Dear President Rodriguez:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 9 – 11, 2009, reviewed the Follow-Up Report submitted by the College, the report of the evaluation team that visited Tuesday, April 7, 2009, and the helpful information you provided in your testimony. The Commission took action to accept the report and remove the College from Warning.

The Commission also requires that evidence in support of the College's resolution of Recommendation 1 be available at the time of the next comprehensive evaluation report and visit.

The Follow-Up Report will become part of the accreditation history of the College and should be used in preparing for the next comprehensive evaluation. I have previously sent you a copy of the Evaluation Team Report. Additional copies may now be duplicated. The Commission requires that you give the report and this letter appropriate dissemination to your College staff and to those who were signatories of your College report. This group should include campus leadership and the Board of Trustees. The Commission also requires that all reports be made available to students and the public. Placing copies in the College library can accomplish this. Should you want an electronic copy of the report, please contact Commission staff.

Please note that the next comprehensive evaluation of MiraCosta College will occur during **Spring 2010**.
