Members of the MiraCosta Community College District who are witnesses to or victims of a crime on college property should immediately report the crime to the MiraCosta College Campus Police (MCCP).

In the event an employee is assaulted, attacked, or menaced by a student, the employee shall notify his or her supervisor as soon as practical after the incident. The supervisor of any employee who is attacked, assaulted, or menaced shall assist the employee to promptly report the attack or assault to the MCCP. The supervisor himself or herself shall make the report if the employee is unable or unwilling to do so.

The district shall publish warnings in a timely manner to the campus community about crimes that are considered to represent a continuing threat to other students and employees and/or will aid in the prevention of similar crimes. The information shall be disseminated by the Chief of Police of the MCCP in a manner that aids the prevention of similar crimes.

The district shall annually collect and distribute statistics concerning crimes on campus. All college staff with significant responsibility for student and campus activities (e.g., coaches, counselors, health-services staff members, activities directors, and instructors) shall report crimes that occur on district property about which they receive information.

The district shall publish an annual security report (Clery Act) every year by October 1 that contains statistics regarding crimes committed on campus and at affiliated locations for the previous three years. The annual security report shall also include policies pertaining to campus security, alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, victims' assistance program, student discipline, campus resources, and other matters. The district shall make the report available to all current students and employees. The district will also provide prospective students and employees with a copy of the annual security report upon request. A copy of the annual security report can be obtained by contacting the MCCP or at the Web site address published in http://www.miracosta.edu/police. Postcards will be sent out to all students advising them where and how to obtain this report.
