Handle-Ing Complaints of Unlawful Discrimination

A. Introduction and Scope (See Board Policy 3430)

These are the written procedures for filing and processing complaints of unlawful discrimination at MiraCosta Community College District. The procedures incorporate the legal principles contained in nondiscrimination provisions of the California Code of Regulations, Title 5, §§59300 et seq., as well as other state and federal substantive and procedural requirements.

A copy of these written policies on unlawful discrimination will be displayed in a prominent location in the Human Resources Department or other area(s) where notices regarding the institution’s rules, regulations, procedures, and standards of conduct are posted.

This includes the district Personnel Commission and any other organization associated with the district or its college(s) that receives state funding or financial assistance through the district.

“Responsible District Officer” means the officer identified by the district to the State Chancellor's Office as the person responsible for receiving complaints filed pursuant to Title 5, §59328, and coordinating their investigation. “Sexual harassment” is unlawful discrimination in the form of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the workplace or in the educational setting, and includes but is not limited to:

(Examples of possible sexual harassment that appear in a written form include, but are not limited to: suggestive or obscene letters, notes, and invitations. Examples of possible visual sexual harassment include, but are not limited to leering, gestures, display of sexually aggressive objects or pictures, cartoons, or posters.)

“Unlawful discrimination” means discrimination based on a category protected under Title 5, §59300, including sexual harassment and retaliation.

**Notice, Training, and Education for Students and Employees**

The MiraCosta Community College District’s responsible officer shall make arrangements for or provide training to employees and students on the district’s unlawful discrimination policy and procedures. Faculty members, members of the administrative staff, and members of the support staff will be provided with a copy of the district’s written policy on unlawful discrimination at the beginning of the first quarter or semester of the college year after the policy is adopted.

All district employees will receive this training and a copy of the unlawful discrimination policies and procedures during the first year of their employment. Because of their special responsibilities under the law, supervisors will undergo mandatory training within six months of assuming a supervisory position and annually thereafter. In years in which a substantive policy or procedural change has occurred all district employees will attend a training update and/or receive a copy of the revised policies and procedures.
In addition, a copy of the district's written policy on unlawful discrimination, as it pertains to students, will be provided as part of any orientation program conducted for new students at the beginning of each quarter, semester, or summer session, as applicable.

**Retaliation**

It is unlawful for anyone to retaliate against someone who files an unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

**Academic Freedom**

The MiraCosta Community College District Board of Trustees reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow any form of unlawful discrimination. It is recognized that an essential function of education is a probing of opinions and an exploration of ideas that may cause some students discomfort. It is further recognized that academic freedom insures the faculty’s right to teach and the student’s right to learn. Finally, nothing in these policies and procedures shall be interpreted to prohibit bona fide academic requirements for a specific community college program, course or activity.

When investigating unlawful discrimination complaints containing issues of academic freedom, MiraCosta Community College District will consult with a faculty member appointed by the Academic Senate with respect to contemporary practices and standards for course content and delivery.

**Responsible District Officer**

The MiraCosta Community College District has identified the Human Resources Director to the State Chancellor’s Office and to the public as the single district officer responsible for receiving all unlawful discrimination complaints filed pursuant to Title 5, §59328, and for coordinating their investigation. The actual investigation of complaints may be assigned to other staff or to outside persons or organizations under contract with the District. Such delegation procedures will be used whenever the officer designated to receive complaints is named in the complaint or is implicated by the allegations in the complaint.

Administrators, faculty members, other district employees, and students shall direct all complaints of unlawful discrimination to the responsible district officer.

**Informal/Formal Complaint Procedure**

When a person brings charges of unlawful discrimination to the attention of the district’s responsible officer, that officer will:

A. Undertake efforts to informally resolve the charges.

B. Advise the complainant that he or she need not participate in informal resolution.
C. Notify the person bringing the charges of his or her right to file a formal complaint and explain the procedure for doing so.

D. Assure the complainant that he or she will not be required to confront or work out problems with the person accused of unlawful discrimination.

E. Advise the complainant that he or she may file a non-employment-based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR) where such a complaint is within that agency’s jurisdiction.

F. If the complaint is employment-related, the complainant should also be advised that he or she may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency’s jurisdiction.

Before filing a formal, written complaint, the complainant should attempt to resolve the problem by an informal conference with the parties involved. This informal attempt must be completed within thirty (30) days. Students should contact the Vice President, Student Services, in order to utilize the student due process procedure. Employees and job applicants should contact the Human Resources Director. The Vice President, Student Services, and the Director of Human Resources will either serve as mediators in this informal process, or will appoint someone to serve as the district’s mediator.

Efforts at informal resolution need not include any investigation unless the responsible district officer determines that an investigation is warranted by the seriousness of the charges. Selecting an informal resolution does not extend the time limitations for filing a formal complaint. Efforts at informal resolution may continue after the filing of a formal written complaint, but after a complaint is filed an investigation is required to be conducted pursuant to Title 5, §59334, and will be completed unless the matter is informally resolved and the complainant dismisses the complaint. Even if the complainant does dismiss the complaint, the responsible district officer may require the investigation to continue if he or she determines that the allegations are serious enough to warrant an investigation. Any efforts at informal resolution after the filing of a written complaint will not exceed the ninety (90) day period for rendering the administrative determination pursuant to Title 5, §59336.

In employment-related cases, if the complainant files with the Department of Fair Employment and Housing, a copy of that filing will be sent to the State Chancellor’s Office requesting a determination of whether a further investigation under Title 5 is required. Unless the State Chancellor’s Office determines that a separate investigation is required, the district will discontinue its investigation under Title 5 and the matter will be resolved through the Department of Fair Employment and Housing.

The district will allow for representation where required by law and may allow for representation for the accused and complainant in other circumstances on a case-by-case basis.

The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against or sexually harassed to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process will be invoked when there is a simple misunderstanding or the
complainant does not wish to file a formal complaint. Resolution of an informal complaint may require nothing more than a clarification of the misunderstanding or an apology from the respondent and an assurance that the offending behavior will cease. However, the district is responsible for maintaining a safe and discrimination free educational environment and serious allegations may need to be investigated even if the complaining party considers the matter resolved. In an informal process the district officer shall advise the complainant of his or her rights and responsibilities under both the formal and informal processes. If the complainant declares his or her preference for the informal process, the responsible district officer shall present the complainant with a document that describes the informal/formal process that contains the basics of complainant’s allegations of unlawful discrimination. This document will clearly indicate that the complainant opted for the informal resolution process and should be signed and dated by the complainant. The informal resolution process will not be made a predicate to the process and investigation of a formal complaint. If a formal complaint is filed, an investigation must be completed within the time required unless it is voluntarily rescinded by a complainant as a result of a successful informal resolution.

Filing of Formal Written Complaint

If a complainant decides to file a formal written unlawful discrimination complaint against the district, he or she must file the complaint on a form prescribed by the State Chancellor. These approved forms are available from the district and also at the State Chancellor’s Web site, as follows:

The completed form must be filed with the district representative or mailed directly to the State Chancellor’s Office of the California Community Colleges.

Once a complaint is filed, the individual(s) accused of engaging in prohibited discriminatory conduct should be advised of that filing and the general nature of the complaint. This should occur as soon as possible and appropriate under the circumstances. The district will also advise the accused that an assessment of the accuracy of the allegations has not yet been made, that the complaint will be investigated, that the accused will be provided an opportunity to present his/her side of the matter, and that any conduct that could be viewed as retaliatory against the complainant or any witnesses must be avoided.

Threshold Requirements Prior to Investigation of a Formal Written Complaint

When a formal written complaint is filed it will be reviewed within fourteen (14) days to determine if the complaint meets the following requirements:

A. The complaint must be filed on a form prescribed by the State Chancellor’s Office.

B. The complaint must allege unlawful discrimination prohibited under Title 5, §59300.

C. The complaint must be filed by one who alleges that he or she has personally suffered unlawful discrimination, or by one who has learned of such unlawful discrimination in his or her official capacity as a faculty member or administrator.
D. In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination.

E. In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than ninety (90) days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

Additional information about this initial review of complaints can be found in the Guidelines for Processing Formal Title 5 Unlawful Discrimination Complaints prepared by the State Chancellor's Office.

Defective Complaints

If a complaint is found to be defective it will be immediately returned to the complainant with a complete explanation of why an investigation will not be initiated under California Code of Regulations, Title 5, §59300 et seq. The notice will inform the complainant that the complaint does not meet the requirements of §59328, and shall specify in what requirement the complaint is defective. A copy of the notice to the claimant will also be sent to the State Chancellor's Office.

Notice to State Chancellor or District

A copy of all complaints filed in accordance with the Title 5 regulations will be forwarded to the State Chancellor's Office immediately upon receipt. Similarly, when the State Chancellor's Office receives a complaint a copy will be forwarded to the district.

Confidentiality of the Process

Investigative processes can best be conducted within a confidential climate. Therefore, the district does not reveal information about such matters except as necessary to fulfill its legal obligations.

Potential complainants are sometimes reluctant to pursue a complaint if their names will be revealed. The inability to reveal the name of a complainant or facts that are likely to reveal the identity of the complainant can severely limit the ability of the district to respond. Complainants must also recognize that persons who are accused of wrongdoing have a right to present their side of the matter, and this right may be jeopardized if the district is prohibited from revealing the name of the complainant or facts that are likely to disclose the identity of the complainant.

If a complainant insists that his or her name not be revealed, the responsible officer should take all reasonable steps to investigate and respond to the complaint consistent with the complainant’s request as long as doing so does not jeopardize the rights of other students or employees.
It is also important that complainants and witnesses understand the possibility that they
may be charged with allegations of defamation if they circulate the charges outside of
the district’s process. In general, persons who are participating in a district investigative
or disciplinary process that is related to a charge of discrimination are protected from
tort claims such as defamation. However, persons who make allegations outside of
these processes or who discuss their claims with persons outside of the process may
expose themselves to tort charges. Complainants, witnesses, and those accused of
discrimination will all be asked to sign a confidentiality acknowledgement statement.

Where an investigation reveals the need for disciplinary action, the complainant may
wish to have information about what disciplinary actions the district took. However, the
privacy rights of the persons involved often prevent the district from providing such
information. In student disciplinary actions for sexual assault/physical abuse charges,
Education Code §76234 provides that the victim shall be informed of the disciplinary
action, but that the victim must keep the information confidential. Disciplinary actions
taken against employees are generally considered confidential.

**Administrative Determination**

In any case not involving employment discrimination, within ninety (90) days of receiving
an unlawful discrimination complaint filed under Title 5, §§ 59300 et seq., the
responsible district officer will complete the investigation and forward a copy of the
investigative report to the State Chancellor, a copy or summary of the report to the
complainant, and written notice setting forth all the following to both the complainant
and the State Chancellor:

A. The determination of the chief executive officer or his/her designee as to whether
there is probable cause to believe discrimination occurred with respect to each
allegation in the complaint.

B. A description of actions taken, if any, to prevent similar problems from occurring
in the future.

C. The proposed resolution of the complaint.

D. The complainant's right to appeal to the district Board of Trustees and to file a
complaint with the Department of Fair Employment and Housing (DFEH).

The MiraCosta Community College District recognizes the importance of and is
therefore committed to completing investigations and resolving complaints as quickly as
possible, consistent with the requirements for a thorough investigation.

In any case involving employment discrimination, within ninety (90) days of receiving an
unlawful discrimination complaint filed under Title 5, §§ 59300 et seq., the responsible
district officer will complete the investigation and forward a copy or summary of the
report to the complainant, and written notice setting forth all the following to the
complainant:

A. The determination of the chief executive officer or his/her designee as to whether
there is probably cause to believe discrimination occurred with respect to each
allegation in the complaint.
B. A description of actions taken, if any, to prevent similar problems from occurring in the future (see footnote 8).

C. The proposed resolution of the complaint.

D. The complainant’s right to appeal to the district Board of Trustees and the Department of Fair Employment and Housing.

The district will keep these documents on file for a period of at least three years after closing the case, and make them available to the State Chancellor upon request.

MiraCosta Community College recognizes the importance of and is therefore committed to completing investigations and resolving complaints as quickly as possible, consistent with the requirements for a thorough investigation.

**Complainant’s Appeal Rights**

Complainants have appeal rights that they may exercise if they are not satisfied with the results of the district’s administrative determination. At the time the administrative determination and summary is mailed to the complainant, the responsible district officer or his/her designee shall notify the complainant of his or her appeal rights as follows:

A. First level of appeal: The complainant has the right to file an appeal to the district’s Board of Trustees within fifteen (15) days from the date of the administrative determination. The district’s Board of Trustees will review the original complaint, the investigative report, the administrative determination, and the appeal.

B. The district Board of Trustees will issue a final district decision in the matter within forty-five (45) days after receiving the appeal. Alternatively, the Board of Trustees may elect to take no action within forty-five (45) days, in which case the original decision in the administrative determination will be deemed to be affirmed and shall become the final district decision in the matter. A copy of the final decision rendered by the Board of Trustees will be forwarded to the complainant.

Complainants must submit all appeals in writing.

**Forward to State Chancellor**

In any case not involving employment discrimination, within 150 days of receiving a complaint, the responsible district officer will forward the following to the State Chancellor:

A. A copy of the final district decision rendered by the Board of Trustees or a statement indicating the date on which the administrative determination became final as a result of taking no action on the appeal within forty-five (45) days.

B. A copy of the notice of appeal rights the district sent the complainant.

C. Any other information the State Chancellor may require.
The district will keep these documents on file for a period of at least three years after closing the case and in any case involving employment discrimination make them available to the State Chancellor upon request.

**Extensions**

If for reasons beyond its control, the district is unable to comply with the ninety (90)-day or 150-day deadlines specified above for submission of materials to the complainant and the State Chancellor's Office, the responsible district officer will file a written request that the State Chancellor grant an extension of the deadline. The request will be submitted no later than ten (10) days prior to the expiration of the deadlines established by Title 5 in §§ 59336 and/or 59340 and will set forth the reasons for the request and the date by which the district expects to be able to submit the required materials.

A copy of the request for an extension will be sent to the complainant, who will be advised that he or she may file written objections with the State Chancellor within five (5) days of receipt.

The State Chancellor may grant the request unless delay would be prejudicial to the complainant. If an extension of the ninety-day deadline is granted by the State Chancellor, the 150-day deadline is automatically extended by an equal amount.
