

Internship Opportunity

Job ID: 2224
Employer Name: The Wall Climbing Gym
Employer City: Vista
Title: Marketing/SEO & Web Guru Intern
Website: <http://www.thewallclimbinggym.com>

Company Description: The Wall Climbing Gym is coming to San Diego spring 2014 ~ North County's premiere 24/7 bouldering facility. "The Wall" has over 3000 sq. ft. of climbing, a full range of yoga classes, cardio equipment, gymnastic rings, and kettle bells to keep your workouts fresh and fun. Our gym will also be a resource for rehabilitating wounded warriors as well as many community outreach groups and youth programs.

Duties: We are offering internship positions in marketing for individuals stoked about and knowledgeable in the climbing, outdoor, and / or wellness communities.
Our gym is located in the heart of 3 major colleges.
Our target demographic is 18-24 years of age and we need your insight and technical expertise to make our grand opening a huge success!

A perk to this internship is a complimentary membership to the facility for climbing, yoga or gym access for a full year! The hours are completely flexible and no set schedule is required.

Qualifications: The ideal person is creative and proficient in one or more of the following: Photoshop, Final Cut Pro 10/ Film, In Design, WordPress, website design, SEO strategies, link building & algorithms.

Application Instructions: Interns are required to have a recommendation from a faculty member in the discipline in which they are seeking the internship. Must have been enrolled in the faculty member's class and must have performed well. Guidelines for obtaining faculty recommendations vary by discipline and must go through the Career Center.
