MiraCosta is committed to a proactive approach to helping our students succeed while maintaining a safe environment for the entire campus community.

In order for students to be successful, our goal is to help them be:

- **Directed:** have a goal and know how to achieve it
- **Focused:** stay on track to reach their academic goals
- **Nurtured:** we are here to help by providing tools and resources
- **Engaged:** by actively participating in class and co-curricular activities
- **Connected:** become part of the college community
- **Valued:** skills, talents, abilities, and experiences are recognized and positive contributions to this learning environment are appreciated

Additionally, a MiraCosta College Student Success email is sent to all students. The email includes important deadlines and activities for that week.

The following pages provide some information on student support services that can help students be successful at MiraCosta.

Service Learning & Volunteer Center (Center for Course-Connected & Co-Curricular Services)

The Service Learning & Volunteer Center, assists students in finding community and campus partnerships for course-connected and co-curricular service projects. The center partners with local non-profits, public schools, parks and recreation centers, libraries, etc. Service opportunities can be done in person and online. Students who participate in service tend to have higher course satisfaction, higher retention rate, and higher GPA. Students have reported that service experiences have led to job and internship opportunities. The center also coordinates annual campus-wide days of service such as Dr. King Day of Service, Make a Difference Day, Cesar Chavez Day of Service, Read Across America, and Alternative Spring Break.

Students use these experiences to explore career paths, increase social and cultural capital, and increase awareness of the community resources. Many students apply service hours on their resume, when they apply for scholarships or UC transfer applications. Students can earn a certificates of participation for both service learning (15 hours for one course at one location) or volunteer hours (50+ hours during the school year). A Certificate of Proficiency in Volunteerism is available, see the course catalog under Sociology for more information or contact the center.

Student Equity

The Department of Student Equity advocates for communities that the collegiate system was not originally designed to serve or that have not historically been centered. We work to create and support new and existing resources that cultivate inclusion, diversity, and equity at MiraCosta by fostering student leadership, collaborating with campus partners, and raising awareness of the unique experiences of the diverse populations we serve.

The department provides leadership and coordination for Academic Success & Equity Programs (ASE), the Social Justice and Equity Center (SJEC), History and Heritage programming and much more. The SJEC is a student-driven space where all students can learn about social justice and equity topics in interactive workshops, get resources like snacks, and supplies, and practice advocacy and dialogue skills.

Academic Success and Equity (ASE) Programs intentionally center communities that have been historically marginalized in traditional higher education settings: students who are Black & African-American (Umoja), Latinx & Chicanx (PUENTE), Native Hawaiian & Pacific Islander (Mana), Undocumented or mix status, (UPRISE), former foster youth (RAFFY), formally incarcerated, justice/system-impacted (Transitions Scholars) and Lesbian, Gay, Bisexual, Trans, Questioning/Queer, Intersex, Asexual + (SPHERE) students.

CO-CURRICULAR SERVICES

Student Life & Leadership (SLL)

[Student Life & Leadership](#) (SLL) welcomes all students and empowers them to build community and enjoy their Spartan Experience. SLL connects students with clubs, advocacy work, and advances their leadership skills. SLL offers students the opportunity to track their involvement across campus with their Co-Curricular Learning Transcript, which they can refer to in their transfer applications and job interviews as they learn and grow their leadership skills.

SLL supports more than 35 student [clubs and organizations](#)! Some of our most active clubs include the [Black Student Union \(BSU\)](#), [Latina Leadership Network \(LLN\)](#), the [Gender Sexuality Alliance \(GSA\)](#), and [Movimiento Estudiantil Chicanx de Aztlán \(M.E.Ch.A.\)](#). Our notable organizations include [Phi Theta Kappa Honors Society \(PTK\)](#), [Chariot News Media](#), and the [Associated Student Government \(ASG\)](#).

The ASG is a group of student leaders who represent students across the district and drive equity-focused goals forward through hosting College Hour events and through [ASG committee](#) work, such as the Diversity, Equity & Inclusion committee, to strive for progress across campus to best support our community.

We are also here to celebrate your success! SLL leads the Commencement team who plans graduations celebrations, including Grad Fest, leads the Commencement Speaker & Commencement Poet selection committee, and plans the big commencement event each May.
