that this is a single person or program award from across the state. It was further noted that the Awards Committee was born out of AS. It was the goal of a taskforce to help create this committee. Academic Senate will have a faculty celebration on May 17<sup>th</sup> directly after the regular Senate meeting from 11-12 to acknowledge and recognize all award winners.

The Celebration of Excellence will take place on April 26<sup>th</sup> at 3pm in the cafeteria.

April is Arab, Middle Eastern, Muslim, and South Asian (AMEMSA) + History Heritage Month and Autism Acceptance Month. It is a month-long commemoration of the history and achievement of AMEMSA+ people that takes place each April in the US. Arab Americans and immigrants or descendants of people from the Arabic-speaking world, which includes 22 countries in the Middle East and West, North, and East Africa. The countries include Algeria, Bahrain, Comoros, Djibouti, Egypt, Iraq, Jordan, Kuwait, Lebanon, Libya, Mauritania, Morocco, Oman, Palestine, Qatar, Saudi Arabia, Somalia, Sudan, Syria, Tunisia, the United Arab Emirates, and Yemen. The South Asia includes India, Pakistan, Bangladesh, Sri Lanka, Nepal, Bhutan, and the Maldives and sometimes includes Afghanistan. Many thanks to Dr. Cooke and our colleagues who have arranged events to celebrate AMEMSA+ during April.

Today is the last day to make changes to committee assignment requests for full-time and associate faculty and for the office derby assignments for full-time faculty. Both documents will come to Senate on April 19<sup>th</sup>.

There was a second scheduling summit on Friday, March 29<sup>th</sup>. This was one of the outcomes of Guided Pathways discussions in Senate. It was a well-designed event and thanks to Zhenya Lindstrom, Denée Pescarmona and her team.

MITCHELL and Safaralian attended the Area D meeting on March 22<sup>nd</sup> and there were only a few resolutions that came forward. One was related to freedom of speech related to Palestine and Israel issues and pros and cons were discussed for, at least, two hours with no final resolution.

Academic Senate is encouraged to continue with thematic goals next year to bring the voice of faculty and staff to the Senate. This has been very powerful this last year.

The 2024 ASCCC spring plenary will take place April 18-20. Safaralian, MITCHELL, and Julius will attend virtually and Pescarmona will present in person on AI.

### **B. College Superintendent/President**

VPI, Denée Pescarmona, reported on behalf of Superintendent/President, Sunny Cooke. She congratulated Edwina Williams again. It was announced that Wendy Steward is the permanent IDEA officer and we are happy to have her on board.

### **C. Classified Senate**

CS Vice President, Carl Banks, reported that the elections for CS are underway. The new CS members will be revealed at their April CS meeting. They have also begun the process for selecting the next outstanding classified professional of the semester. Please submit nominations. They are also continuing to look at policies and procedures to make sure what they are doing is making sense in a post-pandemic environment and they are also working on a master schedule for CS. Spotlight award nominations are due April 15<sup>th</sup>.

### **D. Associate Student Government**

ASG representative, Valeria Pineda, reported are currently doing standard revisions for the school year and taking feedback from students and ASG members. Yesterday, their executive partner went to Santa Clara to present resolutions that will be up for debate. Applications for artists and commencement speakers have been posted as of April 3<sup>rd</sup>.

## VIII. New Business

### A. BP4020 Programs Curriculum and Course Development – Scott Fallstrom

Description: *There was a minor modification to work experience education for Title 5 section 55253.*

This will come back for approval at the next meeting.

### B. AP4020 Program and Curriculum Development – Scott Fallstrom

Description: *There was a minor modification to work experience education for Title 5 section 55253.*

This will come back for approval at the next meeting.

### C. BP4025B Philosophy and Criteria for Baccalaureate Degree and General Education – Scott Fallstrom

Description: *Modified (simplified) the title. Removed irrelevant information about the local general education pattern. Aligned philosophy with ACCJC reports and revised standards. Added Title 5 references. These are legislative changes to Title 5 section 55060, Philosophy and Criteria for the Associate Degree and General Education, affected the philosophy of lower division GE included in this BP.*

This will come back for approval at the next meeting.

### D. AP4025B Philosophy and Criteria for Baccalaureate Degrees and General Education – Scott Fallstrom

Description: *Modified (simplified) the title. Added course approval process, which is reports. Replaced “U.S. regionally accredited” with “accredited by a national recognized accrediting agenda” to align with recent legislative changes. Added a bachelor’s degree satisfies the lower-division GE requirement, per legislative changed. Added referenced. This aligns with Title 5, sections 55060 and 55062.*

Discussion ensued concerning the phrase nationally accredited agency vs. regionally accredited.

The recommended language from an official document that was provided to the committee was “institutionally accredited institution.” The committee came up with four options for this language and they came up with “...an institution accredited by a nationally recognized accrediting agency.”

Director of A&R, Kathy Rodriguez, further explained that she oversees the academic records. A&R awards degrees and evaluates transcripts. It is important to know who they are accepting transcripts from to award credit. We could put more general language in and then determine what accredited bodies are accepted for the purposes of awarding credit. CPC can change the language to the longer iteration recommended by Pescarmona. The language can be discussed, and a friendly amendment added to a motion to change the phrasing when it comes back for approval at the next meeting.

### E. BP4100B Graduation Requirements for Baccalaureate Degree and General Education – Scott Fallstrom

Description: *Modified (simplified) the title. Removed reference to competencies as a graduation requirement to align with legislative changes. Replaced “Us regionally accredited” to align with legislative changes. Added Title 5 reference. Recent legislative changes to Title 5, section 55060.*

This will come back for approval at the next meeting.

### F. AP4100B Graduation Requirements for Degrees and Certificates – Baccalaureate in Science Degree – Scott Fallstrom

Description: *Modified (simplified) the title. Added Title 5 reference. Replaced “Us regionally accredited” and clarified a bachelor’s degree satisfies the lower division GE requirement per changes to Title 5. Legislative changes to Title 5, section 55062.*

This will come back for approval at the next meeting.

### G. BP4100C Graduation Requirements for Adult High School Diploma and Noncredit Certificates – Scott Fallstrom

Description: *This is a periodic review. A minor addition was made to show how many college credits are required to satisfy the high school diploma residency requirement.*

This will come back for approval at the next meeting.

### H. AP4100C Graduation Requirements for Adult High School Diploma and Noncredit Certificates – Scott Fallstrom

Description: *This is a periodic review update. A minor addition was added to show how many college credits are required to satisfy the high school diploma residency requirement. Also updated competency requirements per Title 5.*

This will come back for approval at the next meeting.

### I. Sabbatical Leave Reports – Gail Meinhold

Description: *Eight (8) sabbatical leave reports come to Academic Senate for a first read for returning faculty members Raymond Clark, Leigh Cotnoir, Zulema Diaz, Michelle Famam, José Jara, Thong Nguyen, Leola Powers, and John Turbeville. These reports are reviewed to meet the following standards: (a) comprehensive, professional quality reports that clearly communicate and document the purpose, objectives, activities, and achievements of the sabbatical leave, (b) alignment of applications and reports, (c) adequate documentation, (c)*

*minimum number of hours met, and writing reflects standard of profession. Sabbatical leave reports are forwarded to the President/Superintendent for approval.*

Meinhold noted that the SLC reviewed all reports. She noted that Leola Powers is unbanking this semester and did not have to submit her report until Fall 2025, but chose to turn in her report early. Safaralian noted that one of the great honors as Senate President is to choose a faculty member to present their SL report. Last year Sean Davis and Karl Cleveland presented theirs. This year was Alexis Tucker Sade presented her amazing work about what she has done for women.

## IX. Old Business

### A. Recommended Changes to Academic Senate Rules and Bylaws – Leila Safaralian

*Description: In accordance with Article #.H. of the AS Bylaws, a taskforce was formed to conduct the annual review of the AS Bylaws and AS Rules. There are several recommended changes that impact both documents. This is the second read of these two documents.*

**MSP (mitchell / Scharf) [Robin Allyn and Julie Graboi voted no] [Daniel Contreras, Hossein Ravanbaksh, Alexis Tucker Sade, and Krista Warren, abstained]** to approve the recommended changes to the Academic Senate Rules and Bylaws as presented.

Safaralian met with the legal team, the FA President, and had conversations with the Associate Faculty Union President regarding the decorum, and removal and recall policies added to AS rules and Bylaws. Discussion ensued concerning these additions to the AS Rules concerning the Decorum Policy. Concerns were voiced that there is not a concrete process in place with leaving out in the recall process as to what happens to the faculty member if they are recalled. It was explained that a discussion would be had with the recalled committee member to see where they would like to move. Based on the conversation and availability, she can move that faculty member to another committee. It was further noted that institutional commitment is not just from the list of committees that are sent out and this is not seen as a concern. It was then recommended to add that removal from AS does not affect the fulfillment of the faculty member's contract.

It was also explained from the associate faculty CBA, what was agreed to in the CBA is different from the AP. The AP does not need to be updated. A family member is now a designee.

### B. AP4230 Grading and Academic Record Symbols – Stacey Hull

*Description: The AP is updated the process to assign an incomplete. Clarifies that an incomplete can only be assigned after the 75% withdrawal deadline and that the student had to be an active participant and had completed required coursework through the 75% withdrawal deadline. This is the second read.*

**MSU (Page / Love)** to approve AP4230 Grading and Academic Record Symbols as presented.

### C. AP5055 Student Enrollment Priorities – Stacey Hull

*Description: Clarification of enrollment priority groups. Updated with supportive language and aligned with previously updated AP/BPs. This is the second read.*

**MSU (Owens / Tucker Sade)** to approved AP5055 Student Enrollment Priorities as presented.

For this AP, they made sure the language was aligned and updated to the regulated priority group.

## X. Information / Discussion

### A. Sexual Orientation Gender Identify (SOGI) Presentation – Nashona Andrade

*Description: The college is on a mission to collect SOGI data from our employees to match the data that we collect from our students. Our goal is to encourage employees to provide their SOGI data in Workday while discussing how the information will be used and protected.*

It was asked that everyone update their demographic information, including SOGI, in Workday which can be done at any time, but ask for it to be done before the summer.

The current data is largely under reported. MCC would like to align the data of staff and employees with students. They are asking for the data because of the need for information of other demographic data the college collects. It supports the IDEA office efforts to recognize disproportionate impact and leverage resources to address gaps. The district is unable to use SOGI data to accurately assess adverse impacts or include this data set in its EEO report. They are further asking for this information to ensure our LGBTQIA+ employees are counted, acknowledged, and valued as essential members of our campus community. The greatest concern is how HR plans to use the data. All information is highly confidential and part of personnel information that will be kept private. However, in the event there was an investigation, aggregate data would be shared. By the end of spring 2024, it is hoped that at least 85% of current employees will have responded to SOGI data questions in Workday.

See the attached slideshow for more information.

### **B. C3 Teaching and Learning Center and Professional Development – Jim Sullivan**

Description: *The joyful teacher, Jim Sullivan, will 1) share an overview of what he has been up to in the C3 and elsewhere, 2) outline some plans for the future of the position and the center, and 3) suggest some ways the faculty might re-imagine professional development related to teaching and learning. The joyful teacher will not be giving away free Tesla's during this visit to the Senate, but he cannot, in good faith, make any promises regarding costumes or other ridiculous behavior.*

Joyful Teacher in Residence, Jim Sullivan shared his thoughts about the current culture of a shift away from student learning and that all things faculty are doing collectively is paralyzing even though what they are doing is spectacular. There is a culture problem. Instead of promoting change and joy and purpose and engagement, it has created fragmentation, isolation, anxiety and frustration. There is a need to support students, so they learn. The shift from student learning is problematic.

It was also noted that learning centers are not led by faculty but by classified professionals. There are major shifts happening. Also, the majority of Flex workshops have nothing to do with student learning. Further discussion talked about what can be done to change this culture when faculty are supposed to be teaching first, then engaging in department issues, then institutional service, then PD.

Discussion ensued in support of this presentation. Senate members were asked to reflect on the presentation today and come back to the next meeting for further discussion with possible solutions.

To see diagrams of what is going on at the campus and promoting change in teaching and learning spaces, view the whiteboards shared at the meeting at this [LINK](#).

Further, for the full presentation/discussion, visit this [LINK](#).

### **C. Reorganization – Denée Pescarmona**

Description: *The Instructional Services division is re-organizing effective July 1, 2024. The new organizational structure is focused on key student momentum points, particularly in supporting students during their first year at MiraCosta. The re-organization is also looking at how to better support the San Elijo campus in its work to re-energize the instructional programming at the site.*

Pescarmona discussed why we need to reorganize noting that this reorganization is cost neutral with no increases in Deans. View the attached slideshow.

Observations made included the need to restructure to support the onslaught of legislative mandates coming through AP 1705, AB 1111, AB 928 and many more.

In looking at data, the area of improvement needed was in first year students who drop out. Need to align to provide both discipline and geographic support and supervision such that new buildings / spaces = new opportunities to align. Also need to rethink San Elijo focus and future planning.

The new re-organization chart of departments was shared as seen in the slide presentation (link above). Some changes included:

- Moving to Denée Pescarmona will be Honors and Strategic Enrollment Management

- Jonathan Fohrman will get MAT

- Zhenya Lindstrom – the Learning Centers

- Mike Fino – Automotive and History and Horticulture and lose Math

- Danielle Lauria – KINE, Health and Nutrition

- Al Taccone is moving to the SEC

- Russell Waldon will be interim dean at the OC

This proposal will go to the Board in April. Waldon's contract ends at the end of June. The reorganization will go into effect July 1<sup>st</sup>.

There was a concern shared about separating Math from Sciences. It was further noted that with the work of AB1705 giving autonomy to the various disciplines, it is the hope that there is a Dean that has a singular focus on faculty in this area.

Pescarmona indicated she will get some sense of clarity before going to the Board and would be happy to have conversations about any concerns.

## **XI. Senator Reports**

Shawn Firouzian announced the event hosted by the Data Science Alliance, Navigating the Data Science Industry, on April 18<sup>th</sup> from 4:30pm - 8:00pm in the Little Theater, OC3601.

## **XII. Adjournment – The meeting adjourned at 11:39 am.**

# **SEXUAL ORIENTATION & GENDER IDENTITY (SOGI) DATA**

Brayan Astorga & Nick Mortaloni

# UPDATE YOUR DEMOGRAPHIC INFORMATION

- Update demographic information, including SOGI, in Workday
- Information can be updated at any time
- How to document linked below

# CURRENT SOGI DATA

- SOGI data is largely under reported
- Using active employees in Fall 2023:
  - 88.1% have reported race and ethnicity data
  - 49.9% have reported SOGI data
- What does this mean?
  - The district is unable to use SOGI data to accurately assess adverse impact or include this data set in our EEO report

# WHY ARE WE ASKING FOR THIS INFORMATION?

- Ensuring our LGBTQIA+ employees are counted, acknowledged, and valued as essential members of our campus community
- Adding SOGI data to the collection of other demographic data the college collects
- Alignment with data we are collecting from our students

# WHY ARE WE ASKING FOR THIS INFORMATION?

- Part of the campus' IDEA efforts to recognize potential disproportionate impact and leverage resources to address gaps
- Build upon the legacy, labor and leadership of LGBTQIA+ individuals who have advocated in the past for recognition and representation at MiraCosta College

# WHAT IS THE DISTRICT DOING WITH THIS DATA?

- Elevating the importance of SOGI data
- Analyze if our employees reflect the diverse identities of our students (including sexual orientation and gender identity), reflect on the findings, and take appropriate action to recruit prospective employees with LGBTQIA+ identities as needed
- Sharing what we learn!

# WHO SEES THE DATA?

- Human Resources, who are required to keep highly confidential, personnel information private.
  - For the purpose of EEO reporting and ensuring diversity on hiring committees, HR will pull and share data as aggregate only - not specifically naming or identifying any particular employee.
  - In rare cases, employee data may be reviewed during the investigation process for discrimination complaints.

## OUR WHY

“As a queer administrator and activist, I added my demographic data to ensure my LGBTQIA+ community is represented in the data. That way, we can disaggregate the de-identified data, impact recruitment and hiring practices, and create more inclusive spaces for LGBTQIA+ students & employees. Representation matters, especially for those of us who experience marginalization on and off campus.”

- Dr. Nick Mortaloni

## OUR WHY

“As a MiraCosta alumni and current classified staff member, I am grateful for the opportunity to be able to represent myself as a proud member of the LGBTQIA+ community, so that we can be seen and heard on campus. It is important that we create a space for diverse gender and sexual orientations, identities, and expressions to truly express and represent themselves.”

- Brayan Astorga

# OUR WHY

“I don’t have to update my data because we live in a heteronormative society where being heterosexual and cisgender is the norm. But that society is oppressive and does not recognize the diverse sexual orientations and gender identities of our community. As a LGBTQIA+ co-conspirator, I want to leverage my privilege to advocate for MiraCosta to hold ourselves accountable to creating a campus climate where all identities are welcomed, nurtured, and validated.”

- Dr. Wendy Stewart

# OUR WHY

“I recognize that the LGBTQ+ community faces systemic oppression, discrimination, and violence simply for being who they are. In solidarity and as a Black Woman who has endured some of the same struggles, I’d like to stand alongside folx who represent the LGBTQ+ community by supporting their visibility, promoting a loud and proud presence, and making sure that as members of the MiraCosta Community, they are included in critical decision making that directly impacts them and other historically underrepresented and marginalized communities. Collecting SOGI data will help with these efforts.”

- Nashona Ann Andrade

# CALL TO ACTION

- By the end of Spring 2024, at least 85% of current employees will respond to SOGI data questions in Workday
- Please share with others!

# Instructional Services Re-organization

Denee Pescarmona  
Academic Senate  
April 5, 2024

# Why Re-organize?

Organizations restructure to support intentional, institutional change around the college's mission, vision, values and commitments

College structures should promote inclusivity, creativity, collaboration and innovation

Encourage cross-curriculum development by placing departments with common interests within the same area and establishing communication channels across departments to support innovation and learning.

Should be as cost efficient or cost neutral as possible.

Preliminary conversations with FA, CS, AS and impacted chairs and staff have occurred.

# Observations

- Need to restructure to support the onslaught of legislative mandates coming through
  - AB 1705, AB 1111, AB 928 and So. Many. More.
  - Focus on first year student completion data and support
- Align to provide both discipline and geographic support and supervision (new buildings/spaces=new opportunities to align)
- Need to rethink San Elijo focus and future planning

# Instructional Services Re-organization

Please feel free to reach out to set up a listening session or conversation at any time.

**Library**

The primary aim of the library is to provide information literacy instruction (both in person and online) and a balanced collection of materials to support the curriculum.

**Library Collections**

Library materials are acquired to serve these purposes:

- To be used by students in connection with courses
- To support instructors in preparing for teaching their courses
- To support college staff in professional duties
- To promote and support library users in general intellectual and cultural development, as well as to provide leisure reading, viewing, and listening

Librarians and discipline faculty share responsibility for selecting materials, in an appropriate format, for the library collection. As subject experts, discipline faculty should have significant input in the selection and examination of library materials within their subject areas. The librarians are responsible for maintaining a balance between various subject areas and between standard and current works.

The selection and evaluation of materials in a wide variety of formats will be based on curricular demands, recommendations of current professional review sources, and suggestions from members of the college community. Student requests are strongly encouraged, as they help to enrich and diversify the collection.

Gifts of library materials are welcome but are accepted with the understanding that only those meeting the needs of the library and the guidelines for selection will be added to the collection. Typically, gifts not retained are given away. The library assumes no responsibility for appraisal or valuation of gift items.

## Library Exhibits and Displays

Library exhibits serve these purposes:

- To increase interest in library materials and their use
- To provide supplemental library opportunities for intellectual and aesthetic discovery
- To reflect the diversity of our curriculum and our community

The library is mainly responsible for curating its exhibits and displays, but will also consider requests to provide temporary/rotating space for academic departments, student groups recognized by the college, individual staff, faculty, administrators, and students, and community members or organizations that wish to sponsor an exhibit or display.

## Challenges to Library Materials or Exhibits

Materials and exhibits representing various viewpoints and supporting academic freedom are included in the library as a matter of routine. If the suitability of a particular material or exhibit is questioned, the specific objections should be submitted in writing to the dean, Instructional Services. The dean and Library department chair will review the submission and if the issue remains unresolved, the matter will be referred to the Academic Affairs Committee for review. The Academic Affairs Committee will forward their recommendation for action to the Academic Senate, who will in turn advise the superintendent/president on the disposition of the complaint. The Academic Senate will notify the complainant in writing of their decision.

## Equitable Access and Borrowing

The library will provide equitable access to library resources and services to all students, regardless of location, including online learners.

Faculty, staff, enrolled students, and those with emeritus/Gold Circle status may access and borrow materials with approved identification. Reciprocal borrowing privileges of physical library materials are available for the students of locally affiliated institutions with current identification from their home institutions. Area residents, including high school students, may borrow physical library materials with approved identification and the creation of a library account.

The MiraCosta College Library affirms the American Library Association Bill of Rights.

## **Academic Support and Tutoring Services**

The college offers multiple instructional support services to students enrolled in academic courses. These include computer labs, a Language Resource Center, and The Learning Centers (TLC) comprised of the Academic Support and Innovations Center (ASIC), a Math Learning Center, a Science, Technology, Engineering, and Math (STEM) Learning Centers (STEMLC), a Tutoring and Academic Support Center, and a Writing Center.

The MiraCosta College website contains information on their locations, services, and hours of operation.

Attendance accounting is conducted in accordance with the requirements of Title 5 and the ~~statewide Student~~ Attendance Accounting Manual (~~SAAM~~). Collection and reporting of attendance is the responsibility of the Admissions and Records Office. Attendance accounting is accomplished using the following procedures:

- A. Computation of units of full-time equivalent student (FTES) based on the type of course, the way the course is scheduled, and the length of the course.
- B. Selection of a single, primary term length for credit courses.
- C. Reporting of FTES during the “first period” (between July 1 and December 31), “second period” (between July 1 and April 15), and “annual” (between April 16 and June 30).
- D. Compliance with census procedures prescribed by the California Community Colleges Chancellor’s Office for all credit courses, including work experience, independent study, and credit courses being reported on an actual-attendance basis.
- E. Preparation of census-day procedure tabulations.
- F. Preparation of actual student contact hours of attendance procedure tabulations.
- G. Preparation (as applicable) of actual apprentice hours of teaching procedure tabulations.
- H. Preparation of support documentation regarding all course enrollment, attendance, and disenrollment information.
- I. Computation of FTES that includes only the attendance of students while they are engaged in educational activities required of students and while they are under the immediate supervision and control of an academic employee of the district authorized to render service in the capacity and during the period in which they served.
- J. Maintenance ~~for of~~ at least ~~a-175-days calendar~~ during the fiscal year.

MiraCosta Community College District (district) provides an opportunity for individuals applying for academic positions to provide evidence of their qualifications as stated in the [Baccalaureate Degree Pilot Program Handbook Minimum Qualifications for Faculty and Administrators in California Community Colleges](#) or through an equivalency process.

—An Academic Senate Equivalency Committee shall be established to fulfill the requirement of Education Code section 87359, which states that the equivalency process "shall include reasonable procedures to ensure that the governing board relies primarily upon the advice and judgment of the Academic Senate to determine that each individual employed under the authority granted by the regulations possesses qualifications that are at least equivalent to the applicable minimum qualifications..." Review of minimum qualifications for applicants including equivalencies will be done in accordance with established procedure. The procedure will ensure a fair and objective process for determining if an applicant has the equivalent qualifications and is not intended to grant waivers for lack of the required qualifications.

## I. QUALIFICATIONS FOR EMPLOYMENT

**Minimum Qualifications:** Minimum qualifications are established by the Legislature and the Board of Governors in consultation with the Academic Senate of the California Community Colleges and published as the Board of Governors-approved [Baccalaureate Degree Pilot Program Handbook Minimum Qualifications for Faculty and Administrators in California Community Colleges](#). Faculty shall meet minimum qualifications established by [the Board of Governors, or shall possess qualifications that are at least equivalent to the minimum qualifications set out in the regulations of](#) the Board of Governors.

**Diversity Qualifications:** In accordance with California Code of Regulations, Title 5, [§section 53022](#), job requirements shall include "sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students." These criteria are included in standard language on all district faculty job announcements.

**Equivalency:** [Equivalency, as defined in California Education Code section 87359, California Code of Regulations, Title 5, section 53430, and by the Academic Senate of the California Community Colleges, was established to credit those whose preparation](#)

Reference Update: 4/15

CCLC Update: #26, 4/15

Steering: Prof.St./EquivCom / AS

is at least equal to the state-adopted minimum qualifications as defined in *Minimum Qualifications for Faculty and Administrators in California Community Colleges*. Equivalency for disciplines in which a master's degree is required means equal to a master's degree. In disciplines for which a master's degree is not generally available nor expected as determined by the *Minimum Qualifications for Faculty and Administrators in California Community Colleges*, equivalency means equal to either a required lower-level degree, or a combination of degree and experience. The authority to grant equivalency resides with the board of trustees or designee. The board relies primarily on the expertise of the faculty in the discipline utilizing the board's procedures developed and agreed upon jointly by the Academic Senate and approved by the board. It does not give the district the authority to waive or lower standards and accept less-qualified individuals.

Minimum qualifications shall be determined for disciplines, not for courses or subject areas within disciplines. In compliance with the California Community Colleges State Chancellor's Office regulations, "[A] district is not authorized to establish a single-course equivalency as a substitute for meeting minimum qualifications in a discipline." The district board of trustees or designee will not approve single-course equivalencies.

## **II. PROCEDURE FOR THE DETERMINATION OF COMPARABLE DEGREE MAJOR TITLES WITHIN DISCIPLINES**

This procedure is to establish and approve a list of degree major titles acceptable at MiraCosta Community College that are comparable to the degree major titles listed in the *Baccalaureate Degree Pilot Program Handbook* and the *Minimum Qualifications for Faculty and Administrators in California Community Colleges*.

- A. A department compiles a list of comparable degree major titles and reviews with faculty for input and approval.

For each comparable degree major title, the following documentation is required:

4. 1. A table comparing coursework from any U.S. accredited institution awarding a degree major title that is listed in the *Minimum Qualifications for Faculty and Administrators in California Community Colleges* with coursework from another U.S. accredited institution awarding a comparable degree with a different major title. The table should include:

- a. Name of institutions
- b. Course numbers
- c. Course titles
- d. Course descriptions
- e. Semester units

2. 2. Catalog pages from both institutions showing course descriptions.

B. Department chairs submit the comparable degree major title list and required documentation to the ~~equivalency committee~~ Equivalency Committee for review.  
Department chairs

B. ~~may attend the equivalency committee meeting to advocate for the request to add the comparable degree major title(s).~~ Equivalency Committee members review the documents, meet, and make a recommendation to Academic Senate.

C. Academic Senate reviews the documents and acts on the recommendation of the equivalency committee, accepting or rejecting the recommendation. If the ~~C.~~ department chair wishes to appeal the decision by the Academic Senate, they may do so at a future Academic Senate meeting.

D. Action by Academic Senate is recorded by the administrative secretary to the Academic Senate president.

E. The comparable degree major title is sent to the ~~Board~~ board of ~~Trustees~~ trustees via the superintendent/president for approval.

F. If the comparable degree major title is approved, the degree major title is

F. added to the list of comparable degree major titles maintained by the administrative secretary to the Academic Senate president.

G. After board approval, the administrative secretary to the Academic Senate president sends an e-mail notification to the requesting department chair, dean, vice presidents of instructional services and/or student services, and human resources technicians.

H. If a comparable degree major title is not approved, the administrative secretary to the Academic Senate president sends an e-mail notification to the requesting department chair, dean, vice presidents of instructional services and/or student services, and human resources technicians.

I. Faculty positions posted will contain the approved comparable degree major titles.

J. All applicants holding degrees with approved comparable degree major titles will be deemed equivalent and will not be required to individually go through the equivalency process.

J.K. The list of approved comparable degree major titles will be sent by the administrative secretary to the Academic Senate president to all department chairs, deans, vice presidents of instructional services and student services,

and human resources technicians on or about June 1 of each year.

### III. PROCEDURE FOR THE DETERMINATION OF EQUIVALENCY FOR APPLICANTS

- A. All faculty position announcements state the required qualifications as specified by the *Minimum Qualifications for Faculty and Administrators in California Community Colleges* and diversity qualifications, including the possibility of meeting the degree requirements by equivalency.
- B. Applicants may request equivalency under the district’s criteria as stated in Administrative Procedure 7211-2.IV. The applicant’s request for equivalency may require evidence and documentation of academic coursework or professional experience or both, depending on the guideline under which they are seeking equivalency. For example, an applicant requesting equivalency under guideline A4 would list graduate-level, discipline-related courses completed to meet or exceed the required 24 semester units as specified under A4. It is the responsibility of the applicant to supply all evidence and documentation at the time of application.

If an exact degree title from an applicant does not match the language in the *Minimum Qualifications for Faculty and Administrators in California Community Colleges Handbook*, but is a minor variation, the department chair (or representative) and the Equivalency Committee may confirm equivalency after reviewing the applicant’s transcripts. Both the department chair (or representative) and the Equivalency Committee must agree that the specific degree title is deemed equivalent. Otherwise, the applicant must provide additional documentation as outlined in the *Instructions for Faculty Equivalency Requests*.

The department chair (or representative) and the Equivalency Committee may recommend to Academic Senate that these degree titles be added to the district list of comparable degree major titles as described in section II.

Possible degree title variation examples:

<u>Degree Title from Handbook</u>	<u>Acceptable Minor Variation</u>
<u>Art History</u>	<u>History of Art</u>
<u>Religious Studies</u>	<u>Religion</u>
<u>Earth Sciences</u>	<u>Earth Science</u>
<u>Women’s Studies</u>	<u>Gender and Women’s Studies</u>

If the Handbook identifies a degree in “X and Y” as being acceptable, then a degree in “Y and X” is also acceptable under the Minor Degree Title variation. For example, both “Counseling and Guidance” and “Guidance and Counseling” are equally acceptable.

Also, if the Handbook identifies a degree in "X" or a degree in "Y" as acceptable, then a degree in "X and Y" is also acceptable under the Minor Degree Title variation. For example, a degree in "Nutrition" or a degree in "Dietetics" both being acceptable, a degree in "Nutrition and Dietetics" is automatically acceptable.

C. The department chair (or discipline expert as designated by the department chair) reviews the equivalency request and evaluates item-by-item the qualifying coursework and/or experience listed by the applicant. The department chair/discipline expert makes a summary evaluation that the applicant has met or has not met minimum qualifications with the items they have listed for the guideline selected, and the request is forwarded to the Equivalency Committee.

D. Equivalency Committee members review the documents, meet, and make a recommendation to Academic Senate.

E. Academic Senate reviews the applicant's equivalency request, supporting documentation, and Equivalency Committee recommendation. The Academic Senate votes to approve or deny the equivalency request. During the summer intersession, an Academic Senate taskforce consisting of the Academic Senate Officers and one associate faculty Academic Senate member, on behalf of the Academic Senate, will review the applicant's equivalency request, supporting documentation, Equivalency Committee recommendation, and either approve or deny the equivalency request.

F. If the Academic Senate recommends the equivalency request, the request is sent to the board of trustees via the superintendent/president for approval.

G. Human Resources notifies the equivalency applicant, department chair, and dean of the outcome of the equivalency process.

#### **IV. EQUIVALENCY CRITERIA FOR APPLICANTS**

A. Criteria for Equivalency: Disciplines Requiring a Master's Degree

A1. *[ Before electing to proceed with this guideline, please review guideline A4 below to determine if A4 is a simpler option for you. ]* Candidate holds a related master's degree that is not specifically listed for that discipline under minimum qualifications in the *Minimum Qualifications for Faculty and Administrators in California Community Colleges*; however, it is a comparable degree with a different title from the candidate's granting institution. (The recommending department may petition the Board of Governors for a permanent addition of the degree to the list of minimum qualifications.)

A2. *[ Before electing to proceed with this guideline, please review guideline A3 below to determine if A3 is a simpler option for you. ]* Candidate holds a master's degree that is on the *Minimum Qualifications for Faculty and Administrators in California Community Colleges*, but the title of candidate's bachelor's degree is not the exact title of the degree on the *Minimum Qualifications for Faculty and Administrators in California Community Colleges*; however, it is a comparable degree with

a different title from the candidate's granting institution.

A3. Candidate holds a master's degree that is on the *Minimum Qualifications for Faculty and Administrators in California Community Colleges*; however, the candidate lacks the required bachelor's degree identified on the *Minimum Qualifications for Faculty and Administrators in California Community Colleges*. The candidate must have at least twenty-four (24) semester units of discipline-related, upper division/graduate coursework towards the required bachelor's degree for which equivalency is being requested.

A4. Candidate holds a master's degree in another field, but the candidate has at least 24 semester units (3 quarter units = 2 semester units) of discipline-related, graduate-level coursework.

A5. Candidate does not hold a master's degree, but has a bachelor's degree in the discipline and five years of full-time or full-time equivalent of discipline-specific experience in higher education teaching, research and/or publication, or professional work experience in the field.

A6. Candidates in specific disciplines (e.g., Art, Dance, Drama/Theater Arts, Film and Media Studies, Foreign Languages, Music) may qualify through education and/or experience other than what is listed in A1-A5 based on alternative guidelines established for each of these disciplines after Academic Senate has approved them.

B. Criteria for equivalency: disciplines in which a master's degree is not generally expected or available, but which require a specific bachelor's degree

B1. [ Before electing to proceed with this guideline, please review guideline B2 below to determine if B2 is a simpler option for you. ] Candidate holds a related bachelor's degree that is not specifically listed for that discipline under minimum qualifications in the *Minimum Qualifications for Faculty and Administrators in California Community Colleges*; however, it is a comparable degree with a different title from the candidate's granting institution. (The recommending department may petition the Board of Governors for a permanent addition of the degree to the list of minimum qualifications.)

B2. Candidate may be eligible under a combination of education and/or experience totaling to a minimum of 120 semester units of which 18 semester units must be discipline-related and upper-division coursework, or 10 years of relevant experience. One year of related full-time or full-time equivalent professional/occupational\* experience is equivalent to 12 semester units of coursework of which 1.8 semester units ~~are~~**must be** discipline-related and upper-division. For example, an applicant may apply for equivalency if they have 72 semester units of coursework of which 10.8 or more are discipline-related and upper-division (equivalent to 6 years of experience) and have worked in the field for 4 full-time or full-time equivalent years.

\*"Professional experience" includes teaching experience. "Occupational experience" does not include teaching experience. (Title 5, Article 1, section 53404 - Definition of Experience)

B3. Candidates in specific disciplines may qualify through education and/or experience other than what is listed in B1-B2 based on alternative guidelines established for each of these disciplines after Academic Senate has approved them.

C. Criteria for Equivalency: disciplines in which a master's degree is not generally expected or available, and the minimum qualifications are any bachelor's degree and two years of professional/occupational\* experience or any associate degree and six years of professional/occupational\* experience

*\*“Professional experience” includes teaching experience. “Occupational experience” does not include teaching experience. (Title 5, Article 1, section 53404 - Definition of Experience)*

C1. Candidate must have at least ten years of related full-time or full-time-equivalent professional/occupational experience when not applying any education toward equivalency.

C2. Candidate may be eligible under a combination of education and/or experience totaling to a minimum of 120 semester units and 2 years of relevant experience. One year of related full-time or full-time equivalent professional/occupational\* experience is equivalent to 12 semester units of coursework. For example, an applicant may apply for equivalency if they have 72 semester units of coursework (equivalent to 6 years of experience) and have worked in the field for 6 full-time or full-time equivalent years.

C3. Candidate may be eligible under a combination of work experience and professional certification when not applying any education. The certification must be issued by a recognized professional organization in the discipline. Candidate must also have at least eight years of related full-time or full-time-equivalent professional/occupational experience. The department must validate the candidate's certification.

## Section A - Alternative Equivalency Guidelines for Specific Disciplines

Discipline	Section A - Alternative Guideline
Art	For the discipline of Art, a candidate may qualify without a Master's degree, provided that they can demonstrate ten (10) years of full-time or full-time equivalent discipline-specific experience in higher education teaching, or notable professional work experience in the field, or a combination of the two.
Dance	For the discipline of Dance, a candidate may qualify without either a Master's degree or a Bachelor's degree, provided that they can demonstrate ten (10) years of full-time or full-time-equivalent discipline-specific experience in higher education teaching, or notable professional work experience in the field, or a combination of the two.
Drama/Theater Arts	For the discipline of Drama/Theater Arts, a candidate may qualify without either a Master's degree or a Bachelor's degree, provided that they can demonstrate ten (10) years of full-time or full-time-equivalent discipline-specific experience in higher education, conservatory or high school teaching, or notable professional work experience in the field, or a combination of the two.
Film and Media Studies	For the discipline of Film and Media Studies, a candidate may qualify without either a Master's degree or a Bachelor's degree, provided that they can demonstrate ten (10) years of full-time or full-time-equivalent discipline-specific experience in higher education, conservatory or high school teaching, or notable professional work experience in the field, or a combination of the two.
Foreign Languages	For the discipline of Foreign Languages, a candidate may qualify with a Master's degree in any discipline, provided that they can demonstrate the following: (A) a higher education degree was earned in a foreign institution where the instruction was primarily conducted in the target language; AND (B) a license, a credential or a certification for the teaching of the target language such as CSET, OR a degree or a certificate with an emphasis on language teaching methodologies in a related discipline such as TESL, TESOL, Applied Linguistics, bilingual/bicultural studies or a learning science discipline; AND (C) three (3) or more years of full-time or full-time equivalent foreign/second language classroom teaching experience in higher/secondary education or equivalent.
Music	For the discipline of Music, a candidate may qualify without either a Master's degree or a Bachelor's degree, provided that they can demonstrate ten (10) years of full-time or full-time-equivalent discipline-specific experience in higher education teaching, or notable professional work experience in the field, or a combination of the two.

**RE: Emeritus Status for Fulltime and Associate Faculty**

The following full-time faculty member has retired from teaching at MiraCosta College, and their retirement has been accepted by the board of trustees. Please consider the qualifications of this retiree and forward the Academic Senate's recommendation for emeritus faculty status. The recommendation will then be presented to the board of trustees for approval.

Fulltime Retiree	Job Title	Hire Date	Retirement Date	Years of Service
Sue Simpson	Instructor, Nursing	8/18/03	12/15/23	20.3

The following associate faculty members have retired from teaching at MiraCosta College. Please consider the qualifications of these retirees and forward the Academic Senate's recommendations for emeritus faculty status. The recommendation will then be presented to the Board of Trustees for approval.

Associate Faculty Retiree	Hire Date	Retirement Date	Terms of Service
Carr, Frederica	8/22/94	1/28/24	56
Chirra, Joseph	1/21/92	5/25/24	45
Ferreirae, Kerry	8/17/98	2/14/24	45
Freedman, Andrew	3/07/90	6/30/23	30
Lane, Lisa	8/22/89	11/1/23	56

The programs and curricula of the district shall be of high quality, relevant to community and student needs, and evaluated regularly to ensure quality and currency. To that end, the superintendent/president shall establish procedures for the development and review of all curricular offerings, including their establishment, modification, or discontinuance.

Furthermore, these procedures shall include the following:

- A. Appropriate involvement of the faculty, Courses and Programs Committee (CPC), and Academic Senate in all processes
- B. Regular review and justification of programs and course descriptions
- C. Opportunities for training for persons involved in aspects of curriculum development
- D. Consideration of job market and other related information for career education programs

All new programs and any recommendations for discontinuance of programs shall be submitted to the board of trustees for approval.

All new programs shall be submitted to the state California Community Colleges Chancellor's Office for approval as required.

Individual degree-applicable credit courses offered as part of a permitted educational program shall be submitted to the board of trustees for approval. Non-degree-applicable credit and degree-applicable courses that are not part of an existing approved program must satisfy the conditions authorized by Title 5 regulations and shall be submitted to the board for approval.

Consistent with federal regulations applicable to federal financial-aid eligibility, the district shall assess and designate each of its programs as either a "credit hour" program or a "clock hour" program. At MiraCosta College, 54 total student learning hours is equivalent to 1 unit of credit, and the minimum unit increment is 0.5.

~~Title 5 provides specific hour-to-unit ratios for Cooperative Work Experience. The ratios are 75 hours of paid work experience for 1 unit of credit and 60 hours of non-paid work experience for 1 unit of credit.~~ **Work experience education courses shall adhere to the formula for credit hour calculations identified in Title 5 section 55253.**

The Code of Federal Regulations defines clock hour programs (34 CFR 668). Clock hour programs are required to use the formula for calculating units of credit that is contained within the code.

The superintendent/president will establish procedures that prescribe the definition of “credit hour” consistent with applicable Title 5 and federal regulations as they apply to community college districts.

The superintendent/president shall establish procedures to assure that curriculum at the district complies with the definition of “credit hour” or “clock hour,” where applicable.

The superintendent/president shall also establish a procedure for using a clock-to-credit hour conversion formula to determine whether a credit hour program is eligible for federal financial aid. The conversion formula is used to determine whether such a credit-hour program has an appropriate minimum number of clock hours of instruction for each credit hour it claims.

See Administrative Procedures 4020, 4021, and 4022.

MiraCosta College faculty, as empowered by Assembly Bill 1725, have primacy in the area of curriculum development and as such are responsible for managing and updating their curriculum in accordance with standards set forth by the California Code of Regulations (title 5), the California Community Colleges Chancellor's Office, and the Accrediting Commission for Community and Junior Colleges (ACCJC).

The Courses and Programs Committee (CPC), a subcommittee of the Academic Senate, makes recommendations pertaining to the programs and courses offered by the college primarily to the Academic Senate. The CPC acts by means of careful study and open discussion to assure the college's curriculum has consistent quality, rigor, and compliance with state regulations and standards as well as with district policies and procedures.

The district shall develop and offer programs and curricula **in ethnic studies** as well as programs and curricula designed to promote cultural awareness and innovative approaches to ensure that historically marginalized students see themselves reflected in curriculum. Programs and curricula shall meet the needs of disproportionately impacted students by increasing their sense of belonging and their ability to complete a degree, credential, or certificate.

The Courses and Programs Committee Handbook describes the roles and responsibilities of the CPC as well as the procedures for program and curriculum development at MiraCosta College. The handbook is reviewed annually and updated as needed by the CPC.

The MiraCosta Community College District provides annual certification to the California Community Colleges Chancellor's Office pertaining to the approval of credit courses and credit programs as required under title 5 sections 55100 and 55130.

### **Credit Hour**

One credit hour of community college work (one unit of credit) shall require a minimum of 48 semester hours of total student work, which may include **hours** inside ~~and~~ **or** outside of class. ~~hours.~~

A course requiring 96 hours or more total student work shall provide at least two units of credit. ~~Cooperative work experience courses shall adhere to the formula for credit hour calculations identified in title 5 section 55256.5.~~ **Work experience education courses shall adhere to the formula for credit hour calculations identified in Title 5 section 55253. Direct assessment competency-based education modules shall adhere to the formula for credit hour calculations identified in Title 5 section 55270.12.** Credit for clock hour designated programs shall be awarded consistent with 34 Code of Federal Regulations Part 600.2.

(See Administrative Procedure 4103: Experiential Education for Cooperative-work experience education credit hour calculations.)

### A. Credit Hour Calculations

Federal and state regulations for credit hour calculations are based on the total time a student spends on learning, including outside-of-class hours. The college shall use the following formula to determine the units of credit for a course:

$$\text{(total contact hours + outside-of-class hours)/hours-per-unit divisor} = \text{units of credit}$$

- Total contact hours: The total time per term that a student is under the direct supervision of an instructor or other qualified employee as defined in title 5 sections 58050, 58051, and 58161. This number is the sum of all contact hours for the course in all calculations categories, including lecture, laboratory, discussion, etc. Contact hours for courses may include hours assigned to more than one instructional category (e.g., lecture and lab, lecture and clinical).
- Outside-of-class hours: Hours students are expected to engage in coursework outside of the classroom.
- Hours-per-unit divisor: The term-length multiplier for MiraCosta College, as assigned by the Chancellor's Office, is 17. Full-length fall and spring semester classes, short- and extended-term classes, and positive attendance classes use an hours-per-unit divisor ranging from 48 to 54.

To ensure compliance with state and federal regulations related to credit hour calculations, the course outline of record for each course shall record the total number of hours in each instructional category specified in governing board policy, the total number of expected outside-of-class hours, and the total student learning hours used to calculate the award of credit.

### B. Expected Ratios of In-Class to Outside-of-Class Hours

As a matter of standard practice in higher education, lecture and related course formats require two hours of student work outside-of-class for every hour in-class. All other academic work must provide an equivalent total number of student learning hours as typically required for lecture, with the ratio of in-class to outside-of-class work prorated for the instructional category. However, in the natural sciences and other disciplines, it is standard practice in higher education to base the number of units awarded for laboratory solely on contact hours, even though there may be some expectation of student work or preparation outside-of-class. These ratios are expressed as follows:

Instructional Category	In-Class Hours	Outside-of-Class Hours
Lecture (lecture, discussion, seminar, related work)	1	2
Laboratory (traditional lab, natural science lab, clinical, and similar)	3	0

### C. Standards for Incremental Award of Credit

The minimum unit increment is 0.5 units. As a result, the minimum number of units for a course is a multiple of 0.5 units.

The total student learning hours required to reach a unit value are treated as a threshold. When increments are utilized, the college cannot award credits unless the total student learning hours have reached the minimum threshold for that number of units. MiraCosta College uses the following minimum and maximum hour thresholds for award of credit:

Units	Min–Max Hour Threshold
0.5	24–27
1	48–54
1.5	72–81
2	96–108
2.5	120–135
3	144–162
3.5	168–189
4	192–216
5	240–270

### D. Federal Financial Aid Eligibility

For purposes of federal financial aid eligibility, a “credit hour” shall be not less than the following:

- A. One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester hour of credit or the equivalent amount of work over a different amount of time; or
- B. At least an equivalent amount of work as required in the paragraph above for other academic activities as established by the college, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

MiraCosta Community College District baccalaureate degree program is consistent with the college mission, vision, and core values.

The awarding of a baccalaureate degree is intended to represent more than an accumulation of units. It is to symbolize a successful attempt on the part of the college to lead students through **The baccalaureate program provides a framework within which students complete** patterns of learning experiences designed to develop progressively higher-level capabilities and insights to support their academic and career goals. Among these capabilities and insights are skills and competencies that comprise a general education curriculum.

- A. Lower-division general education courses introduce students to the variety of means through which people comprehend the modern world by providing opportunities for students to engage with the arts and humanities, sciences, mathematics, and social sciences. It ensures students who receive their degrees have mastered principles, concepts, and methodologies both unique to and shared by the various disciplines.
- B. Upper-division general education courses integrate biotechnology concepts within at least two disciplines outside the major. These courses are intended only for students enrolled in the baccalaureate program.

Students in the MiraCosta College baccalaureate program must complete 37-to-41 semester units of lower-division and 9 semester units of upper-division general education coursework in accordance with Board Policy 4100B: Graduation Requirements for the Baccalaureate Degree.

Students graduating with a baccalaureate degree shall also possess sufficient depth in the field of applied biomanufacturing to contribute to entry-level career positions within the region. This depth is provided through the completion of 24 lower-division and 34 upper-division semester units in the major in accordance with Board Policy 4100B: Graduation Requirements for the Baccalaureate Degree. Upper-division courses in the major require lower-division knowledge and apply that knowledge as demonstrated measures of critical thinking through writing, oral communication, or computation.

~~In addition to these accomplishments, the student shall possess sufficient depth in the field of biomanufacturing to contribute to entry-level career preparation and lifetime interest.~~

~~The MiraCosta Community College District General Education Program promotes skill development and knowledge acquisition through the study of ideas, the analysis of data, and the interpretation of issues and events. Students completing the MiraCosta Community College District General Education Program are systematic, critical, creative thinkers and clear communicators who are intellectually curious, culturally and scientifically literate, civic-minded, and aesthetically appreciative. These students are able to demonstrate the following:~~

- ~~A. — A broad understanding of mathematics, science, social science, humanities, and the arts.~~
- ~~B. — Effective communication in oral and written form.~~
- ~~C. — A multicultural, global perspective.~~
- ~~D. — Critical thinking skills that apply analytical and creative approaches to problem solving.~~
- ~~E. — The ability to adapt to new environments and technologies.~~
- ~~F. — Social awareness and responsibility as a participating member of society.~~

~~In modifying its general education program, the MiraCosta Community College District will continue to seek coherence and integration among the separate requirements, and to establish a general education program that actively involves students in examining values inherent in proposed solutions to major social problems.~~

The superintendent/president shall establish procedures to assure that courses used to meet upper-division general education and baccalaureate degree requirements meet the standards in this policy. These procedures shall provide for appropriate Academic Senate involvement.

MiraCosta Community College District programs are consistent with the college mission, vision, and core values.

## Baccalaureate Degree

The baccalaureate degree at MiraCosta College is awarded to students who have successfully demonstrated they have developed intellectual skills, information technology facility, affective and creative capabilities, social attitudes, and an appreciation for cultural diversity. In addition to these accomplishments, Students graduating with a baccalaureate degree from MiraCosta College shall possess sufficient depth in the major field of applied biomanufacturing to contribute to preparation for entry-level career positions within the region and beyond. This depth will be provided with a minimum of twenty-four (24) semester lower-division-major units and a minimum of thirty-four (34) semester upper-division-major units through the completion of at least 24 lower-division and 34 upper-division semester units in the major. The college catalog will clearly differentiate upper-division and lower-division coursework.

Upper-division courses will be open only to these students enrolled in the baccalaureate degree program.

- A. Upper-division courses will require lower-division knowledge and apply that knowledge as demonstrated measures of critical thinking through writing, oral communication, or computation.
- B. Upper-division courses will typically have prerequisites that have been established using content review of the entry skills necessary to be successful as outlined in the California Code of Regulations.
- C. Upper-division courses may encompass research elements, workforce training, apprenticeships, internships, practicum, or capstone projects.

The Courses and Programs Committee (CPC) determines which courses can be used to implement the district's goals for the baccalaureate degree. The course approval process is detailed in the Courses and Programs Committee Handbook.

## Lower-Division General Education

General education at MiraCosta College introduces the content and methodology of major areas of knowledge. Its purpose is to encourage students to select a broad spectrum of classes. The MiraCosta College general education program for the baccalaureate degree is comprised of thirty-seven (37) to forty-one (41) units of lower-division general education courses and nine (9) units of upper-division general education courses. Students completing this program are able to demonstrate the following:

- A. ~~A broad understanding of mathematics, science, social science, humanities, and the arts.~~
- B. ~~Effective communication in oral and written form.~~
- C. ~~A multicultural global perspective.~~
- D. ~~Critical-thinking skills that apply analytical and creative approaches to problem solving.~~
- E. ~~The ability to adapt to new environments and technologies.~~
- F. ~~Social awareness and responsibility as a participating member of society.~~

### **Lower-Division General Education**

Students in the baccalaureate program must complete 37-to-41 semester units of lower-division general education as part of the lower-division course requirements for the baccalaureate degree. Students may satisfy the lower-division general education this requirement by completing one of the following:

- A. The California State University General Education (CSU-GE) Breadth pattern (Plan B)
- B. The Intersegmental General Education Transfer Curriculum (IGETC) pattern (Plan C).
- C. A bachelor's degree from an institution accredited by a nationally recognized accrediting agency.

Students enrolled in the baccalaureate program who have not completed the CSU-GE or IGETC pattern must complete any remaining CSU-GE or IGETC Areas.

Placement of courses on CSU-GE and IGETC is governed by the California State University (CSU) and University of California (UC) and will be in accordance with CSU and UC transfer submission and acceptance policies.

MiraCosta College courses approved for the CSU-GE and IGETC patterns meet the standards set forth in Board Policy 4025B, and meet the following universal criteria: rigor, scope, autonomy, breadth, critical thinking, communication, and rationality.

Consistent with Board policy 4025, the CSU-GE and IGETC lower-division general education requirements are designed to provide the knowledge, skills, experiences, and perspectives that will enable students to expand their capacities to take part in a wide range of human interests and activities; to confront personal, cultural, moral, and social problems that are an inevitable part of human life; and to cultivate both the requisite skills and enthusiasm for lifelong learning.

Lower-division general education courses for the baccalaureate degree will fulfill the following criteria related specifically to the designated CSU-GE or IGETC Area:

- A. CSU-GE Area A, English Language Communication & Critical Thinking; IGETC Area 1, English Composition

Courses emphasize development of students' communication and reasoning skills. These areas require coursework in communication in the English language, to include both oral and written communication. Critical-thinking courses will develop the students' abilities to analyze, criticize, and advocate ideas; to reason inductively and deductively; and to reach well-supported factual or judgmental conclusions.

- B. CSU-GE Area B1-3, Scientific Inquiry & Quantitative Reasoning; IGETC Area 5, Physical & Biological Sciences

Courses will develop the student's knowledge of scientific theories, concepts, and data about both living and nonliving systems. Students will achieve an understanding and appreciation of scientific principles and the scientific method, as well as the potential limits of scientific endeavors and the value systems associated with human inquiry.

- C. CSU-GE Area B4 and IGETC Area 2, Mathematical Concepts & Quantitative Reasoning

Courses will be designed so that students will not just practice computational skills, but will be able to explain and apply basic mathematical concepts and will be able to solve problems through quantitative reasoning.

- D. CSU-GE Area C and IGETC Area 3: Arts & Humanities

Courses will cultivate and refine students' affective, cognitive, and physical faculties through studying great works of the human imagination. Courses will encourage students to analyze and appreciate works of philosophical, historical, literary, aesthetic, and cultural importance from Western and non-Western perspectives. Activities may include participation in aesthetic, creative experiences. Courses that primarily focus on skill development will be excluded.

- E. CSU-GE Area D and IGETC Area 4: Social & Behavioral Sciences

Courses provide students with the understanding that human social, political, and economic institutions and behavior are inextricably interwoven. Courses will ensure that students have the opportunity to develop understanding of the perspectives and methods of the social and behavioral sciences. Courses will help students gain an understanding and appreciation of the contributions and perspectives of men, women, and of ethnic and other minorities and a comparative perspective on both Western and non-Western societies.

- F. CSU-GE Area E: Lifelong Learning and Self-Development (CSU Only)

Courses in this area are designed to equip students for lifelong understanding and development of themselves as integrated physiological, social, and psychological beings. Courses will draw on findings from the biological, behavioral, and social sciences to study humans from psychological, sociological, and physiological perspectives.

G. CSU-GE Area F and IGETC Area 7: Ethnic Studies (CSU Only)

Courses shall have the following course prefixes: African American, Asian American, Latina/o American, or Native American Studies. Similar course prefixes (e.g., Pan-African Studies, American Indian Studies, Chicana/o Studies, Ethnic Studies) shall also meet this requirement. Courses that are approved to meet this requirement shall meet at least three of the five ethnic studies competencies. These competencies can be found on the CSU General Education Breadth Requirements website.

~~Placement of courses on CSU-GE and IGETC is governed by the California State University (CSU) and University of California (UC) and will be in accordance with CSU and UC transfer submission and acceptance policies.~~

Successful completion of the CSU-GE or IGETC general education patterns will be in accordance with CSU-GE or IGETC certification guidelines that include the following:

1. Each course completed in CSU-GE Area A and B4 must be completed with a "C–" or a "P" or better.
2. Each course completed on IGETC must be completed with a "C" or a "P" or better.
3. Courses listed in two different areas may be used to satisfy a requirement in one area but not both areas.
4. All areas of the CSU-GE or IGETC pattern must be fully completed.
5. Students may request CSU-GE or IGETC certification, but certification is not necessary to fulfill the lower-division general education component of the baccalaureate degree.

Coursework from other ~~U.S. regionally~~ **institutions accredited by a nationally recognized accrediting agency** ~~accredited institutions~~ will be approved to meet CSU-GE (Plan B) or IGETC (Plan C) requirements according to the following CSU-GE and IGETC certification guidelines:

- A. A CSU-GE or IGETC-approved course in the same area at another California community college.
- B. A course comparable to an approved MiraCosta College course on CSU-GE (Plan B) or IGETC (Plan C) or a course on another California community college CSU-GE or IGETC pattern.
- C. A lower-division course that meets the CSU-GE or IGETC area criteria.
- D. An upper-division course that is determined comparable by faculty to a lower-division CSU-GE or IGETC-approved course.
- ~~E. Completion of the CSU-GE or IGETC general education pattern will satisfy the MiraCosta College associate degree competency requirements.~~

- F. Prior completion of the CSU-GE or IGETC general education pattern for a bachelor's degree at any CSU or UC.

A single course may be used to complete both a general education requirement and a lower-division major requirement.

### Upper-Division General Education

Students in the baccalaureate program must complete nine semester units of upper-division general education as part of the upper-division course requirements for the baccalaureate degree. Upper-division general education courses will enhance the foundational knowledge gained by students through the completion of the lower-division general education program. The further development of writing, leadership, and/or computational skills will supplement the major specific skill set that biotechnology employers seek in their employees.

- A. Students will be provided with an upper-division general education curriculum designed to be:
  - 1. An integrative learning experience that makes connections among the disciplines.
  - 2. Intentional, engaging, and meaningful.
  - 3. Contextualized to the major and global workplace.
- B. Courses will be offered in at least two disciplines outside of the biomanufacturing major.
- C. At least one course will have an emphasis in written or oral communication or on further development of computation skills and analysis.
- D. Courses will be open only to those students enrolled in the baccalaureate degree program.
- E. Comparable upper-division courses from other institutions accredited by a nationally recognized accrediting agency U.S. regionally accredited institutions may be used to satisfy upper-division general education requirements.

The CPC determines which courses can be used for upper-division general education to implement the district's goals for the baccalaureate degree. The course approval process is detailed in the Courses and Programs Committee Handbook.

The **MiraCosta Community College District** ~~grants~~ **confers** the Bachelor of Science in Biomanufacturing to ~~those~~ students who have completed **a minimum of** 120 degree-applicable **lower- and upper-division** semester units and meet the following grade-point requirements:

- A. No grade less than a “C” or “P” in all required lower-division coursework in the major.
- B. **A minimum cumulative** ~~an overall 2.0~~ **grade point average of 2.0** ~~An overall:~~
  - 1. In all upper-division coursework.
  - 2. In all degree-applicable coursework completed at MiraCosta College.
  - 3. In all degree-applicable coursework completed at any college or university.

Students must also complete general education, **and** residency, ~~and competency~~ requirements set forth in Title 5 regulations.

Courses from other ~~U.S. regionally~~ **institutions** accredited ~~colleges or universities~~ **by a nationally recognized accrediting agency** will be evaluated for satisfying baccalaureate degree requirements based on course description, comparable or equivalent content, and appropriate prerequisites. Students may be required to provide a course outline and/or a syllabus to determine course comparability and a transcript to verify prerequisite completion.

International courses will be evaluated for satisfying baccalaureate degree requirements only when course descriptions are submitted in English, along with a transcript evaluated by an approved foreign transcript evaluation service. Course descriptions may also be required for prerequisite review.

The superintendent/president shall establish procedures to determine degree and requirements that include appropriate involvement of the Courses and Programs Committee. The procedures shall assure that graduation requirements are published in the district’s catalog and are included in other resources that are convenient for students.

See Administrative Procedure 4100B.

**Requirements for Graduation**

MiraCosta College shall offer the baccalaureate in science degree. To obtain a baccalaureate degree, students must **accomplish the following**:

- A. Complete a combination of lower-division and upper-division coursework totaling a minimum of 120 semester or ~~180 quarter~~ units to include the following:
  1. A minimum of twenty-four (24) **semester** units of lower-division major courses
    - a. Lower-division courses acceptable **for counting** toward the baccalaureate degree are designated as CSU or UC transferable or determined to be at the baccalaureate level.
    - b. Lower-division courses from other ~~U.S. regionally~~ **institutions** accredited ~~institutions~~ **by a nationally recognized accrediting agency** will be evaluated by faculty to determine baccalaureate credit based on course description, comparable content, appropriate prerequisites, or C-ID number.
    - ~~e. All lower-division requirements must be met before the baccalaureate degree is granted.~~
    - c. International courses will be evaluated for **counting toward** baccalaureate major requirements only when course descriptions are submitted in English, along with a transcript evaluated by an approved foreign transcript service.
  2. Thirty-four (34) **semester** units of upper-division-major courses
    - a. MiraCosta College courses designated as upper-division are applicable only to the baccalaureate degree and may not be used to satisfy associate degree requirements.
    - b. Upper-division courses from other ~~U.S. regionally~~ **institutions** accredited ~~institutions~~ **by a nationally recognized accrediting agency** will be evaluated for appropriate major, general education, or elective baccalaureate degree credit.
    - c. When a previously completed lower-division course from another ~~U.S. regionally~~ **institution** accredited ~~institution~~ **by a nationally recognized accrediting agency** is determined by faculty to be equivalent to an upper-division baccalaureate requirement, the student will be granted “subject” credit for that requirement, but **they** will still be required to complete an additional upper-division course to meet the total upper-division unit requirement.

3. ~~Completion of the California State University (CSU) GE Breadth (Plan B) or the University of California (UC) intersegmental general education transfer curriculum IGETC (Plan C)~~ **Lower-division general education coursework patterns (37-41 semester units). Students may satisfy this requirement through one of the following:**
  - a. **Completion of the California State University General Education (CSU-GE) Breadth pattern (Plan B).**
  - b. **Completion of the Intersegmental General Education Transfer Curriculum (IGETC) pattern (Plan C).**
  - c. **Completion of a bachelor's degree from an institution accredited by a nationally recognized accrediting agency.**

~~Previously completed~~ **Lower-division general education courses completed at other institutions accredited by a nationally recognized accrediting agency will be evaluated for counting toward the lower-division general education requirement** according to CSU-GE or IGETC certification guidelines.

Students enrolled in the **MiraCosta College** baccalaureate program who have not completed the **lower-division general education requirement** ~~the CSU-GE or IGETC pattern~~ must complete any remaining CSU-GE or IGETC Areas.

4. Nine (9) **semester** units of upper-division general education courses.
  5. ~~Satisfy competency in reading, writing, and mathematics through the completion of the CSU-GE or IGETC general education patterns.~~
- B.** Complete a minimum of twelve (12) **semester** units in residence **within the MiraCosta Community College District.**
- C.** Maintain **a minimum cumulative** ~~an overall 2.0~~ grade point average of 2.0 (**GPA**); courses completed with a "P" may be used toward meeting baccalaureate degree requirements. Courses completed with a C- from ~~U.S. regionally~~ **other institutions accredited colleges institutions by a nationally recognized accrediting agency** may be used to complete this requirement.

MiraCosta College shall offer an adult high school diploma, a noncredit certificate of competency, and a noncredit certificate of completion. Noncredit educational programs leading to a certificate shall be approved by the college curriculum committee and the district board of trustees. Program and graduation requirements shall be published in the college catalog and in other resources that are convenient for students.

The high school diploma may be awarded to students who have completed 160 credits, with at least 20 credits in residence, or 6 college credit units at MiraCosta College, and who have demonstrated competence in reading, writing, and mathematics at a level generally accepted as appropriate for awarding a high school diploma. Students must also complete all content area standards and other adult high school diploma requirements set forth in California Code of Regulations, title 5, section 55154.

Noncredit certificate-of-competency programs shall be designed to articulate with degree-applicable coursework, completion of an associate degree, or transfer to a baccalaureate institution. Students may be awarded a noncredit certificate of competency upon successful completion of at least two noncredit courses in a prescribed pathway that has been approved by the Chancellor's Office. The awarding of a noncredit certificate of competency confirms that a student enrolled in a noncredit educational program of noncredit courses has demonstrated achievement of a set of competencies that prepares the student to progress in an academic career path of degree-applicable credit courses.

Noncredit certificate of completion programs shall be designed to lead to improved employability or job opportunities. Students may be awarded a noncredit certificate of completion upon successful completion of at least two noncredit courses in a prescribed pathway that has been approved by the Chancellor's Office. The awarding of a certificate of completion confirms that a student has completed a noncredit educational program of noncredit courses that prepares the student for improved employability or job opportunities.

The superintendent/president shall establish procedures to determine noncredit educational program requirements that include appropriate involvement of the college curriculum committee.

See Administrative Procedure 4100C.

## Adult High School Diploma Requirements

The high school diploma may be awarded to students who have completed 160 credits with at least 20 credits in residence, or 6 college credit units at MiraCosta College and who have demonstrated competence in reading, writing, and mathematics at a level generally accepted as appropriate for award of a high school diploma.

The required 160 credits of high school level coursework must include the indicated minimum number of high school credits in each of the following areas:

- A. English (30 credits)
- B. Natural sciences, including biological and physical sciences (20 credits)
- C. Mathematics (~~30~~20 credits)
- D. Social and behavioral sciences (30 credits)
- E. Humanities (10 credits)
- E-F. Electives (50 credits)

Competence in reading, writing, and mathematics must be demonstrated as follows:

- ~~i. English (reading and writing) competency must be demonstrated by completing HSENG 16 and HSENG 25 or the equivalent with a “C” or better.~~
- ~~ii. Math competency must be demonstrated by completing HSMTH 21, HSMTH 30, or the equivalent with a “C” or better.~~
  - i. English:
    - 1. The California Code of Regulations, title 5, section 55154 requires students to demonstrate proficiency in reading and writing through the completion of coursework at a level generally accepted as appropriate for award of a high school diploma.
    - 2. Students may demonstrate reading and writing proficiency through the successful completion of a local English course(s); an equivalent graduation-level English course from another high school; or a college-level English course.
  - ii. Math:
    - 1. The California Code of Regulations, title 5, section 55154 requires students to demonstrate proficiency in the operations of mathematics as well as its practical applications through the completion of coursework at a level generally accepted as appropriate for award of a high school diploma.
    - 2. Students may demonstrate mathematics proficiency through the successful completion of local math course(s); an equivalent graduation-level math course from another high school; or a college-level math course.

**Noncredit Certificate Requirements**

- A. Noncredit certificate of competency: To obtain a noncredit certificate of competency, students must complete at least two noncredit courses in a prescribed pathway with a “D,” “P,” or better in each course. The awarding of a noncredit certificate of competency recognizes achievement of a set of competencies that prepares the student to progress in an academic career path of degree-applicable credit courses.
- B. Noncredit certificate of completion: To obtain a noncredit certificate of completion, students must complete at least two noncredit courses in a prescribed pathway with a “D,” “P,” or better in each course. The awarding of a noncredit certificate of completion recognizes completion of a noncredit educational program that prepares the student for improved employability or job opportunities.
