

## ADULT HIGH SCHOOL DIPLOMA PROGRAM

The Adult High School Diploma Program is designed for students 18 years of age or older who wish to complete the requirements for a high school diploma or prepare to take the GED. Those under 18 who can benefit from instruction are also allowed to enroll. Any student enrolled in a day high school (regular or continuation) must meet the following criteria in order to take classes in MiraCosta's Adult High School Diploma Program. He/she must be a credit or CAHSEE deficient student, 17 years old or older, who has attended at least five semesters of high school. Day high school students must also present a Concurrent Enrollment Permit signed by their day high school principal, counselor, and parent. The forms are available at high school counseling offices, the Community Learning Center (CLC), MiraCosta's Admissions Offices, and online at [www.miracosta.edu/ahsdp](http://www.miracosta.edu/ahsdp).

In order to place students in courses that best meet their needs, individual skills will be assessed. Those who need to improve their reading to be successful in courses for high school credit may take courses designed for that purpose. English, reading, and math courses are also appropriate for persons who do not need a high school diploma but wish to increase their skills in preparation for college classes, for employment or advancement in the workplace, or for personal growth.

Classes are held at MiraCosta College Community Learning Center, located at 1831 Mission Avenue in Oceanside. Counselors are available to assist students. To see a counselor or get more information call (760) 795-8710, Monday through Thursday, 7:30 a.m. to 9 p.m., Friday 8 a.m. to 2 p.m., and Saturday 8 a.m. to 12 p.m.
