

## Taser X26P Training Outline

### New Users:

New Users must review and know Department Policy 304 Taser Guidelines

- Issuance and carrying Taser devices
- Verbal and visual warnings
- Use of the Taser device
- Application of the Taser device
- Special deployment considerations
- Targeting considerations
- Multiple applications of the Taser device
- Actions following deployments
- Dangerous animals
- Documentation
- Medical treatment
- Supervisor responsibilities
- Training

New Users must also review and perform the following:

- Review entire New User Certification Course PowerPoint Presentation(s) & training bulletins
- Written test must be completed with a score of 100% (remediate as needed)
- Demonstrate safe handling of CEW to include: proper finger positioning, aiming and deploying at preferred target area and while loading / unloading
- Deploy a minimum of 2 live cartridges (for each weapon certification), placing both probes in preferred target zones
- Perform a proper warning ARC (Safety warning: remove cartridge from X26P before conducting Arc warning)
- Addition training if the Taser Instructor feels it is necessary

### Annual Recertification:

Annual Recertification Users must review and know Department Policy 304 Taser Guidelines

- Issuance and carrying Taser devices
- Verbal and visual warnings
- Use of the Taser device
- Application of the Taser device
- Special deployment considerations
- Targeting considerations
- Multiple applications of the Taser device
- Actions following deployments
- Dangerous animals
- Documentation
- Medical treatment
- Supervisor responsibilities

## Taser X26P Training Outline

- Training
