THE PLACEMENT PROCESS

The MiraCosta College placement process provides you with the information needed to get started in the math and English courses that best support your educational pathway.

Complete the placement process in a variety of ways:

◈ **MiraCosta Application**

  ◗ The MiraCosta CCCApply application may ask you to provide the following:

    • High school GPA

    • Highest high school math/English course completed

    • High school math/English coursework and grades

  ◗ To help with this step, have your high school transcript information accessible while applying. Students who provide this information will receive an email with their math and English placement information within a few days. This placement notification is also available in the Message Center located in your **SURF** Student Center.

◈ **Didn't provide information on the MiraCosta application?** Submit any of the following to Testing Services to complete the placement process:

  Forms and/or high school transcripts may be emailed to **testing@miracosta.edu** or submitted in-person at one of our three campus locations.

If you would like information and/or access to math and English courses outside of your placement, you may visit the Testing Services office or webpage to learn about our Guided Self-Placement process. Some students may still need to take an Accuplacer ESL assessment for English/ESL placement.

For information on alternatives to assessment (including AP scores, EAP, and prior college coursework), visit our webpage at **miracosta.edu/testing** or call us at 760.795.6685.

Know Your Rights Under AB 705

Signed into law, Assembly Bill (AB) 705 requires California community colleges to maximize the probability that students will enter and complete transfer-level coursework in English and math within a one-year time frame. AB 705 requires that colleges use one or more of the following measures for placement into math and English courses:

◗ High school Grade Point Average (GPA)

◗ High school coursework

◗ High school grades

For more information on your rights under AB 705, visit **miracosta.edu/testing**.

The **placement process** is the first step in **matriculation** (also known as the roadmap to success). It starts you on the right path and keeps you going to arrive at your educational destination. Matriculation has four parts: *placement, orientation, advisement,* and *education planning.*

Students can challenge or appeal any step in the matriculation process by emailing **studentsuccess@miracosta.edu**.

SPARTAN PREP & SPARTAN START

Spartan Prep

1 **Log in to your SURF account at surf.miracosta.edu and complete Spartan Prep.**

Spartan Prep is a guide for students to complete online orientation and advisement and develop a first semester education plan. Students will be introduced to college terminology, academic programs, and student support services, along with planning tools that will help students succeed at MiraCosta College.

SPARTAN Start

2 **Register for your Spartan Start session at miracosta.edu/spartanstart.**

Attending Spartan Start during summer will help students get familiar with the campuses, learn about social and academic resources, and connect with professors, staff, and students for a great start at MiraCosta College.

DEVELOP AN EDUCATION PLAN

An education plan is an important tool to help students attain their goals without wasted time and effort. The plans outline a suggested pathway for students based on their major, transfer goals, or other objectives.

Eduction plans allow students to determine how long it will take to complete a program of study and to be sure that all program requirements can be met within a particular period of time. Students can develop options for education plans on *my*EdPlan in SURF. However, to maintain priority registration, students must:

*my*EdPlan

- Meet with a counselor.
- Complete a comprehensive education plan prior to completion of 15 units or a third semester (whichever comes first).

FINANCIAL AID

Need money for college? Financial aid can help.
Don't miss out on making college even more affordable!

Three Ways to Get Financial Aid Information

1. Visit our webpage: **miracosta.edu/financialaid**.
2. Visit us in Bldg. 3000 on the Oceanside Campus.
3. Call us at **760.795.6711** or email **MCCFinAid@miracosta.edu**.

Three Reasons to Apply for Financial Aid

1. **Federal Financial Aid programs available**
   - **Grants like Pell & FSEOG:** free money that does not need to be repaid.
   - **Federal Work Study:** an on-campus, part-time job program.
   - **Direct Loans:** federal education loans that typically have a good interest rate and require repayment after finishing school.
2. **State Financial Aid programs available**
   - **California College Promise Grant (CCPG):** formerly known as Board of Governors (BOG) Fee Waiver, which waives tuition costs.
   - **Cal Grants:** free grant money for academically and financially eligible students that file a FAFSA prior to the March 2 priority filing date.
   - **Student Success Completion Grant:** free grant money for Cal Grant students enrolling in at least 12 units.
3. **Local Financial Aid programs available**
   - **MiraCosta College Promise program:** free grant money that covers tuition and mandatory fees for two years for all first-time, full-time students.
   - **Scholarships:** free money available for students, including undocumented and international students.

Undocumented Students

If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act Application at **dream.csac.ca.gov** to determine eligibility for state and local programs.

Important

- Aid eligibility is based on units enrolled as of the fall semester September 1 add/drop date. Recalculations are not made after that point. This date applies to all courses including late-start courses.
- Students who withdraw after the add/drop date may be required to repay a portion of their financial aid funds.

Five Steps to Receiving Financial Aid

1 Apply

Complete the FAFSA at **fafsa.gov** or the California Dream Act Application at **dream.csac.ca.gov**. MiraCosta College School Code is **001239**.

2 Check Email

You will receive an email 7–10 business days after applying with further instructions and estimated award amounts.

3 To-Do List

Additional documents will be requested via the SURF To-Do List. Check your To-Do List often.

4 Review

Once your To-Do List is complete, your file will be reviewed to confirm eligibility. Reviews can take between 3–6 weeks to complete.

5 Payment

Financial aid is paid through BankMobile disbursement services. You'll receive an email and an information packet in the mail with instructions on how to receive your financial aid.

REGISTER FOR CLASSES

After MiraCosta College processes your application (typically takes two business days), you will receive an email with information about **SURF**, our online registration system accessible at **surf.miracosta.edu**. You must log in and set up a password. Then you'll use **SURF** to register for your classes.

GENERAL EDUCATION

Students at MiraCosta College can choose to follow one of three general education patterns:

A **Plan A** is for students not intending to transfer but who want to earn an associate degree. Plan A will satisfy general education requirements at MiraCosta College but will not satisfy all general education requirements for transfer to a CSU or UC campus and is not intended for students transferring to a four-year institution. See page 19 for the Plan A advisement sheet and the MiraCosta College Catalog Associate Degrees & Certificates page at **catalog.miracosta.edu/degreecertificatetransferinfo** for additional information.

B **Plan B** is for students transferring to a California State University (CSU) campus. See page 20 for the Plan B advisement sheet, which contains general education requirements, and the MiraCosta College Catalog Associate Degrees & Certificates page at **catalog.miracosta.edu/degreecertificatetransferinfo** for additional information.

C **Plan C** is for students transferring to either a University of California (UC) or a CSU campus. See page 21 for the Plan C advisement sheet and the MiraCosta College Catalog Associate Degrees & Certificates page at **catalog.miracosta.edu/degreecertificate transferinfo** for additional information.

IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are approved effective Fall 2018 and are valid through Summer 2019.**

IGETC is not a UC admission requirement but is advantageous to most transfer students. Students are strongly advised to work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work specific to the intended UC campus. Certification of IGETC, including Area 1C, Oral Communication, is an admission requirement for the California State University system, when students are completing an Associate Degree for Transfer and using IGETC to fulfill the general education component of this degree.

All courses on IGETC must be completed with a "C" or better. A "P" (pass) is acceptable, but UC permits no more than 14 semester transferable units to be completed on a pass/no pass basis.

UC credit may be limited for some courses. For example, no credit is given for an introductory course if it is taken after a more advanced college course. Credit may also be limited for courses with overlapping content. In addition, duplicate credit will not be awarded for the honors and non-honors versions of a course. UC credit limitations are noted on the catalog course descriptions.

Courses listed in two different areas may be used in either area but not both.

( ) Course approved beginning semester and year indicated. Course taught on campus prior to IGETC approval.

*Grades of "C-" are not acceptable except for high school language courses.

Want to take classes that have
FREE or **low-cost** textbooks?

Now you can with classes identified as:

Zero Textbook Cost (ZTC) / *Low Textbook Cost (LTC)*

See a list of all ZTC and LTC classes MiraCosta offers at **miracosta.edu/ZTCclasses**

Search for ZTC and LTC classes in SURF at **miracosta.edu/ZTCsearch**

ZTC classes typically use no-cost digital textbooks, online resources, and homework systems. ZTC classes may have optional print texts that are not free. ZTC classes may also have other required materials such as lab supplies, calculator, test forms, etc., which are not free. LTC classes use course materials that cost $40 or less.

The college strives to ensure that the ZTC and LTC designations are accurate; however, under some circumstances, faculty may have to adjust selection of instructional materials and this can affect course material costs. It may also be necessary to change instructors. Replacement faculty have academic freedom to choose instructional materials regardless of costs and are not obligated to use free course materials selected by an instructor previously assigned to the class.
