Mid Term Progress Report

Mid Term Progress Reports (MTPR) will be available for you to pick up in the EOPS office on **March 9**. Progress reports will also be sent out electronically via e-mail and they'll be available on our EOPS website – www.miracosta.edu/eops. All EOPS students must complete their MTPR and meet with a counselor prior to April 10th to avoid suspension from the program.

We urge you to make use of your instructors' office hours, which are posted in your syllabus, instead of disrupting them during class hours.

We recommend that you have your MTPR and summer class schedule completed before you meet with your EOPS counselor. The peer advisors will be available to assist you in the selection of classes beginning March 23rd. **Bring a copy of your student education plan, as we will not make a copy for you.**

Students can now **schedule** their MTPR **appointment** as early as **two days in advance** or same day appointment. Because your Mid Term Progress Report review with your counselor is so important, we cannot allow for "No Show". If you find you cannot keep your appointment, you must call (760) 795-6680 prior to your appointment to cancel or reschedule your appointment.

Summer Priority Course Selection

Summer priority course selection will begin on Monday, **March 24th**. Copies of the summer schedule will be available in the EOPS office so that students who are thinking of attending summer school can select their summer classes and receive priority registration. Students must meet with their EOPS counselor prior to April 10 for their mid term progress report and to receive summer priority registration.

LAST DATE ACCEPTED BY COUNSELOR: April 10, 2009

EOPS MID TERM PROGRESS REPORT

Name: _____ ID: _____

Note: You are encouraged to use the instructor's established office hours to complete the Mid Term Progress Report. We do not recommend approaching the instructor before or after class if a discussion of academic progress is desired. Understand that reports/forms are available on request. I also understand that progress is grounds for a referral to the Vice President of Student Services for disciplinary action.

Student signature: _____ Date: _____

Every Friday 12:00 – 1:00
EOPS Conference Room

Fall Priority Course Selection will begin on April 20th

In order to receive fall priority registration you must meet the Mid Term Progress Report deadline of April 10th. Please note that this **date change**. Make sure you make the correction on your EOPS student planner. Fall may be the first semester where you will have some real tough competition for classes. Fall will bring to MiraCosta College many students who were not able to attend the CSU or UC of their choice because of budget cuts. Fall will also bring many more students who were not able to enroll at their local community college in their area because of class cancellations due to budget cuts.

Our spring 2009 enrollment was up by 13% and traditionally fall enrollments are the heaviest enrollment times. So, take **advantage** of priority registration by completing your MTPR on time. Don't wait until the last minute!

Possible Dream Conference

Attention CARE and CalWORKS students! The Possible Dream conference will be held once again at MiraCosta College on Saturday March 7, 2009 from 8:00am – 3:00pm. The conference will offer interesting and beneficial breakout sessions and inspiring speakers. There will also be **door prizes** and **child care**. All CARE and CalWORKS students are required to attend. For more information contact the EOPS office and ask for Candy Owens or visit www.miracosta.edu/eops for the on-line registration.
