Program Student Learning Outcome (PSLO) Results As of Spring 2014

Program	PSLO	Outcome	Outcome Status	Outcome Written	Result Date	Result Type
accounting AA and COA	PSLO 1	At the end of this program, the student will be able to successfully construct and analyze accounting information for the purposes of making business decisions.	Active	01/01/2012	01/23/2012	Achievement Level Met
dministration of Justice for Transfer AS	PSLO 1	Prepare students for further study and/or employment in entry-level positions in the criminal justice system.?	Active	03/05/2014		
dministrative Professional AA and COA	PSLO 1	Upon completion of this program the student will be able to create and format written communications choosing the medium for a given scenario.	Active	03/06/2014		
rchitectural Design AA and COA	PSLO 1	After completing this program of study, students will be able to design and create graphical representations of the built environment based on industry standards.	Active	01/01/2012		
ssociate Teacher AA and COA	PSLO 1	Design and implement curriculum based on observation and assessment of young children to support play and learning.	Active	01/01/2012		
audio Recording Production AA and COA	PSLO 1	Teach methods to use current technologies to create a high-quality musical presentation suitable for broadcast within a given timeline.	Active	01/01/2012	05/24/2013	Achievement Level Met
udio Recording Production AA and COA	PSLO 1	Teach methods to use current technologies to create a high-quality musical presentation suitable for broadcast within a given timeline.	Active	01/01/2012	05/31/2012	Achievement Level Met
Audio Recording Production AA and COA	PSLO 2	Work within a group to produce an audio recording using audio equipment such as mixers, audio recorders, signal processors, patch bays and microphones.	Active	01/01/2012	05/24/2013	Achievement Level Met
Audio Recording Production AA and COA	PSLO 2	Work within a group to produce an audio recording using audio equipment such as mixers, audio recorders, signal processors, patch bays and microphones.	Active	01/01/2012	05/31/2012	Achievement Level Met
Audio Recording Production AA and COA	PSLO 3	Choose, position and configure microphones and preamplifiers to accurately capture and store audio.	Active	01/01/2012	07/18/2013	Achievement Level Met
udio Recording Production AA and COA	PSLO 3	Choose, position and configure microphones and preamplifiers to accurately capture and store audio.	Active	01/01/2012	05/31/2012	Achievement Level Me
automotive Electronics, Computers, and Emissions and/or HVAC COA	PSLO 1	Synthesize knowledge of electrical systems and computer technology to diagnose, service, and repair electrical and computer communication circuits as they relate to automotive drive-train and accessory systems, with an emphasis in emissions and/or heating, ventilation, and air conditioning.	Active	01/01/2012	12/10/2012	Achievement Level Met
Automotive Technology AA and COA	PSLO 1	Possess the knowledge and skills necessary to perform brake, suspension, engine, and electrical repair, service, and diagnostic procedures, as an entry-level automotive technician.	Active	01/01/2012	12/10/2012	Achievement Level Me
Sioprocess Technology COA	PSLO 1	Upon completion of the program, students will be able to successfully perform a technical laboratory task by employing the appropriate equipment and tools, safely and effectively.	Active	03/05/2014		
Bookkeeping AA and COA	PSLO 1	At the end of this program, the student will be able to analyze and record business transactions using double-entry accounting as well as construct and interpret required financial statements.	Active	01/01/2012	01/25/2011	Achievement Level Met
Business Administration for Transfer AS	PSLO 1	At the end of this program, the student will be able to interpret and analyze the Income Statement, Balance Sheet, and Statement of Cash Flows for the purpose of making business decisions.	Active	01/01/2012		
Business Entrepreneurship AA	PSLO 1	At the end of this program, the student will be able to select a target market and develop the marketing mix for a specific product or service.	Active	01/01/2012		
Business Entrepreneurship COA	PSLO 1	At the end of this program, the student will be able to select a target market and develop the marketing mix for a specific product or service.	Active	01/01/2012		
Business of Music COA	PSLO 1	Demonstrate an understanding of intellectual property laws as they specifically apply to the music industry.	Active	01/01/2012	05/31/2012	Achievement Level Met
usiness of Music COA	PSLO 2	Understand the process of affiliation with the appropriate organizations for the registration and collection of copyright royalties.	Active	01/01/2012	05/31/2012	Achievement Level Met
usiness of Music COA	PSLO 3	Demonstrate the ability to understand and interpret contracts and terminology specifically found in the entertainment industry.	Active	01/01/2012	05/31/2012	Achievement Level Me
A Smog Check Technician COA	PSLO 1	Possess the knowledge necessary to sit for the State of California Smog Technicians Examination and the skills necessary for entry-level employment as a smog technician in a state approved smog test only or smog test and repair facility.	Active	01/01/2012	12/10/2012	Achievement Level Met
Certified Computer Desktop Support Specialist COA	PSLO 1	At the end of this program, the student will be able to successfully support application software, operating systems, local area networks, and desktops within the context of a professional customer service environment.	Active	01/01/2012	06/17/2013	Achievement Level Met
Communication Studies for Transfer AA	PSLO 1	Students will develop the ability to present clear and effective messages.	Active	01/01/2012	06/30/2013	Achievement Level Met
Communication Studies for Transfer AA	PSLO 2	Students will understand the relevance of the theories and methods of communication.	Active	01/01/2012	06/30/2013	Achievement Level Me

Communication Studies for Transfer AA	PSLO 3	Students will be prepared for transfer to a Communication Studies program in a California State University.	Active	01/01/2012	06/30/2013	Achievement Level Met
Computer Applications Professional for Business AA	PSLO 1	At the end of this program, the student will be able to successfully use a range of business productivity computer		01/01/2012		
		applications to solve business problems.				
Computer Programming Fundamentals AA	PSLO 1	The student will be able to analyze, design, and generate mature software solutions to complex and abstract	Active	01/01/2012		
		programming problems utilizing efficient and appropriate algorithms while working alone or cooperatively in a team.				
		They will also be able to competently explain and present the code and the results both verbally and in writing.
