

# FINAL EXAMS / SPRING 2018

This final exam schedule applies to all full-semester and 15-week, late-start classes only.

All classes, besides Saturday only and short-term classes, must meet during finals week, on the date and time indicated below, regardless if an exam is administered.

Saturday only classes meet during their regularly scheduled meeting time. Short-term classes will hold their final exam at the last regular class meeting with the exception of 15-week classes that follow the exam schedule.

If there is a conflict between the times of two or more of your finals, as posted in the grid below, please contact your instructors to make arrangements.

**Day and evening classes that meet twice a week (MW or TTh)** will observe the following schedule. Classes that have different starting times for each class meeting should use the first day of the week to determine the day/date/time of the final.
