## Student Voice

### Ryan Anderson

"The nursing program here at MiraCosta College is the best! The faculty, staff, and other students are so helpful, knowledgeable, and supportive of our goal of becoming nurses. Every day I have the opportunity to learn something new and then actually apply that knowledge to my patients in the hospital and, if the timing works out, I get to see some of those patients walk out the doors in better health. It has been the most rewarding challenge of my life so far."
