You can make changes to your class schedule online using SURF (**surf.miracosta.edu**) or in person at the Admissions & Records Office in the Community Learning Center. You will not be mailed a confirmation of registration. Students are responsible for officially adding or dropping a class. If you decide not to continue in a class for which you have registered, it is your responsibility to officially drop the class by using SURF or by submitting a drop card to Admissions & Records. For assistance, email **noncredit@miracosta.edu** or call 760.795.8710.

Class Cancellations

Classes may be cancelled due to insufficient enrollment. Every attempt will be made to contact students by email before the class meets. Students do not need to drop a cancelled class.

Academic Accommodations

Students with disabilities, whether physical, learning, or psychological, who believe that they may need accommodations, are encouraged to contact Student Accessibility Services as soon as possible. Please call 760.795.6658 or email **sas@miracosta.edu** for assistance. More information about the program is available at **miracosta.edu/sas**.

Parking Permits

Parking permits are required Monday–Saturday when parking at the Community Learning Center (CLC), Oceanside, and San Elijo campuses. All vehicles not displaying a valid parking permit will be ticketed starting the second week of classes. Students may not park in staff spaces. Parking permits may be purchased for $17.50 for the CLC or $35 for the Oceanside or San Elijo campuses. Parking permits purchased for the CLC are not valid at the Oceanside and San Elijo campuses.

Parking pay stations for day passes are available at all three campuses. Day passes at the CLC are $0.50, and passes at the San Elijo and Oceanside campuses are $1.00. If the parking pay station at the CLC is not working, a day pass may be purchased at Admissions and Records. All visitors must purchase a day pass Monday through Saturday. Please note that permits are non-refundable.

Attendance at First Class Meeting and Waitlists

To ensure your place in a class, attend the first class meeting. Students in 100 percent online classes must log in to Canvas and engage in coursework during the first week to avoid being dropped for inactivity. Instructors may drop absent students to make room for students wishing to add the class from the waitlist. While registering in SURF, students may select the waitlist option for a full class. To add a class that has been waitlisted, students will need to contact the instructor. If the instructor agrees to add the student to a class, they will provide the student with a permission number that the student can use to add the class in SURF. The instructor may also contact Admissions & Records to add the student.
