2. Your Drop Roster is now displayed. The roster lists all students (i.e., those currently enrolled and dropped). Students eligible to be dropped will be displayed in the far right Drop column by their SURF ID number. Click on this link to drop a student. You may drop only one student at a time. You may drop students once the class begins and up to the 75% withdrawal date.
3. Confirm your drop selection. Select a Drop Reason of NOSH (No Show) or INST (Instructor Drop). A no show applies only to students who have never attended the class. An instructor drop is to be used if the student has attended any portion of the class.

4. If you selected NOSH, the first date of the class or the first day of the student’s registration is defaulted into the Drop Date. If you selected INST, today’s date is defaulted. If a student has an asterisk next to their name above, change the drop date to the last date of the student’s attendance. Click OK.
5. A Successful Drop message will display.
