QUESTIONS FOR CHAPTER FIVE

1. Who were the inhabitants of Kahnawake? Why was it “unique”?

2. Describe some of the results of colonization for the North American Indians.

3. Using the charts on the next page compare the major features of the six distinctive colonial regions in North America.

4. Describe some of the elements of the “traditional culture” of the colonies during this period. What was the “frontier heritage”?

5. What were some of the reasons the British colonies changed more rapidly than the French and Spanish colonies during this period? What part did immigration play in this growth?
6. What social and political differences began to emerge between these three colonial systems? What factors accounted for these differences?

7. Describe the British colonists’ attitudes toward democracy and Enlightenment ideas during this period.

8. What was the Great Awakening? Who were the “New Lights” and the “Old Lights”? In what ways did it affect the Southern slaves and church attendance in general?
