

## **NCESL 65 – English as a Second Language, Citizenship**

### Listening/Speaking

Produce organized and complete answers to citizenship questions as part of a formal naturalization interview.

#### Listening

1. Identify main ideas from information in a short lecture.
2. Interpret meaning of face-to-face conversation by giving appropriate responses.

#### Speaking

1. Provide organized and complete answers to naturalization interview questions.
2. Use clarification strategies to demonstrate meaning.
3. Organize and deliver a brief oral presentation related to civics.

### Reading

Interpret print materials on familiar and unfamiliar civics materials related to naturalization.

1. Interpret specific information from a variety of written sources including the Internet.
2. Identify the sequence of events in a reading passage.
3. Summarize reading passages.

### Writing

Use personal information to complete authentic Naturalization application (N-400).

1. Write dictations accurately based on civics content.
2. Use personal information to complete naturalization forms.
