Transferring next year?

November 30th was the deadline to apply for the CSU & UC system. As an EOPS student you are eligible for an application fee waiver. Most of you probably qualified for an application fee waiver online, but if you didn’t you can still request one in the EOPS office. If you are applying to the CSU system, remember to apply for the EOP program. Each CSU campus has an EOP program and there is a separate application that you need to complete online.

Letters of recommendations are needed for the EOP program. If you are thinking of asking the EOPS counselors for a letter of recommendation, make sure you give them at least two weeks to complete the recommendation form.

Don’t forget to send official transcripts to the schools that you are applying for and to keep checking on your application status online.

Spring 2009 Book Vouchers

Book Vouchers will be available January 12th through February 6th 2009 to EOPS students who received priority registration for spring 2009 or whose classes were approved by an EOPS counselor. Students who didn’t get their classes approved by an EOPS counselor will have to drop a copy of their spring schedule and wait 48 hours before the book voucher becomes available. Book vouchers will be available Monday – Friday 9:00 – 12:00 & 1:00 – 3:00 and Tuesday & Wednesday 4:00 – 6:00. You must bring a picture ID.

EOPS Lending Library

If you borrowed textbooks from the EOPS lending library you MUST return them to the EOPS by Friday, December 19th! You will not be able to get your book voucher if you have outstanding textbooks from the lending library. It is very important that you return them on time because they need to be ready for the beginning of spring 2009.

The EOPS lending library is possible thanks to faculty, staff and students who donate their unwanted textbooks. This year you can help the lending library by donating a textbook.
**Spring 2009 Bus Passes**

If you believe you will need a bus pass for the month of FEBRUARY, please sign up for a bus pass beginning January 5th. Priority will be given to the first 80 students. You can come into the EOPS office or call (760) 795-6680 to sign up for a February bus pass.

If you have friends, family members or class mates you believe may qualify for EOPS, please encourage them to apply for EOPS before classes begin. We will be accepting new spring students for our January 8, 9 & 13th EOPS new student orientations.
