

We have 8 openings for a company in Sorrento Valley. They are looking for Technical Call Center Specialist. It is very entry level. Below are some of the details of the role;

Must Have Skills:

- Technical Call Center Experience (**NOT** HR Block, Time Warner Cable, Bank collections, etc)
- Level 1 Helpdesk technical experience with software, upgrades, Microsoft Office (Word, Excel, etc)
- Be willing to work nights/weekends (will rotate schedules on a team of 8)

Plus Skills:

- SAP/CRM experience (Doesn't matter what CRM used)
- Hospital process/workflow knowledge

If you have some people that may be interested please let me know! The manager is really looking for eager, right out of school candidates!

Hope you have a wonderful week and look forward to hearing from you.

Best,

James Grover

Consultant Relationship Coordinator
