3 Saturdays, 4/4–4/18, 11 a.m.–2 p.m.

Pattern Making & Sewing

Make your perfect fitting patterns for bodice, sleeves, skirt and pants! Everyone needs a personal master block (tested master pattern) to use in order to make well fitted garments. This class will teach how to take measurements, input it on the patterns, make the test garments and produce the final perfect fitting master blocks to use for all future garment design. Enjoy learning how to design to showcase your unique beautiful body shape, measure, draft, mark, cut, sew by hand and machine, press and care of fabric and style. The instructor will do demonstrations from 9 a.m.–12 p.m., followed by a short lunch break, then hands-on lab until 2 p.m.

Supplies: MiraCosta College does not provide sewing machines. Bring a sack lunch. A supplies list will be sent prior to the start of class.

Instructor: Angela Fesi-Pouliot

Fee: \$80

Oceanside Campus, Room 4529

4 Saturdays, 1/31–2/28, 9 a.m.–2 p.m.

Class will not be held on 2/14.

Sewing—Knits & Woven Fabrics

Knits and woven fabrics that provide comfort and good fit are easy to sew, easy to wear, and easy to care for. Knits are available in every weight, texture, color and fiber, and vary in stretchability. This class will teach how to determine the amount of stretch in a knit before you select your pattern, the application of the design and the construction techniques to be used. Techniques will include personal pattern selection and preparation, cutting, marking, sewing by hand, sewing with a regular sewing machine and using a 4-thread serger. The instructor will do demonstrations from 9 a.m.–12 p.m., followed by a short lunch break, then hands-on lab until 2 p.m.

Supplies: MiraCosta College does not provide sewing machines. Bring a sack lunch. A supplies list will be sent prior to the start of class.

Instructor: Angela Fesi-Pouliot

Fee: \$80

Oceanside Campus, Room 4529

4 Saturdays, 4/18–5/9, 9 a.m.–2 p.m.

Draping, Drafting, Fitting & Sewing for Garments Design

Methods and principles in fabric draping, pattern drafting, cutting, and sewing. The designer-student will learn how to take a flat piece of fabric and make it fit the curves of the body, transfer the finished drape to a final pattern and sew the test garment. The art of fashion draping is the manipulation of fabric on a three-dimensional form by a designer to obtain perfect fit and harmony between the fabric and design of the garment with the silhouette of the individual. The use of the actual materials allows more inspiration and indicates the flow and performance of a fabric. A designer can easily see the proportion balance and style lines of a design as it will look on the body or dress form, and to do the correction and improvements as needed. The instructor will do demonstrations from 9 a.m.–12 p.m., followed by a short lunch break, then hands-on lab until 2 p.m.

Supplies: MiraCosta College does not provide sewing machines. Bring a sack lunch. A supplies list will be sent prior to the start of class.

Watercolor— An Elemental Approach

All experience levels welcome, especially the enthusiastic amateur!

Do you find inspiration in representational subjects (trees, rocks, water, sky, people, animals, buildings, flowers, shadows, colors, etc.) but are confused on how to paint them? Learn an elemental approach to artfully depict representational subjects in watercolor. Developing control of shape, color, value and texture in watercolor media is what this course is all about. Establish effective working procedures, mix and match colors you see (or want to see), master three textures, explore four methods of paint to paper, attend to three attributes of effective shapes, then apply these design, drawing and technical tips to your own creative watercolor interpretations of any subjects.

Supplies: A \$3 material fee will be collected in class. A materials list will be sent prior to the start of class.

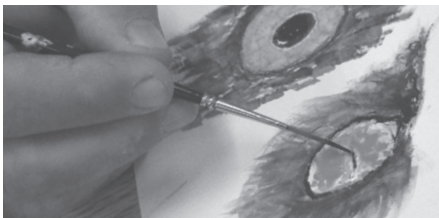

Instructor: Drew Bandish

Fee: \$105

San Elijo Campus, Room 406

7 Saturdays, 3/28–5/16, 9 a.m.–12:30 p.m.

ARTS—PHOTOGRAPHY

Travel Photography

Basic camera knowledge is needed. We suggest taking the beginning digital photography workshop first.

Are you going on a trip and want to come back with photos that will “wow” friends and family? Are you still centering everything and want to improve composition to enhance your images? Through photographic examples, learn how to better compose your images with simple guidelines illustrated during class. This course will also demonstrate how to better use some of your camera’s simple features and devices that permit improving exposures. There will be a practice field trip and full critique session to guide you in making your “snapshots” better photographs.

Supplies: A \$7 material fee will be collected in each workshop. Please bring your camera and manual to class (make sure your battery is charged and you have a memory card in your camera).

Instructor: Annie Lemoux

Fee: \$85

San Elijo Campus, Room 108

2 Tuesdays, 3/3 & 3/10, 6–9 p.m.

Note: There is a field trip to Balboa Park on 3/7, from 10 a.m.–1 p.m. Please meet the instructor in front of the San Diego Museum of Art.

Beginning Digital SLR Photography

Did you buy a new digital SLR (single lens reflex) camera because you are going to travel or you want to capture family and friends in action? Feel as though your camera manual reads like a phone book so you only use the auto mode? Learn how to locate all the bells and whistles, understand their functions and get better results with the quality of your photos, including range of sharpness and exposure control. Understand the photo “lingo” and its practical applications to take great pictures.

Supplies: A \$7 material fee will be collected in class. Please bring your camera and manual to class (make sure your battery is charged and you have a memory card in your camera).

Instructor: Annie Lemoux

Fee: \$70

San Elijo Campus, Room 108

2 Tuesdays, 2/3–2/10, 6–9 p.m.

Digital SLR Photography Series

This introductory digital SLR photography series can be taken as individual courses for \$39, or together for only \$85!

The photography topics are interrelated and affect one another, so we recommend you take all three (Getting Started with dSLR, Aperture & Shutter Speed, and Perfect Photographs Made Easy) to get a complete understanding of the camera and picture taking.

Getting Started with your dSLR

In this workshop, you will learn how to set up your camera to optimize the quality of your photographs right off the bat. We will cover the all-important topics of white balance and ISO to be able to shoot under difficult conditions. And of course, learn about all of the little icons on your shooting dial. You'll be able to take pictures right away!

Supplies: A \$3 material fee will be collected in class. Please bring your camera and manual to class.

Instructor: Terry Matsuoka

Fee: \$39

San Elijo Campus, Room 306

1 Wednesday, 4/15 6:30–8:30 p.m.

“The instructor was knowledgeable, cordial and informative.”

Aperture & Shutter Speed

Even if you didn't realize it, this is probably why you bought your dSLR in the first place! These concepts can be daunting to understand on your own. But once you master these aspects of photography, it's what's going to separate your pictures from the rest. We will also take a look at some of the pictures you took after your first session for constructive commentary. After this class, you'll be able to practice depth of field and capture motion and time.

Supplies: A \$3 material fee will be collected in class. Please bring your camera and manual to class.

Instructor: Terry Matsuoka

Fee: \$39

San Elijo Campus, Room 306

1 Wednesday, 4/22, 6:30–8:30 p.m.

Perfect Photographs Made Easy

To get great pictures, we will cover compositional strategies and basic lighting. These two topics will improve your photographs tenfold, no matter what camera you use. To make getting that perfect shot easy, we will cover these tools in your camera: lens focal length, exposure compensation, bracketing, autofocus points, and flash. You will be surprised how being so advanced can be so easy!

Supplies: A \$3 material fee will be collected in class. Please bring your camera and manual to class.

Instructor: Terry Matsuoka

Fee: \$39

San Elijo Campus, Room 306

1 Wednesday, 4/29, 6:30–8:30 p.m.

Become a Notary Public the Smart Way—In One Day!

Learn new 2014 laws!

Establish yourself as a notary public, earn additional income and provide a service to your community. Successful notaries provide a valuable service to their company, friends, and private clients. Our intensive six-hour seminar is designed to equip you with everything you need to know to become a safe and effective notary public. You will find out about new legislation as well as how to pass the new test (must be taken every four years), identify document signers, keep a journal, fill out certificates and avoid lawsuits. Must be at least 18 years old and have a clean record.

Note: The cost of the class includes the notary public exam (see box for information regarding the notary test).

Supplies: A \$30 material fee will be collected in class. See box at right.

Instructor: Notary Public Seminars, Inc.

Fee: \$85

Offered at two locations for your convenience:

Oceanside Campus, Room 3205

1 Saturday, 2/28, 8 a.m.–6 p.m.

or

San Elijo Campus, Room 303

1 Saturday, 4/25, 8 a.m.–6 p.m.

Note: Due to state regulations, no one will be admitted to the classroom after 8:30 a.m. In addition, you must be on time when returning to the classroom from a break.

Renewing Notaries

Three-hour, state-required seminar

As of January 2009, renewing notaries may take a three-hour approved notary refresher for information they are required to know to continue as a notary. Learn the new 2014 laws. You must take the notary public exam and be fingerprinted again. A six-hour approved course must be taken first.

Note: The cost of the class includes the notary public exam (see box for information regarding the notary test).

Supplies: A \$30 material fee will be collected in class.

Fee: \$50

Offered at two locations for your convenience:

Oceanside Campus, Room 3205

1 Saturday, 2/28, 12:45–4 p.m.

or

San Elijo Campus, Room 303

1 Saturday, 4/25, 12:45–4 p.m.

Notary Testing

For those students who need just the notary exam. Either preregister with MiraCosta College Community Services, or pay at the door. A six-hour approved course must be completed before you are eligible to take the notary exam (see box for information regarding the notary test).

Fee: \$25

Offered at two locations for your convenience:

Oceanside Campus, Room 3205

1 Saturday, 2/28, 3:45–5:45 p.m.

or

San Elijo Campus, Room 303

1 Saturday, 4/25, 3:45–5:45 p.m.

For regular notary, renewing notary, and those taking just the test,

Cooperative Personnel Service will register you for the exam from 3:45 to 4:45 p.m. The exam will be from 4:45 to 5:45 p.m. If you are taking the exam, you will need the following: \$40 check made payable to "Secretary of State," current CA driver's license with photo or state-issued ID card, a 2" x 2" color photo of yourself, and two #2 pencils. If you took your notary class online, you MUST have your certificate of completion with you. Fingerprints are required after you pass the exam.

Become a Certified Loan-Signing Agent

No matter how slow the market is, loan-signing agents are still needed! No need to be a commissioned notary or have the results of your exam in order to take this course. You must, however, have taken a notary class in order to enroll in this workshop. Find out how to contact the most profitable businesses and who your primary contact should be; get signed up with successful signing services/agencies and build your own business. We take you through a practice loan package where you'll learn how to properly notarize loan packages. Additionally, you will learn how to negotiate your fee and advertise yourself in your market, get called back and brand yourself as a professional. No tests are needed or given to become a loan-signing agent.

Supplies: A \$35 material fee and a \$20 certificate fee will be collected in class.

Instructor: Notary Public Seminars, Inc.

Fee: \$100

Step into a new career with our Career & Work Skills Training Programs

If you need to find a job quickly, redirect your career, or upgrade your professional skills, turn to MiraCosta College Community Services & Business Development. We do it better, faster, and for a fraction of the cost you would spend at a private college!

Many of our programs have been approved for alternate sources of funding, such as WIA funds, MyCAA for military spouses and GI Bill funding. In addition, we are in the process of obtaining additional work skills course approvals for WIA and GI Bill funding.

The following programs will not be offered this spring. If you would like to be contacted for future session dates, please contact us at 760.795.6820.

- Alcohol & Drug Counselor Training
- Casino Dealer
- Facility Management
- Optical Assistant
- Real Estate Appraisal

Most of our work skills programs provide opportunities to work with the instructors or career counselors on resumes, interview skills, and job placement. Upon completion of each course, students will receive a Certificate of Accomplishment from MiraCosta College.

Certified AT/FP Specialist (CAPS)

This course is a comprehensive program designed for individuals who wish to become armed protection officers. This intensive program is 127 hours of classroom and field instruction. Students will receive all course work for a California guard card, American Heart Association CPR/AED and First Aid cards, and a baton permit. In addition, certain students will qualify for a concealed weapon permit from the states of Florida and Utah (you will not be able to carry a concealed weapon in CA). Students also will receive four days of specialized training for those wishing to break into the protection business domestically or internationally. This will allow the participant the greatest opportunity to be employed in high-paying security and protection careers.

Topics covered in this course include:

- 16 hours of mandatory guard card courses
- Over 16 hours of elective course work (required within six months of receiving a guard card)
- Exposed firearms and CCW instruction
- 32 hours of anti-terrorism/force protection training
- Resume building and interview advice

Upon completion of this course, students will receive the permits and licenses mentioned above, as well as a Certificate of Accomplishment from MiraCosta College.

Fee: \$2,650. WIA and GI Bill funding approved.

Location: MiraCosta College, Oceanside Campus

Class Dates: 15 consecutive days, 1/7–1/21 or 5/6–5/20, 9 a.m.–5 p.m.

Visit htpscource.com or call 760.795.6822 for details about how to apply.

Executive Protection

The executive protection business in the U.S. is on the rise due to economic downturn, terrorism on U.S. soil, information security exploitation, and other factors. Between 2006 and 2010, security budgets for high profile CEOs grew by over 30% according to executive compensation research firm Equilar. This executive protection course is the ideal starting point for those wishing to break into the protection business, those transitioning from military or law enforcement, or for high-threat protection specialists/WPS/PSD who want to add corporate and celebrity protection to their existing knowledge and skill sets.

Topics covered in this course include:

- Nuances of celebrity protection
- Estate/residential protection
- Corporate security protocols
- Handgun skills for corporate security professionals
- Motorcade procedures
- Stalker investigations
- The specifics of special event security
- International travel

Upon completion of this course, students will receive a Certificate of Accomplishment from MiraCosta College and a letter of competency from Secfor International.

Fee: \$3,150. WIA and GI Bill funding approval.

Class Dates: 8 consecutive days, 1/23–1/30 or 3/13–3/20 or 5/22–5/29

8+ hours a day.

Visit htpscource.com or call 760.795.6822 for details about how to apply.

High-Risk First Responder

Whether you are working in the U.S. or abroad, well-rounded medical training can be the difference between life and death. Many do not have the time to attend lengthy EMT or paramedic courses. This intensive six-day course gives students the most important skills that military medics, EMT, paramedics and remote medical practitioners use to provide emergency care in a variety of environments. This course focuses on serious wounds caused by gunshots, blasts, vehicle accidents, medical emergencies, and other life-threatening injuries that may be encountered in a military, law enforcement or high-risk security environment. Advanced labs are available for students who already have TCC Provider certification and CPR/AED for Professional Rescuers certification. No prior medical training is required.

Topics covered include:

- Stopping severe bleeding
- Emergency cricothyrotomy
- Needle decompression
- Medical emergencies & medications
- Advanced tactical emergency casualty care
- Basic and advanced airways
- Wound packing
- Motor vehicle accidents
- Remote medical care
- Emergency and nonemergency patient moves

Upon completion of this course, students will receive a Certificate of Accomplishment from MiraCosta College, a CPR/AED for Professional Rescuers certification and Tactical Combat Casualty Care (TCCC) Provider certification.

Fee: \$1,950. WIA and GI Bill funding approved.

Class Dates: 6 consecutive days, 2/1–2/6 or 3/22–3/27 or 5/31–6/5

8+ hours a day.

Visit [htpscource.com](https://course.com) or call 760.795.6822 for details about how to apply.

High-Threat Protection Specialist

This course bridges the gap between conventional domestic protective operations and war-zone PSD work. This 19-day program will provide the training, knowledge, and skill sets to be a proficient protective team leader/member in all threat areas by focusing on one of the most challenging protective environments, the high-threat low-profile area of operations.

Protecting a journalist in Beirut, a business executive in Mexico, or a humanitarian visiting a dangerous region in Africa, are all examples of high-threat low-profile environments you may find yourself assigned to. As an American citizen working a private protective detail on foreign soil, you may be working alone or in a very small team, generally will not be allowed to carry firearms, and will have to arrange all of your own local resources. These limitations highlight the need for a high level of training in specific skill sets.

This unique program was designed by industry professionals who have drawn from their vast experiences in the field. Upon completion of this course, students will receive a Certificate of Accomplishment from MiraCosta College.

Topics covered include:

- Handgun shooting
- Live fire, immediate action drills
- Four full-protective details
- Combatives for protective specialists
- Driver & live fire vehicle down drills
- Foreign weapons live fire
- Unlawful detention
- Vehicle tactics, reverse clinic, unlawful check point procedures
- Site, route, threat and risk assessment
- Recruitment assistance

Fee: \$6,875. WIA (partial) and GI Bill funding approved.

Class Dates: 19 consecutive days, 2/8–2/26 or 3/29–4/16 or 6/7–6/25
8+ hours a day.

Visit [htpscource.com](https://course.com) or call 760.795.6822 for details about how to apply.

NEW Engineering Technician

Engineering technology, or mechatronics, integrates theories and application in mechanical, electrical and electronic systems, fluid power, robotics, and computer software. All topics covered during lecture are explored significantly more in-depth during the lab portion of each class. The wide range of test equipment utilized in the lab gives students an opportunity to train with equipment they can expect to find in the workplace. Our program is designed around the changing skills and training demanded by area manufacturers. Students learn how to not only use the equipment, but to repair, troubleshoot, and install systems. Students who attend will experience an accelerated program designed to quickly prepare them to meet the skill sets that will qualify graduates to move right into entry level positions with local manufacturing facilities.

Fee: \$5,500. Submitted for WIA and GI Bill funding. Call to check status

Location: Technology Career Institute, 2075 Las Palmas Dr., Carlsbad

Class Dates: Monday–Friday, 3/30–7/2 (no class 5/25), 9 a.m.–5 p.m.

Note: Math, writing, and reading comprehension assessments will be given at the conclusion of the information session.

Facility Technician

Students enrolled in this program will gain instruction in the maintenance and repair of systems, components, and processes commonly found in industrial manufacturing, office buildings, schools, hotels and resorts, hospitals and apartment complexes. This 136-hour program will provide a combination of classroom and field instruction, as well as preparation to sit for several professionally recognized certifications that can lead to employment and career growth in the facility maintenance field.

Topics include:

- Maintenance principles
- Plan reading and interpretation
- Mechanics and mechanical principles
- Fundamentals of electricity
- Electrical systems
- Programmable logic controllers and programming basics
- Boiler systems and system maintenance

Plus information on professional organizations and certifications. We will provide assistance and direction for job search and work readiness, and upon successful completion of the course, graduates will receive a Certificate of Accomplishment.

Information & Communications Technologies

NEW Certified Ethical Hacking Training

This class will immerse the students into an interactive environment where they will be shown how to scan, test, hack and secure their own systems. The lab intensive environment gives each student in-depth knowledge and practical experience with the current essential security systems. Students will begin by understanding how

perimeter defenses work and then be led into scanning and attacking their own networks—no real network is harmed. Students then learn how intruders escalate privileges and what steps can be taken to secure a system. Students will also learn about intrusion detection, policy creation, social engineering, DDoS attacks, buffer overflows and virus creation. When a student leaves this intensive class, they will have hands-on understanding and experience in ethical hacking.

Fee: \$4,950. Submitted for WIA and GI Bill funding. Call to check status.

Information & Communications Technologies

Cloud Technology Certification Training

The cloud computing model offers the promise of massive cost savings combined with increased IT agility. It is a model for enabling convenient, on-demand network access to a shared pool of configurable computing resources (i.e.: networks, servers, storage, applications, and services) that can be provisioned rapidly and released with minimal management effort or service provider interaction. Unfortunately, most companies have neither the in-house skills to transition to the Cloud nor the ability to hire certified cloud specialists. Why? Because there are simply not enough people skilled in cloud technology to hire.

This program is 224 hours of classroom instruction. Students work toward an accreditation in Cloud Essentials, Cloud Visualization, Cloud Master Level 1 and Cloud Guru. Upon successful completion of the course, graduates also will receive a Certificate of Accomplishment from MiraCosta College.

Fee: \$4,575. WIA funding approved. Submitted for GI Bill funding. Call to check status.

Manufacturing Machinist Technology— Training Program

Gone are the days of the grease covered, conventional manufacturing machinist. Today's machinist must be highly trained with very specific education and skills, working in high-tech manufacturing plants that are both clean and innovative. CNC machines, just-in-time production methods, lean manufacturing techniques, along with great housekeeping and state-of-the-art facilities give a more accurate picture of American manufacturing today. The need for properly trained machinists to fill hundreds of positions in North San Diego County has reached critical mass.

To meet this need, we are proud to offer this program to individuals seeking a fast-paced, high-level training. Our program will prepare students for employment in machine shops and manufacturing facilities. Students who attend will experience an accelerated program that quickly prepares them to meet trade skill sets such as shop mathematics, metal properties, layout, precision measuring, machining procedures, tooling, and a basic understanding of both manual and CNC machining. Salaries for machinist technician apprentices range from \$13–\$16/hour to start; however, many companies are hiring at \$15–\$18/hour with proper training and certifications provided by programs such as ours.

Fee: \$5,000. WIA and GI Bill funding approved.

NEW Lean Six Sigma Workshop

This comprehensive workshop will provide you with tools and techniques to identify non-value activities, streamline operations and administrative activities, and reduce costs while improving focus on your customers! Specific examples of real life implementation, videos, and fun activities will enhance the learning of the LSS tools and techniques. The workshop is limited to encourage participation and problem solving.

Topics include:

- Overview of Lean Six Sigma (LSS)
- Value stream mapping
- Value & Non-Value Analysis
- Constraint identification
- Kaizen targets and methods
- Visual and 5S review
- Six Sigma analysis
- Team selection and motivation for change

Class Dates: 6 Tuesdays, 3/24–4/28, 6–9 p.m.

NEW Personal Care Assistant

Personal Care Assistants (PCAs), also known as caregivers, give assistance to primarily elderly clients who are ill, injured, mentally or physically disabled, or those who need extra non-medical assistance to be able to stay in their home. They work in the home, or in assisted/independent living facilities. PCAs often help their clients with activities of daily living: ambulating, feeding, bathing, grooming, toileting, as well as shopping, and light housekeeping. In addition, PCAs may provide or arrange transportation, prepare and serve meals, and provide companionship for their clients. This course will provide quality instruction to ensure the student knows their basic caregiving skills, required responsibilities, expectations and professional/legal boundaries. The student will be introduced to other potential careers in the health care field. Currently, California does not have any state requirements for this position. Students successfully meeting the requirements of this course will receive a Certificate of Accomplishment. For more information, come to our FREE information session!

Phlebotomy Technician

Health care professionals are needed because of the increased population, increased life expectancy, and aging baby boomers. This means that there tends to be steady employment, no matter where you are located. Our program prepares students to be professional phlebotomy technicians dedicated to the art of blood withdrawal. Graduates are equipped to prepare the patient, perform venipuncture, and assist to maintain the quality of the specimen. We prepare competent, entry-level phlebotomy technicians in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains.

- Anatomy and physiology
- Medical terminology
- Infection control methods
- Skin puncture principles, procedures, and equipment.
- Blood collection equipment
- Venipuncture procedures and equipment
- Patient identification
- Safety
- Professionalism, legal issues and ethics
- Coagulation
- Risk Factors and complications
- Testing and quality assurance
- Communication.

Leadership Academy

Introduction to Leadership: An Introductory Course for Supervisors—Becoming Effective Leaders

This four-week course covers the basic fundamentals of leadership, preparing emerging leaders in adopting a new role as employee-focused leaders. The program covers the latest tools on employee motivation, empowerment, and communication to achieve a solid relationship of collaboration, trust, and commitment between supervisor and employee. In-class activities will allow for hands-on experience on lessons learned during the course. Attendees will gain skill sets that will improve workplace communication, allowing employees to show more positive engagement, deeper commitment, and a stronger dedication to their jobs.

- Employee motivation: Discover what drives employees, the key to effectively motivating and encouraging employees to achieve higher levels of performance. Inspire creativity in the hearts and minds of everyone in the team.
- Leadership styles and employee assessments: Understand the different types of employees, what motivates them, and how to best supervise these individuals. Recognize the different personality types and how to best match a person with a job or situation.
- Delegation and empowerment: Learn hands-on techniques to effectively delegate and empower employees to achieve high levels of employee commitment. Supervisors also will learn the advantages when delegating appropriately and the links between motivation and empowerment.
- Communication: Master communication skills and practice active listening. Receive tools to prevent employee confrontations and diffuse conflicts. Practice how to communicate effectively and what to say (and avoid saying) when communicating in the workplace.

Instructor: Joseph Molina

Fee: \$60/class or \$200 for all four sessions.

Location: MiraCosta College, Oceanside Campus, Room 3606

Class Dates: 4 Thursdays, 2/12–3/5, 6:30–8:30pm

NEW Introduction to Solar PV Installation

FREE

NABCEP Certificate of Knowledge Test Preparation

This course helps students pass the North American Board of Certified Energy Practitioners (NABCEP) Entry Level Solar Installer Exam. NABCEP is a nationally recognized certifying agency for solar installers. The Entry Level Certificate can be used to get a job with a local solar installation company, as it demonstrates that s/he has achieved a basic knowledge of the fundamental principles of the application, design, installation and operation of solar photovoltaic (PV) and solar heating systems. While the focus of this program is on the academic knowledge needed to pass the exam, more than half of the hours will be used for practical hands-on experience. The class will jointly build a working solar system using common PV components and electrical parts and tools. The class will integrate theory, laws and regulations with practical applications. Topics include system sizing and design exercises, basic electronics, basic electrical wiring, safety, and a discussion about the viability of solar and other alternative energy systems.

Fee: **FREE THIS SPRING!** Students must pre-register for this course.

Location: Landes Recreation Center, 2855 Cedar Road, Oceanside

Class Dates: 5 Saturdays, 1/24–2/28 (no class on 2/14), 9 a.m.–5 p.m.

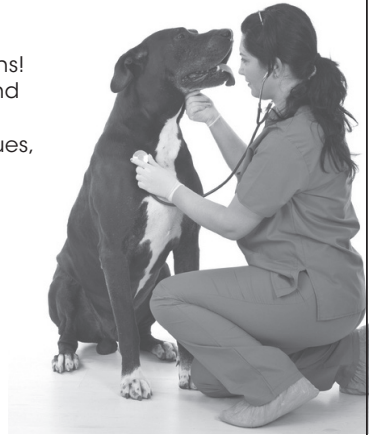

NABCEP TESTING: If students would like to take the NABCEP test at the conclusion of the course, there is an additional date and cost associated. Come to the free information session for details!

Internship: The program will include a recommended 80 internship hours at the conclusion of the training.

CHILDREN & TEENS

Natural A's (Ages 10-17)

Any student can significantly enhance grades, self-confidence, and chances for scholarships by performing academic skills in alignment with the brain's natural patterns. This makes note taking, reading, studying, memorizing, and test taking amazingly easy. Discover simple methods for understanding math, optimizing focus, and preventing test anxiety. Students of all ages describe this class as "awesome," "necessary," and "easy to understand."

Note: Parents are encouraged to register and participate with their children.

Supplies: A \$30 material fee will be collected in class (parents do not need to pay material fee).

Instructor: Curtis Adney, J.D., graduated at the top of his college class with a 4.0 GPA.

Fee: \$55

San Elijo Campus, Room 307

NEW Reading, Writing, Listening & Speaking for Better Comprehension

Spark your passion for language and communication. In this interactive course, you will gain the ability to better understand and interpret reading materials, music and the spoken word. You will learn simple exercises for finding the true and hidden messages trapped in literature and conversations. You will also discover how to internalize what you read and hear, so that you can comprehend and recall important facts and messages. And finally, this course will develop within you a greater ability to communicate with others. This class is designed to equip students to communicate effectively and improve reading comprehension in preparation for beginning college.

Supplies: Bring one or more samples of literature or music. Literature can be a book, magazine, newspaper, or other printed material. Music must be in "pre-recorded" CD or DVD format. No burned discs, thumb drives, or other downloaded formats.

Instructor: Clayton Thibodeau

Class will not be held on 2/16.

Spanish Story & Conversation

This class allows you to do what most language classes do not; actually practice speaking the language so you improve your confidence, comprehension and communication skills. This safe environment is what students really need to gain the confidence to speak. You will get to see Spanish in action through the context of a simple story (this time it's a spy story set in Spain at the time of the Civil War) that will serve as our springboard to conversation and discussion. Students enjoy these classes while improving their Spanish in a practical, fun way. Appropriate for beginners with at least some basic Spanish and intermediate students. You will enjoy this practical and immersive class.

Supplies: A \$3 material fee will be collected in class. Please bring a notebook, folder, pen/pencil, highlighter, and purchase *Agentes secretos y el mural de Picasso* (ISBN: 978-0-9836958-0-2), prior to first class session. Book available at italianowithjodina.com/spanish-classes/

Instructor: Jodina Hahn Gallo

6 Thursdays, 1/29–3/5, 7–9 p.m.

How to Write a Novel

Have you wanted to write a book, but weren't sure where to start or how to finish? This class is for you! Whether you're writing for fun or profit, or you want to self-publish or send to editors, you need to know the fundamentals of novel writing. Through classroom discussion and exercises, bestselling and award-winning author HelenKay Dimon will guide participants through the writing process, including structure, plotting and characterization.

By the end of the class, you'll have an idea for a book, the beginning pages, and the tools to keep writing!

Supplies: Students should bring a laptop or notebook, and pen or pencil to class.

Instructor: HelenKay Dimon

Fee: \$75

San Elijo Campus, Room 303

4 Wednesdays, 4/1–4/22, 6–8 p.m.

Fun with Spanish!

This innovative class is open to all levels; including beginners and advanced beginners (A basic grounding or better in the language is recommended). We will prove that a picture really is worth a thousand words, and draw on pictures depicting scenes of life in Latin America to "tell the story." The aim of the class is to give students more confidence in using the language. The immersive-style class exposes students to Spanish in a variety of fun and interesting ways and gets students comfortable interacting with each other using the language. Students will improve their speaking, listening, and reading skills – from whatever level they are at. Come join us!

NEW Be Your Own Handyman

This course is packed with hands-on lessons that will teach you the basics of plumbing, electrical, wall patch, and tile repair. You will learn how to replace a toilet, install a sink and deal with those pesky leaks. You will also learn to switch out electrical outlets, light switches, and install smoke/carbon monoxide detectors. By the end of all 3 sessions, you will be patching and painting walls, replacing broken floor tiles and installing new tile around your kitchen window. Whether you are thinking of becoming a professional handyman or just want to save money by "doing it yourself," you will find what you need in these hands-on workshops: save time and big money completing your own home repairs.

Supplies: Please bring photos (optional) of existing problems or repair needs to class so instructor can tailor class content to the specific needs of attendees.

What Were You Born to Do?

You were born to make a unique contribution to humanity. Progressing toward this purpose brings joy and abundance. Straying from it causes stress and emptiness. To accomplish this mission, one of the 33 Natural Talents® is wired into your DNA. It is so subtle, you rarely notice it; yet so powerful, it is the source of your highest potential. Elvis, Oprah, and Einstein were all just "doin' what comes naturally." Expressing your natural talent relentlessly will magnetically attract all the desires of your heart.

Supplies: A \$30 material fee will be collected in class. Please bring a pen.

How to Maximize your Social Security Benefits & Secure Your Retirement

As you approach retirement, it is more important than ever to understand the role that Social Security benefits can and should play in your overall retirement income plan. Join us for an overview of:

- How Social Security benefits work for you and your spouse
- When and how to start receiving Social Security benefits
- Opportunities to increase your benefits throughout retirement

The Social Security information and tools found online can be helpful, but only if you know what to look for and what is actually relevant to you. Rather than spend hours researching and trying to make sense of confusing language and terms, we encourage you to participate in this three-hour seminar and learn how to navigate through it all with the help of an expert!

Rose Bowl Flea Market & L.A. Farmers Market

Guide: Sharon Gaitan

Sunday, March 8

Come with us to the world's most unusual flea market—the shopping place of the stars. Featuring over 2,500 vendors and 15,000 to 20,000 buyers every month, the Rose Bowl Flea Market is one of the most famous markets in the world, and is celebrating more than 40 years of continued success at the world-famous Rose Bowl in Pasadena. The assortment of different booths sell anything from vintage and high-end designer clothing to rare knickknacks and home furnishings. Many designers or sellers will also sometimes lower the price to half the amount they usually ask for at their regular store. The market has a carnival-like atmosphere, with people on stilts towering over shoppers and unicyclists weaving through the crowd. Live music greets customers as they make their way through the turnstile gateway. We have plenty of room in the coach luggage compartment to hold your purchases. We will finish our outing with a visit to the L.A. Farmer's Market. This farmer's market is more like an international gourmet bazaar with lots of fun boutiques thrown in. Grab a late no-host lunch. We will bring several large ice coolers on the bus so that your purchases of produce, cheese, and/or other perishables can stay fresh on the way home. We recommend you wear VERY comfortable walking shoes and bring a rolling cart that can lay flat.

Fee: \$60

Depart 8 a.m. Return 6:30 p.m.

Bus will pick up and drop off at MiraCosta College Oceanside Campus, Parking Lot-1A for ALL excursions.

Newsies at the Pantages Theatre

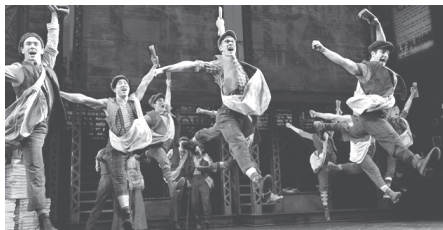

Guide: Paul & Linda Kurokawa

Sunday, April 19

NEWSIES is a high-energy explosion of song and dance of the smash-hit, crowd-pleasing new musical from Disney. Winner of the 2012 Tony Awards® for Best Score and Best Choreography, NEWSIES is filled with one heart-pounding number after another. Based on true events, NEWSIES tells the captivating story of a band of underdogs who become unlikely heroes when they stand up to the most powerful men in New York. It's a tale about fighting for what's right and staying true to who you are. NEWSIES was brought to the stage by an award-winning creative team. It features a score by Alan Menken (Beauty and the Beast) and Jack Feldman (The Lion King II: Simba's Pride) and a book by Harvey Fierstein (La Cage Aux Folles), with choreography by Christopher Gattelli (South Pacific) and direction by Jeff Calhoun (Big River). We will head to Hollywood & Highland Center so you can see some sights, shop and purchase snacks or lunch. The show is at 1 p.m. and it is two hours and 30 minutes (including intermission). Tickets are expected to sell out quickly, so purchase your tickets soon!

Fee: \$125 (includes transportation and tickets in the orchestra seats 211 to 214 and 311 to 314 center/side section)

Depart: 8:30 a.m. Return: 5:30 p.m.

Questions About Tipping?

Passengers often ask us if they should tip their driver and tour director. These customary gratuities are not included in the tour price, but highly encouraged (please do not tip guides Sharon Gaitan or Linda Kurokawa).

Much like a restaurant, tipping is recognized as an appreciation for a job well done and motivation to exceed your expectations.

Industry guideline for tipping is \$3-\$5 per person, per day; however, any amount is appreciated and should be related to how you were served by each individual.

Griffith Observatory

Includes lunch & tasting at San Antonio Winery

Saturday, February 21

This beloved Los Angeles landmark recently underwent a \$93 million renovation and expansion and is better than ever! Explore at your leisure the many magnificent astronomy exhibits with time to see a wonderful free film about the observatory's history and renovation renewal process. The observatory also offers a nice café and gift shop. There is an optional planetarium show for which you may purchase tickets (\$5 seniors/\$7 adults) once you arrive at the observatory, but space is subject to availability. Prior to arriving at the observatory, enjoy a tour, included wine tasting and lunch with choice of entrée at the famed and historic San Antonio Winery – the only winery in downtown L.A.

Fee: \$89

Depart 9 a.m. Return 7 p.m.

Glamour of the Academy Awards

The Dolby Theatre & "Film Costumes" Exhibit

Saturday, April 11

Celebrate Oscar season with a tour to discover the glamour and history of this American tradition. First, step beyond the velvet rope and experience the glamour and nostalgia of the Oscars, with a fascinating docent-guided tour of the Dolby (formerly Kodak) Theatre at Hollywood & Highland – the home of the Academy Awards ceremonies! Hear about what goes on behind-the-scenes of the Oscars and see where your favorite stars were sitting! Enjoy time for lunch and browsing at Hollywood & Highland, offering a variety of eateries and unique shops. You'll have time to visit the Hollywood Walk of Fame, the Chinese Theatre (to see how your hands and feet measure up to the stars' prints in the concrete) and take in the incredible views of the Hollywood sign. Then a visit to the annual "Art of Motion Picture Costume Design Exhibition" held at the L.A. Fashion Institute of Design (FIDM), where the actual costumes from films of 2014 are on display.

Fee: \$69

Depart 8:15 a.m. Return 5:45 p.m.

Cereal Baron's Estate Tour & Arabian Horse Show

Includes buffet lunch

Sunday, May 3

Nestled among a lush landscape and blanketed by walnut trees, the home of cereal magnate W.K. Kellogg is a spacious ranch-style home originally built in 1926. A docent-guided tour of his home which sits on a hill overlooking the Cal Poly Pomona campus, will showcase the estate and the meticulous restoration it has undergone to return the interior décor and gardens to their original splendor. The mixture of architectural styles creates a very charming, yet historic feel. There are many wonderful aspects of the Kellogg house to be seen: the outside garden terraces and courtyards, the Grand Room, the main dining room, and the kitchen. An included buffet lunch at the campus' Kellogg West restaurant, before we take our seats for the Arabian Horse Show at the W.K. Kellogg Arabian Horse Center. This long-standing tradition started by Kellogg himself in 1926 continues to showcase the versatility, beauty, and intelligence of the Arabian breed under both English and western tack. Also, a visit to the campus Farm Store to purchase fresh produce.

Fee: \$79

Depart 8:30 a.m. Return 5 p.m.

Continuing Education for Adults

Enrollment begins January 5

Continuing Education For Adults

This section includes tuition-free noncredit courses and programs in the following categories:

- Adult High School
- Citizenship
- English as a Second Language
- GED Test Preparation
- Health & Safety
- Parenting
- Courses for Older Adults
- Courses for Adults with Disabilities

HOW TO ENROLL IN TUITION-FREE ADULT CLASSES

Enrollment for Tuition-Free Noncredit Courses for Adults begins January 5, 2015.

Students are enrolled on a first-come, first-served basis. Students may use the SURF online enrollment system. Parking and material fees may be paid on SURF using Visa, MasterCard or Discover Card.

How to Apply & Enroll in Classes

Applying for Admission

If you are a new student or if you are a returning student who did not attend classes in Fall 2014 you must first submit a Noncredit Application for Admission. You may submit the application two ways:

1 Online at miracosta.edu/noncredit. Select the link for Tuition-Free Noncredit Courses for Adults.

PLEASE NOTE: Online applications require several days to process. You should submit your online application at least 3–4 business days before the date you want to enroll.

After the application is processed, you will be assigned an 8-digit Student ID number that you will use the entire time you are a student at MiraCosta College. You will retrieve your Student ID number the first time you login to SURF following the directions below.

2 Or complete the Noncredit Application for Admission found on page 52 which also allows you to select your classes, and mail or bring the completed application to:

**MiraCosta College
Community Learning Center
1831 Mission Avenue, Oceanside, CA 92058**

Enrolling in Classes on SURF

Who can use SURF?

- Students who were enrolled at MiraCosta College in Fall 2014 may enroll using SURF on or after **January 5, 2015**.
- New students or returning MiraCosta College students who were not enrolled in Fall 2014 but have submitted the Noncredit Application for Admission and have waited 3–4 business days for the application to be processed.
- The last day to add classes is **April 3, 2015** (excluding Adult High School, Cisco, and English as a Second Language classes).

Who cannot use SURF?

- Students who have a delinquent account or a hold on their account.
- Students who choose to pay fees with cash or check (must use credit card on SURF).
- Students enrolling in Adult Basic Education, Adult High School, or English as a Second Language, and Special Education classes. (See the specific section of this bulletin for enrollment information.)

Before you use SURF:

If you have a **delinquent account** with MiraCosta College you must resolve it either online or at the Student Accounts Office, located in Building 3200 on the Oceanside Campus, the Administration Building at the San Elijo Campus, or at the Community Learning Center in Oceanside.

If you have a **hold** on your account with MiraCosta College you must resolve it before enrolling. To find out if you have a hold, **login to SURF** with your SURF ID and password. Click on the **Self Service** link, and **Campus Personal Information** link. Then **click** on the **Holds** link. If you have a hold, you must contact the office(s) that placed the hold(s) on your account to proceed with enrollment.

Where to use SURF:

You may use SURF on any computer with Internet access including computers in MiraCosta College labs. SURF stations are also available at the Community Learning Center, and the Admissions and Records offices at the Oceanside and San Elijo campuses.

FOLLOW THE INSTRUCTIONS GIVEN**

ADULT HIGH SCHOOL

The Adult High School program is designed for students 18 years of age or older who wish to complete the requirements for a high school diploma or prepare to take the GED. Those under 18 who can benefit from instruction are also allowed to enroll. Any student enrolled in a day high school (regular or continuation) must meet the following criteria in order to take classes in MiraCosta's Adult High School. He/she must be a credit or CAHSEE deficient student, 17 years old or older, who has attended at least five semesters of high school. Day high school students must also present a Concurrent Enrollment Permit signed by their day high school principal, counselor, and parent. The forms are available at high school counseling offices, the Community Learning Center (CLC), MiraCosta's Admissions Offices, and online at miracosta.edu/ahsdp.

In order to place students in courses that best meet their needs, individual skills will be assessed. English, reading, and math courses are also appropriate for persons who do not need a high school diploma but wish to increase their skills in preparation for college classes, for employment or advancement in the workplace, or for personal growth.

Classes are held at MiraCosta College Community Learning Center (CLC), located at 1831 Mission Avenue, Oceanside, 92058. Students may register for classes during one of the following dates and times at the CLC. For more information call 760.795.8710.

General Information

Equal Opportunity Policy/Disability Accommodation. MiraCosta College is committed to providing equal education and employment opportunities to all persons regardless of, but not limited to, race, color, religion, national origin, gender, marital or parental status, disability, age, sexual orientation or status as a Vietnam-era veteran.

Limited English-speaking students who are otherwise eligible will not be excluded from any vocational education program.

Students or community members with verified disabilities are entitled to appropriate accommodation. In compliance with Section 504 of the Rehabilitation Act of 1974, MiraCosta College has designated Connie Wilbur, DSPS Director, as its Section 504 coordinator. A variety of alternative formats and services are readily available; others may require additional time to provide. Prospective and enrolled students who need disability accommodations should contact Disabled Students Programs and Services at 760.795.6658.

The campus ADA (Americans with Disabilities Act) coordinator is Joe Mazza. Members of the public who seek accommodations for other than instructional or student services activities should contact Joe Mazza at 760.795.6866.

If you need information about the grievance procedure to resolve complaints of discrimination, including sexual harassment, contact Sheri Wright, the college Title IX coordinator, at the Oceanside Campus Human Resources Office, 760.795.6865.

Igualdad de oportunidades/servicios y ayuda para personas discapacitadas. El Colegio de MiraCosta se compromete a proporcionar igualdad de oportunidades en la educación y en el empleo a todas las personas sin establecer límites en cuanto a raza, religión, país de origen, sexo, estado civil o familiar, capacidad física, edad, orientación sexual, o situación como veterano de la guerra de Vietnam.

Los estudiantes que tienen derecho a entrar a un programa de educación vocacional no pueden ser excluidos debido a limitaciones en su inglés.

Dando cumplimiento con a la Ley de Rehabilitación de 1974, el Colegio MiraCosta ha nombrado a Connie Wilbur, como su coordinadora de la Sección 504 de dicha ley. Está disponible una variedad de adaptaciones alternativas; otras adaptaciones pueden requerir tiempo adicional para que puedan ser proporcionadas. Para obtener mayor información específica, comuníquese a la Oficina de Programas y Servicios para Estudiantes Incapacitados al 760.795.6658.

Miembros de la comunidad con incapacidades comprobadas que desean asistencia al asistir a actividades además de clases, tienen derecho a las adaptaciones correspondientes. Comuníquese con el coordinador de ADA, Joe Mazza al 760.795.6866.

Si necesita información respecto a los procedimientos para la resolución de quejas relacionadas con asuntos de discriminación, incluyendo el acoso sexual, comuníquese con la Oficina de Recursos Humanos del campus de Oceanside, al teléfono 760.795.6865.

Open Class Policy. It is the policy of MiraCosta College that, unless specifically exempted by statute, every course section or class shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such requisites as may be established.

Limited English-speaking students who are otherwise eligible will not be excluded from any vocational education program.

Los estudiantes que están calificados para entrar en el programa de educación vocacional no pueden ser excluidos debido a su inglés limitado.

Equal Employment Opportunity Policy. The MiraCosta Community College District is committed to the principles of equal employment opportunity and will implement a comprehensive program to put those principles into practice on the basis of age, ancestry, citizenship status, color, disability, economic status, ethnic group identification, gender, gender identity, gender expression, genetic information, marital status, medical condition, national origin, parental status, physical or mental disability, pregnancy, race or ethnicity, religion, sexual orientation or veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. In addition to the aforementioned legally protected characteristics, the District also has an interest in nondiscrimination based on additional factors such as accent, citizenship status, economic status and ethnic group identification even though students or employees could not make a legal claim of discrimination based on these factors. The district will strive to achieve a workforce that is welcoming to men, women, persons with disabilities, and individuals from all ethnic and other groups to ensure the district provides an inclusive educational and employment environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas. An Equal Employment Opportunity Plan will be maintained to ensure the implementation of equal employment opportunity principles that conform to federal and state laws.

Family Educational Rights & Privacy Act of 1974 (FERPA). All student records of MiraCosta College are kept in accordance with the provisions of the Family Educational Rights and Privacy Act.

A student may request access to those campus records that personally identify the student; the student may challenge the accuracy of the record or the appropriateness of its retention in the college records. Regardless of age, student consent is needed for the release of records

covered by the act to outside parties except for those agencies entitled to access under the provisions of the act (e.g., college officials; other schools; federal, educational and auditing officers; and requestors in connection with the application or receipt of financial aid). These provisions apply to records received and used after November 19, 1974.

Amendments to the act permit the college to release what is called "directory information," provided that the student or former student has not specifically asked the college to refrain from releasing such information. Check with the Admissions and Records Office for specific directory information and notification of student rights.

If you wish directory information not to be released without your prior written consent, please indicate on the college application or send a signed request to the Admissions and Records Office, MS 10A, MiraCosta College, 1 Barnard Drive, Oceanside, CA 92056.

Student Right-to-Know Rates. In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the MiraCosta Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2009, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students was tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at MiraCosta College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 27.70 percent attained a certificate or degree or became "transfer prepared" during a three-year period, from fall 2009 to spring 2012. Students who are "transfer prepared" have completed 60 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 16.65 percent transferred to another postsecondary institution (UC, CSU, or another California community college) prior to attaining a degree, certificate, or becoming "transfer-prepared" during a five-semester period, from spring 2010 to spring 2012.

Selective Service—Important Notice for Male Students. Federal law requires men 18 through 25 years of age to be registered with the Selective Service System (SSS). The law applies to male citizens and immigrant aliens but not to foreign students who hold valid student visas. Men must be registered before they can receive federal or state financial aid for school, including loans and grants. Registration forms are available at any U.S. Post Office or online at www.sss.gov.

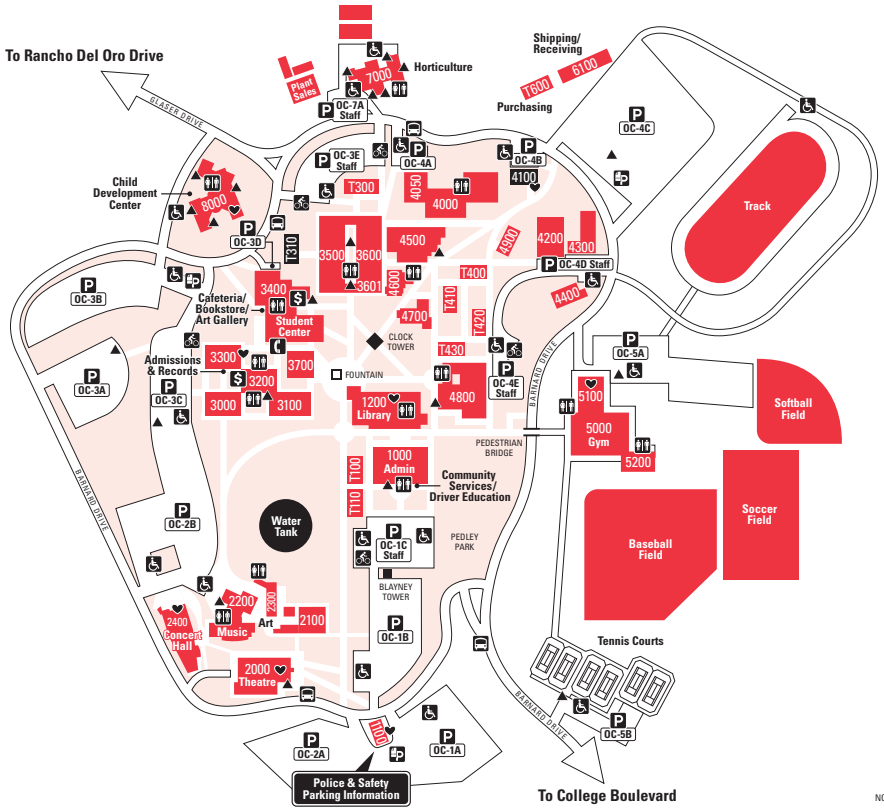

Federal Tax Credit. In accordance with federal tax credit legislation, MiraCosta College will post the 1098T form online in SURF at Payment & Account Information/view 1098T. If you do

not grant consent to use the form online, it will be mailed to your current address by the end of January. Information will also be reported to the IRS. If you did not provide your correct Social Security number to the Admissions and Records Office, complete a change of information form to ensure accurate reporting to the IRS. Please check with your tax preparer to determine if you are eligible to take advantage of this credit and the amount you may deduct.

Alcohol, Drugs & Tobacco. The district shall be free from all illegal drugs and from the unlawful possession, use or distribution of controlled substances and alcoholic beverages. Any employee, student, student worker or volunteer who violates this policy will be subject to disciplinary action (consistent with local, state, or federal law), which may include referral to an appropriate rehabilitation program, suspension, demotion, expulsion or dismissal. MiraCosta College is tobacco-free. No smoking or use of tobacco products is permitted at any college site, except inside parked vehicles.

Introduction to Solar PV Installation

NABCEP Certificate of Knowledge Test Preparation

Kick-start your new career in the exciting field of Solar Energy.

This one week (40 hour) course is designed to teach the learning objectives, as outlined by NABCEP, for the Entry Level Solar PV Certificate of Knowledge (COK). We are a provider of the NABCEP Entry Level Certificate of Knowledge exam. This course is offered to individuals wanting to enter into the solar field, where the basic concepts learned prepare the student for the NABCEP COK exam. Passing the Entry-Level Certificate of Knowledge exam demonstrates that the student has passed an industry-designed exam based on learning objectives developed by subject matter experts. Students who pass the Entry Level COK exam are encouraged to obtain additional classroom and on-the-job training where they are supervised by a licensed qualified supervisor.

Phlebotomy Technician Program

Health care professionals are needed because of the increased population, increased life expectancy, and aging baby boomers. This means that there tends to be steady employment, no matter where you are located.

Our program prepares students to be professional phlebotomy technicians dedicated to the art of blood withdrawal. Graduates are equipped to prepare the patient, perform venipuncture, and assist to maintain the quality of the specimen. We prepare competent, entry-level phlebotomy technicians in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning

Please join us for a free orientation meeting,

Community Translation Program

Here's your opportunity to make a difference in the community and to learn how language can advance your career! The demand for translators in schools and community clinics is increasing every year. Unfortunately, the majority of bilingual candidates do not pass Spanish/ bilingual proficiency exams, nor do they have a training program available to them.

This training program is an introduction to the work of a community interpreter. Course content is designed to build translation skills that will set you apart!
