

The California Community Colleges and the Employment Training Panel (ETP) work together to provide businesses across the state with no-cost training that is designed to increase efficiencies, enhance productivity, and reduce costs.

**The California Community Colleges deliver a wide variety of ETP-funded employee training programs including:**

- Business Skills
- Commercial Skills
- Computer Skills
- Continuous Improvement Skills
- Green/Clean Skills
- Hazardous Materials Skills
- Literacy Skills
- Management Skills
- Manufacturing Skills
- Automations and Engineering

**ETP's long-standing partnerships with community colleges across the state are critical to reaching employers and providing quality job training."**

**Would you like to receive high quality, customized employee training subsidized by ETP funding?**

We are experienced at securing funding on behalf of our clients. We will handle all the administrative processes including your application, contracts, ETP monitoring, and reimbursement of funds—and we will deliver the training program that fits your business needs and goals. All you need to do is send your employees to training!
