

# Are you interested in transferring to UCLA?

The TAP program is the best option for students interested in the College of Letters and Science.

## The UCLA Transfer Alliance Program - TAP

The UCLA Transfer Alliance Program (TAP) gives you the opportunity to enhance your ability to transfer to UCLA at the junior level from MiraCosta Community College. You must **enroll in MiraCosta College's Honor Scholar Program (HSP) to participate in TAP**. Students are certified after completing the HSP at MiraCosta College giving you priority consideration for admission to UCLA **College of Letters and Science**.

### Some benefits of TAP are:

- UCLA and MiraCosta College cooperate to assist students in the transfer process.
- MiraCosta College offers enriched academic programs and all courses necessary to transfer, including General Education requirements and preparatory courses for majors.
- The designated honors counselor in the University Transfer Center will help students plan academic programs that meet major and general education requirements and honors/scholars certification.
- While students are in the MiraCosta College honors scholar program, meaningful linkages with UCLA are provided such as on-campus informational meetings and tours, library privileges, and opportunities to attend selected UCLA cultural and athletic events.

### UCLA Transfer Selection:

Competition for transfer openings has increased in recent years. Thus, strong academic preparation and performance are primary elements in the admission decisions. The average GPA of transfer applicants who are admitted to UCLA is 3.50. Most students who are admitted have completed most or all of the preparatory coursework for their majors and are IGETC certified.

Your HSP counselor will work with you to create an individual education plan for this program.

UCLA gives highest priority to students who are transferring from **California community colleges** with TAP certification into the College of Letters and Science!
