Introduction and General Information

This booklet has been prepared by the Salary Advancement Committee (SAC). The mission of SAC is to ensure the integrity of the professional growth process and support the professional development of faculty by assisting those colleagues in the preparation of quality applications and reports of activities undertaken for advancement on the salary schedule.

Professional Standards

Unit credit for advancement on the salary schedule is a privilege, not a right, granted to the faculty by the Board of Trustees. All applicants for advancement are expected to respect this privilege. As such, all applicants are trusted to do the following:

- ◆ Prepare comprehensive, professional-quality applications and reports that clearly communicate and document the purpose, objectives, activities, and documentation for advancement on the salary schedule;
- ◆ Incorporate into their applications and reports the same topic headings listed in this booklet;
- ◆ Complete the required forms available on the Salary Advancement Committee webpage at <https://www.miracosta.edu/governance/salary-advancement-committee/index.html> by the given deadlines and submit the forms and any supporting documentation to the SAC Academic Senate Administrative Assistant at mail station #8C.

SAC Application Procedures

Advancement on the Salary Schedule happens only once per year, but the committee will meet twice a year to grant approval for the coursework needed for advancement. The Fall semester deadline for approval is October 1st and the Spring semester deadline for approval is March 1st.

Choose ONE of the following two options:

Option 1

This is the preferred option for salary advancement. Applicant will submit documentation to the Salary Advancement Committee (SAC) for approval PRIOR to undertaking the coursework/project by October 1st and/or March 1st. Documentation includes application form, statement of purpose of benefits, list of coursework to be done, a copy of the catalog description(s), applicant signature, and department chair approval/signature. After completing the coursework/project, the applicant will submit a letter of intent for salary advancement to HR by May 15th and official transcript(s) verifying coursework completion by September 5th.

Option 2

If the applicant has not obtained prior approval for coursework/project, the applicant will need to provide documentation for review by the SAC without guarantee of approval for salary advancement, by October 1st and/or March 1st. Documentation includes application form, statement of purpose of benefits, list of completed coursework, a copy of the catalog description(s), applicant signature, and department chair approval/signature.

If coursework is approved by the SAC, the applicant will submit a letter of intent for salary advancement to HR by May 15th and official transcript(s) verifying coursework completion by September 5th.

I. Educational Objectives

Each faculty applicant must have one or more recognized objective(s) that would lead toward any one of the following:

- ◆ Master's or Doctoral Degree
- ◆ A credential other than teaching
- ◆ Improvement in the teaching field

II. Purpose and Benefits

The applicant must include a statement of purpose addressing the benefits of the proposed coursework to one or more of the following:

- ◆ The applicant's professional development
- ◆ The enhancement of the applicant's work at the college
- ◆ The students
- ◆ The applicant's department

III. Courses

Graduate or upper division courses are highly recommended for salary advancement.

Accredited international college or university courses are permitted based on prior review by SAC and approval by ASC and the Superintendent/President and before the courses are taken. Units may require transcription and fees will be the responsibility of the applicant.

Lower division courses, up to a maximum of eight (8) semester units, taken at accredited colleges or universities may be granted credit toward salary advancement. The Applicant should obtain prior approval from SAC before starting any lower division courses.

Vocational/Technical courses or training, up to a maximum of eight (8) semester units, may be granted credit toward salary advancement. The applicant should obtain prior approval from the SAC before starting any coursework or training. One semester unit of credit may be awarded for each forty-eight (48) hours of verified work. Proof of completion needs to be provided to HR and the SAC.

1. List of courses taken to include: (please type)
 - ◆ Institution
 - ◆ Course #
 - ◆ Course title
 - ◆ Unit (Identify Quarter or Semester)
 - ◆ Anticipated completion date
2. Catalog description (Attach a photocopy or printout)

Note regarding Extension Courses:

If a faculty member enrolls in an extension course partnered with a regionally accredited university, the faculty member must dual-enroll in the course at the partnered university to receive credit. A separate fee due to the university may apply. This statement does not guarantee that every extension course offers this dual enrollment option. The faculty member should check the availability of this option for each class in which they will enroll.

Any "Course(s)" options listed in Section III., which include these extension courses used for salary advancement cannot be funded by MiraCosta College in any way. Professional development funds, department funds, etc., cannot be used towards any portion of a course or training used for salary advancement.

IV. Approval Process

Applicants should submit for approval, courses or training to be used for salary schedule advancement prior to enrollment in the course or start of activity. However, applications must be submitted within five years of completion from an accredited institution or two years for courses or training completed at other than an accredited institution in order to be considered.

1. Submit completed application along with supporting documentation to Department Chair for approval.
2. Applicant sends application packet to the SAC Academic Senate Administrative Assistant at mail station 8C by October 1st and/or March 1st.
3. HR calculates total units and determines if applicant is eligible for advancement.
4. The SAC reviews request and notifies applicant of application status. If approved, the SAC forwards application to AS for review/approval.
5. The SAC Academic Senate Administrative Assistant notifies applicant of outcome.
6. If eligible for advancement, applicant submits letter of intent to HR by May 15th deadline. (Coursework/Activity must be completed prior to the end of the academic year.)
7. Salary advancement request is forwarded to the Superintendent/President and the Board of Trustees.
8. Applicant must submit official transcript(s) to HR by the September 5th deadline.

V. Procedure for Altering an Approved Proposal

Should the applicant of an approved coursework/activity for advancement on the salary schedule find it necessary to alter the proposed study or project after it has been approved, an "Application for Altering an Approved Proposal" form available on the SAC webpage (see Appendix B), must be submitted to the SAC for approval. Following the granting of such approval, the amended proposal will be rerouted to the Academic Senate and the Superintendent/President for approval.

The deadline for all letters of intent to advance on the salary schedule **must** be submitted to the Superintendent/President or HR by May 15th. Actual evidence of qualification (transcripts, etc.) must be delivered to HR by September 5th to be effective for the ensuing school year. Failure to meet these deadlines will result in postponement of advancement on the salary schedule by a full year.

VI. Applying Advanced Coursework Towards Salary Advancement During Sabbatical Leave

A full-time faculty member who wishes to apply advanced coursework towards salary advancement is allowed to do so during their sabbatical leave. Please note that being approved to study at a foreign institution of higher education as part of your sabbatical leave does not imply that such study will be approved for advancement on the salary schedule. Please consult with the Chair of the Salary Advancement Committee for information on the types of work that will qualify (<https://www.miracosta.edu/governance/salary-advancement-committee/index.html>).
