

The district shall include in its annual security report (Clery Act) a statement advising the campus community where information pertaining to registered sex offenders may be obtained. Sex offenders are required to register with the police in the jurisdiction in which they reside and at institutions of higher learning if they are students there or if they work there as employees, contractors, or volunteers. A sex offender who is a prospective employee or volunteer in the district must disclose their status as a registrant upon their application or acceptance of the position if they (1) would be working directly and in an unaccompanied setting with minor children on more than an incidental and occasional basis or have supervision or disciplinary power over minor children, or (2) would be working directly and in an accompanied setting with minor children and their work would require touching minor children on more than an incidental basis.

A sex offender who must register for committing a crime against a minor victim under the age of 16 is prohibited from serving as an employer, employee, contractor, or volunteer in any capacity for the district in which the sex offender would be working directly and in an unaccompanied setting with minor children or involving having supervision or disciplinary power over minor children.

Sex offenders who are required to register shall do so at the MiraCosta College Police (Oceanside Campus—One Barnard Dr Oceanside; San Elijo Campus—3333 Manchester Avenue, Cardiff; Community Learning Center—1931 Mission Avenue Oceanside).

Information concerning registered sex offenders can be obtained from the San Diego Sheriff's Web site; <http://www.sdsheiff.net>.

The MiraCosta Police Department shall not release information regarding a sex offender, unless the person seeking the information has signed a statement, on a form provided by the Department of Justice, stating that they are not a registered sex offender, that they understand the purpose of the release of information is to allow members of the campus community to protect themselves and their children from sex offenders, and that they understands it is unlawful to use the information received to commit a crime against any registered sex offender or to engage in illegal discrimination or harassment of a registered sex offender. The department will maintain the signed statement in its records for a period of five years.
