SOCIAL WORK AND HUMAN SERVICES FOR TRANSFER

AA-T DEGREE

Description

Students completing this associate degree will have completed lower-division major preparation requirements for a social work and human services degree, an emphasis or option within a social work and human services degree, or a degree considered similar to social work and human services at a participating California State University (CSU) campus.

Following transfer to a participating CSU campus, students will be required to complete no more than 60 units to obtain a bachelor's degree; however, some CSU campuses may require additional lower-division major preparation. This degree may not be appropriate preparation for students transferring to a CSU campus not accepting this degree or to a university or college that is not part of the CSU system. Students should consult with a MiraCosta counselor for further information regarding the most efficient pathway to transfer as a social work and human services major and to determine which CSU campuses are participating in this program.

To complete the degree, students must fulfill the following requirements:

- Complete a minimum of 60 CSU-transferable semester units.
- Complete all courses required in the major with a "C" or "P" or better.
- Complete the CSU-GE (Plan B) or IGETC (Plan C)* general education pattern.
- Obtain a minimum CSU-transferable GPA of 2.0.
- Complete a minimum of 12 units in residence at MiraCosta College.

* Students completing IGETC may be awarded the degree, but they must complete a course from Area IC: Oral Communication to meet CSU admission requirements.
