Transferring next year?

November 30th was the deadline to apply for the CSU & UC system. As an EOPS student you are eligible for up to 3 application fee waivers. Most of you probably qualified for an application fee waiver online, but if you didn’t you can still request one in the EOPS office. If you are applying to the CSU system, remember to apply for the EOP program. Each CSU campus has an EOP program and there is a separate application that must be completed online.

Letters of recommendations are also needed for the EOP program. If you are thinking of asking the EOPS counselors for a letter of recommendation, make sure you give them at least two weeks to complete the recommendation form.

Don’t forget to send official transcripts to the schools that you are applying for and to keep checking on your application status online.

SAVE YOUR CHRISTMAS MONEY if you have applied for CSUSM or any other CSU because you may need to come up with $150 Intent to Enroll deposit by June 1, 2010.

Students admitted to Fall 2010 as transfers will be required to confirm their admission to CSUSM by submitting the online Intent to Enroll and $150 enrollment deposit by June 1, 2010. This deadline will be strictly enforced.

It is not too soon to start thinking about putting aside money each month to cover this fee. EOPS will not be able to help you with this fee.

Spring 2010 Approved Schedules

You must see an EOPS counselor now if you registered for classes that were not part of your approved courses for spring 2010; especially if these courses are not even part of your educational plan. If you have changed your major, then you must come in to see a counselor and do an update on your educational plan.

EOPS Lending Library

If you borrowed textbooks from the EOPS lending library you MUST return them to the EOPS by Friday, December 18th! You will not be able to get your book voucher if you have outstanding textbooks from the lending library. It is very important that you return them on time because they need to be ready for the beginning of spring 2010.

The EOPS lending library is possible thanks to faculty, staff and students who donate their unwanted textbooks. This year you can help the lending library by donating a textbook.
