The **placement process** is the first step in **matriculation**. It starts you on the right path and

keeps you going to arrive at your educational destination. Matriculation has four parts: *placement, orientation, advisement, and education planning.*

Students can challenge or appeal any step in the matriculation process by emailing [studentsuccess@miracosta.edu](mailto:studentsuccess@miracosta.edu).

## Know Your Rights Under AB 705

Signed into law, Assembly Bill (AB) 705 requires California Community Colleges to maximize the probability that students will enter and complete transfer-level coursework in English and math within a one-year time frame. AB 705 requires that colleges use one or more of the following measures for placement into math and English courses:

- High school Grade Point Average (GPA)
- High school coursework
- High school grades

For more information on your rights under AB 705, visit [miracosta.edu/testing](https://miracosta.edu/testing).

# COMPLETE ORIENTATION

MiraCosta College offers two ways to complete orientation, Spartan Prep and Spartan Start:

- 1 Complete **Spartan Prep** by logging in to your **SURF** account at [surf.miracosta.edu](http://surf.miracosta.edu).

## Spartan Prep

Spartan Prep is a guide for students to complete online orientation and advisement and develop a first semester education plan. Students will be introduced to college terminology, academic programs, and student support services, along with planning tools that will help students succeed at MiraCosta College.

- 2 Register for your **Spartan Start** session at [miracosta.edu/spartanstart](http://miracosta.edu/spartanstart).

Attending Spartan Start will help students get familiar with the campuses, learn about social and academic resources, and connect with professors, staff, and students for a great start at MiraCosta College.

Contact the Orientation and Student Support office (formerly known as Student Success and Support Program or SSSP) at [orientation@miracosta.edu](mailto:orientation@miracosta.edu) with any questions.

# DEVELOP AN EDUCATION PLAN

An education plan is an important tool to help students attain their goals without wasted time and effort. The plan outlines a suggested pathway for students based on their major, transfer goals, or other objectives.

Education plans allow students to determine how long it will take to complete a program of study and to be sure that all program requirements can be met within a particular period of time. Students can develop options for education plans on **myEdPlan** in **SURF**. However, to maintain priority registration, students must:

- Meet with a counselor.
- Complete a comprehensive education plan prior to completion of 15 units or a third semester (whichever comes first).

# FINANCIAL AID

Need money for college? Financial aid can help.  
Don't miss out on making college even more affordable!

## ◆ Three Ways to Get Financial Aid Information

1. Visit our webpage: [miracosta.edu/financialaid](http://miracosta.edu/financialaid).
2. Join us on chat: [miracosta.edu/FinAidChat](http://miracosta.edu/FinAidChat).
3. Call us at **760.795.6711** or email [MCCFinAid@miracosta.edu](mailto:MCCFinAid@miracosta.edu).

## ◆ Three Reasons to Apply for Financial Aid

### 1. Federal Financial Aid programs available

- ✦ **Grants like Federal Pell & FSEOG:** free money that does not need to be repaid.
- ✦ **Federal Work Study:** part-time student employment program.
- ✦ **Federal Direct Loans:** federal education loans that typically have a low interest rate and require repayment after finishing school.

### 2. State Financial Aid programs available

- ✦ **California College Promise Grant (CCPG):** formerly known as Board of Governors (BOG) Fee Waiver, which waives tuition costs.
- ✦ **Cal Grants:** free grant money for academically and financially eligible students that file a FAFSA/CADAA prior to the March 2 priority filing date.
- ✦ **Student Success Completion Grant:** free grant money for Cal Grant students enrolling in at least 12 units; increased amounts for students enrolled in 15 units or more.

### 3. Local Financial Aid programs available

- ✦ **MiraCosta College Promise program:** free grant money that covers tuition and mandatory fees for two academic years for all first-time, full-time students.
- ✦ **Scholarships:** free money available for students, including undocumented and international students.

## Undocumented Students

If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act Application (CADAA) at [dream.csac.ca.gov](http://dream.csac.ca.gov) to determine eligibility for state and local programs.

### Important

- ✦ Aid eligibility is based on enrolled units as of the full semester add/drop date. Recalculations are not made after that point. This date applies to all courses including late-start courses. Waitlisted classes do not count toward enrollment.
- ✦ Students who withdraw after the add/drop date may be required to repay a portion of their financial aid funds.

## ◆ Five Steps to Receiving Financial Aid

### 1 Apply

Complete the FAFSA at [fafsa.gov](http://fafsa.gov) or the California Dream Act Application (CADAA) at [dream.csac.ca.gov](http://dream.csac.ca.gov).  
MiraCosta College School Code is **001239**.

### 2 Check Email

You will receive an email 3–5 business days after applying with further instructions and estimated award amounts.

### 3 To-Do List

Additional documents will be requested via the **SURF** Tasks List. Check your Tasks List often.

### 4 Review

Once your Tasks List is complete, your file will be reviewed to confirm eligibility. Reviews can take between 2–4 weeks to complete.

### 5 Payment

Financial Aid partners with BankMobile to deliver financial aid. You can set up direct deposit to your existing bank account or a BankMobile Vibe account through **SURF**.

# REGISTER FOR CLASSES

After MiraCosta College processes your application (typically within two business days), you will receive an email with information about **SURF**, our online registration system accessible at **surf.miracosta.edu**. You must log in and set up a password. Then you'll use **SURF** to register for your classes.

### IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are approved effective Fall 2021 and are valid through Summer 2022.**

Certification of this general education pattern is not a CSU admission requirement, except when students are completing an Associate Degree for Transfer to a California State University. Students are strongly advised to work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work.

Credit will not be awarded for both the honors and non-honors version of a course.

Courses listed in two different areas may be used in either area but not both.

( ) Course approved beginning semester and year indicated. Course taught on campus prior to CSU GE approval.

\*Consistent with CSU admission policies, MiraCosta College will certify courses in Area A or B4 that have been completed with a minimum grade of "C-" or better.\*

†Effective for students beginning at MiraCosta or a CSU campus in Fall 2021 and beyond. Students with continuous enrollment (attendance in at least one semester per calendar year at a CSU or CCC or a combination of the two) prior to Fall 2021 may choose to complete the Plan B pattern without Area F and with the 9 unit Area D requirement.

### IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are approved effective Fall 2021 and are valid through Summer 2022.**

IGETC is not a UC admission requirement but is advantageous to most transfer students. Students are strongly advised to work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work specific to the intended UC campus. Certification of IGETC, including Area 1C, Oral Communication, is an admission requirement for the California State University system, when students are completing an Associate Degree for Transfer and using IGETC to fulfill the general education component of this degree.

All courses on IGETC must be completed with a "C" or better. A "P" (pass) is acceptable, but UC permits no more than 14 semester transferable units to be completed on a pass/no pass basis.

UC credit may be limited for some courses. For example, no credit is given for an introductory course if it is taken after a more advanced college course. Credit may also be limited for courses with overlapping content. In addition, duplicate credit will not be awarded for the honors and non-honors versions of a course. UC credit limitations are noted on the catalog course descriptions.

Courses listed in two different areas may be used in either area but not both.

( ) Course approved beginning semester and year indicated. Course taught on campus prior to IGETC approval.

\*Grades of "C-" are not acceptable except for high school language courses.

If you are currently working at a child care and education site, you will be assigned a virtual mentor. There are limited virtual placements, if one is not available you can choose to volunteer at an in-person placement. For students not currently working directly with children, you will be placed with a mentor at the campus lab school, or at a site in the community. For these volunteer placements, you will need proof of immunizations, which include the vaccine for COVID 19.
