

NOTICE: PREQUALIFICATION STATUS OF BIDDERS

Procurement No.: **BID# MM- 21-001**

Project Name: **OCN ("OCN") – Admin Building Renovation ("Project")**

The following Applicants, listed in alphabetical order, achieved prequalification per the requirements of the Prequalification Application. **These Applicants are hereby invited, per the requirements of the Bid Documents, to submit a Bid to the District.** In order to be deemed responsive, a Bid must include, and be accompanied by, all the documents called for in the Bid Documents:

Align Builders

Barnhart Reese Construction, Inc.

Caliba, Inc.

Cox Construction Co.

EC Constructors, Inc.

Erickson Hall Construction

Nielson Construction Ca.

PCN3, Inc.

Prava Commercial General Contractor

RORE

Soltek Pacific Construction Company

Swinerton

In order to be deemed responsive, a Bid must include, and be accompanied by, all of the documents called for in the Bid Documents.

Bid Documents will be posted to PlanetBids on April 2, 2021. The bid documents will include the amended bid schedule and information regarding the yet to be scheduled pre-bid job walk.

Note: The ranking immediately above does not indicate any preference among any of the prequalified Applicants for bid purposes other than that each Applicant identified above is now invited and entitled to submit a Bid per the Bid Documents. The Low Bid received from the prequalified Applicants will be determined as stated in the Bid Documents, including any Addenda issued in connection with this procurement.

For the Applicants that did not achieve prequalification status for this Project, it does not mean that the Applicant was determined to be a "non-responsive bidder", or that the Applicant cannot submit an application for prequalification status and/or a bid/proposal, on other District projects.

The District wishes to express its sincere appreciation to all Applicants.
