I understand that if this class(es) must be canceled due to insufficient enrollment or if a full-time instructor who loses his/her contract load is required to replace me in a class(es), MiraCosta Community College District is responsible for providing compensation only for the actual hours I spent in the class(es). I have read the Course Outline(s) of Record for the above course(s), and I agree to teach each course in accordance with its outline. I agree to meet all of the hours designated including a meeting during final exam week (if applicable). I also agree to turn in my grades within three working days of my last final exam or class meeting. I agree to complete and return any paperwork necessary for hiring before the date of the first class meeting.

If, at any time, my assignment (or combined assignments) exceeds 67% (or 10 LHE) of a full-time assignment as specified in Ed. Code 87482.5, I agree to notify the District immediately of the fact so that my assignment may be reduced to conform to the temporary nature of my assignment. My failure to so notify the District will prevent me from claiming any probationary or tenure right in connection with the above assignment.

I understand that this offer of employment is limited and temporary. At the end of each semester, the teaching assignment with MiraCosta ends. If I am offered another teaching assignment, I understand that it should not be construed as a continued expressed or implied contract for employment with MiraCosta. Each teaching assignment is a new offer of employment for one semester.

Your assignments are listed above. Please check each item carefully. If the information on this sheet is correct, please click the electronic signature, click Accept and Save. If you do not accept, contact your dean with any questions or concerns.
