AGENDA

I. Call to Order

II. Roll Call

III. Teleconferencing for Meetings

Description: On January 28, 2022, The DEqCC Committee voted to authorize teleconferencing pursuant to recent legislation AB 361, since meeting in person would present imminent risks to the health or safety of attendees. To continue to meet under these abbreviated teleconferencing procedures, AB 361 requires a legislative body to make specified findings not later than 30 days after the first teleconferenced meeting and to make those findings every 30 days thereafter. DEqCC will reconsider the circumstances of the state of emergency and determine if the emergency continues to directly impact the ability of members to meet safely in person. This item will be a recurring item until the body determines the circumstances no longer support the findings in R. 2-21.

IV. Persons wishing to Address the Committee

Members of the public shall have an opportunity to address the committee either before or during the committee's consideration of each item of business to be discussed at regular or special meetings, including closed session items. In addition, with limited exceptions, the committee will provide an opportunity at regular meetings to address the committee on any other item of interest which is within the subject matter jurisdiction of the committee. In order to efficiently manage the

business of the committee, the chair may limit the amount of time allocated for public testimony for each individual speaker to three (3) minutes, and to limit the total time allocated on a particular issue to fifteen (15), unless waived by the committee (pursuant to Board Policy 2345). Decorum is to be expected by all members of the committee and public as outlined in Board Policy 2355.
