BACKGROUND

The district is required to submit a Five-Year Capital Construction Plan to the California Community Colleges Chancellor’s Office (CCCCO) by July 1 of every year. The CCCCCO announced on March 28, 2022, that the deadline has been extended to August 1, 2022.

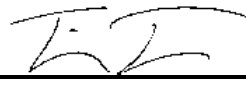

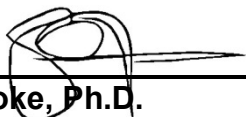

The plan identifies the capital construction projects the district plans and it includes estimated costs and schedules. The Five-Year Construction Plan identifies the district’s proposed projects, pending approval from the Board of Trustees, which will be submitted to the Chancellor’s Office on or before August 1, 2022. This plan updates the next five years of Measure MM capital construction projects that were identified in the 2016 Facilities Master Plan. The funding for these projects will come from a combination of Measure MM’s \$455 million general obligation bond program, State Scheduled Maintenance, and District Fund 41 Capital Construction funds. The results of this extensive investigative and collaborative project planning process are documented in the attached project list.

STATUS

A workshop on the Five-Year Capital Construction Plan is being provided so board members may address any questions with the superintendent/president and provide input before the board is asked to approve the plan on June 23, 2022. Once approved, the plan will be submitted to the California Community Colleges Chancellor’s Office (CCCCO) by August 1, 2022.

BACKGROUND

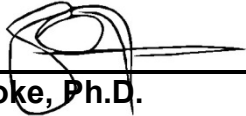

Title 5, California Code of Regulations (CCR), Section 58305(a) requires the district to adopt a tentative budget on or before the first day of July each year. A tentative budget serves as authorization for the district to incur expenses and issue checks in the new fiscal year. The foundation of the tentative budget began with the budget directions given by the board of trustees at the February 24, 2022, board workshop. The district’s planning and budget development processes have prepared the FY23 unrestricted general fund budget. The district’s Budget and Planning Committee reviewed the tentative budget on May 20, 2022.

STATUS

A workshop on the FY2022/23 tentative budget is being provided so board members may address any questions with the superintendent/president and provide input before the board is asked to approve the tentative budget on June 23, 2022. The final budget workshop will be presented on September 8, 2022. Adoption of the final budget is scheduled on September 15, 2022.

CCCCO Vision for Success

Adopted in 2017, the *Vision for Success* was designed to help the colleges restructure, putting the student experience and equity front and center. Five goals comprise the *Vision for Success*: (1) Increase completion of degrees/certificates; (2) Increase transfers to UC and CSU; (3) Decrease the average number of units accumulated by degree earners; (4) Increase the number of CTE students employed in their field; and (5) Reduce equity gaps.

ACCJC Institution-Set Standards

The College must establish criteria and processes to determine appropriate, institution-set standards for student achievement appropriate to its mission, including standards for course completion, program completion, transfer, and job placement rates. The metrics both monitor and challenge institutional performance. Therefore, the College establishes standards as a “floor” for performance, whereas the College also sets “stretch goals” for which to strive.

Guided Pathways Metrics

The Guided Pathways metrics were designed to capture progression along students' educational journey from onboarding to completion and/or transfer. The metrics pinpoint critical milestones and accomplishments that serve as leading indicators for completion. As such, these analyses follow cohorts of first-time students to track progress and identify possible barriers to completion.
