**Subject:** Join your Math Colleagues for Coffee/Tea on Wednesday, August 17 at 8:45am

Dear Math Colleagues,

Please join us at 8:45 tomorrow morning, Wednesday, August 17<sup>th</sup> for coffee, tea and light pastries in the morning. Some of us have not seen each other in person for a LONG time and it would be great to chat a little bit and have coffee/tea together before we start the meeting.

Attached is a new article “**How to Hold a Better Class Discussion**”. I personally found the **7 Strategies to Change the Norms of Class Discussions** explained in the article helpful and I hope I can conduct a better class discussion this semester.

Looking forward to seeing you tomorrow ☺

Thank you,
