

Internship Opportunity

Job ID: 2175

Employer Name: Videospot

Employer City: Oceanside

Title: Video Intern

Website: <http://www.thevideospot.net>

Company Description: Video marketing in San Diego has never been more exciting. With Videospot at the wheel, your business has the flexibility of a videographer with the power of a marketing agency

Serving a national audience; Videospot will create and distribute online marketing assets that will position your company for massive growth.

Duties: Interns here will be writing, shooting, and editing, real projects that will go up on real websites and generate real income for local and even some national clients.

Qualifications: Strong Computer Skills
Film and Editing Skills
Website Development Skills
Excellent Communication and time management skills a must!

Application Instructions: Interns are required to have a recommendation from a faculty member in the discipline in which they are seeking the internship. Must have been enrolled in the faculty member's class and must have performed well. Guidelines for obtaining faculty recommendations vary by discipline and must go through the Career Center
