

ACADEMIC SENATE

Proposed Goals for the Academic Senate for 2022-2023

Theme: Teaching and Learning

Goal #1) Given that many MiraCosta faculty have received training on identifying equity gaps, guidance is needed on clear and concrete ways to address those gaps. This year, this taskforce will create a local guide for Faculty on Culturally Responsive Teaching Practices using the DEI in Curriculum: Model Principles and Practices as a model. The taskforce will collaborate with the C3 Joyful Teacher in Residence, PDP, CPC, and MOE, on development of the guide and ways to incorporate the guide into faculty professional learning opportunities.

Theme: Onboarding

Goal #2) Develop focused and discrete training materials that may be delivered to Senate members in a "just-in-time" manner, so all members—but especially new members, associate faculty, and student senators—may participate in deliberative processes with full confidence and certainty. In this, we aim to create a recursive, sustaining onboarding process that also becomes a model that other Academic Senate subcommittees might adopt and emulate

Theme: Enrollment and Course Offerings

Goal #3) A taskforce of the Academic Senate will collaborate with the new MiraCosta Enrollment Management team to research and learn about existing and innovative enrollment management practices to improve enrollment and to support equity, access, and student success. This taskforce will provide updates during Academic Senate meetings throughout the year.
