All courses of the district shall be open to enrollment in accordance with Board Policy 5010 and a priority system consistent with Administrative Procedure 5055. Enrollment may be limited to students meeting properly validated prerequisites and corequisites.

No student is required to receive permission to enroll in any class offered by the district, except as provided for in Administrative Procedure 5055 and for enrollment in programs requiring a separate application process, including Licensed Vocational Nursing and Registered Nursing.

Students are not required to participate in any preregistration activities not uniformly required, and no registration procedures are used that result in restricting enrollment to a specialized clientele, except as provided in Administrative Procedure 5055 and for enrollment in programs requiring a separate application process, including Licensed Vocational Nursing and Registered Nursing.

A student may challenge an enrollment limitation on any of the following grounds:

A. The limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

B. The district is not following its enrollment procedures.

C. The basis for the limitation does not in fact exist.

Students may challenge an enrollment limitation based upon the above grounds by submitting a challenge form to the Admissions and Records Office at the time of registration. The student will be enrolled in the requested class if space is available. The challenge shall be reviewed by the Committee on Exceptions and the student notified of the decision within five working days. If the challenge is denied, the student will be dropped from the class and refunded all applicable fees.
