BACKGROUND

Subsequent to the negotiations with the Faculty Assembly that resulted in the 2015-2018 MiraCosta Community College District and Faculty Assembly Agreement, a decision was made to transition the district's course management system from Moodle and Blackboard to Canvas. The district has agreed to allocate funding to support faculty work necessary to transition course material and design components from the Blackboard or Moodle course management systems into the Canvas course management system.

STATUS

The district and the Faculty Assembly have negotiated the terms and conditions of work to be performed and compensation to be paid, and agreed to a memorandum of understanding.
