

The Board of Trustees is committed to a safe and secure district work and learning environment. To that end, the superintendent/president shall establish a campus safety plan and ensure that it is posted or otherwise made available to students and staff. The campus safety plan shall include availability and location of police personnel, methods for summoning assistance of police personnel, locations of emergency call boxes to summon police personnel, and any special safeguards that have been established (e.g. student escort services, self-defense training for students).

In the event of an emergency, students and staff will be notified by email, text, and/or telephone. If a crime has been committed and the threat is continuing, timely warnings will be sent to the campus community.
