**III. Teleconferencing for Meetings**

*Description: The DEqCC Committee will consider whether to authorize teleconferencing meetings pursuant to recent legislation AB 361, since meeting in person would present imminent risks to the health or safety of attendees. In order to continue to meet under these abbreviated teleconferencing procedures, AB 361 requires a legislative body to make specified findings not later than 30 days after the first teleconferenced meeting and to make those findings every 30 days thereafter. DEqCC will consider the circumstances of the state of emergency and determine if the emergency continues to directly impact the ability of members to meet safely in person OR if state and local officials have imposed or recommended measures to promote social distancing.*

**IV. Persons wishing to Address the Committee**

Members of the public shall have an opportunity to address the committee either before or during the committee's consideration of each item of business to be discussed at regular or special meetings, including closed session items. In addition, with limited exceptions, the committee will provide an opportunity at regular meetings to address the committee on any other item of interest
