WEEKLY BOARD NOTES

Board Meeting – February 25

Our next board meeting is scheduled for Thursday, February 25 and will be “live” in our temporary board room. A Zoom option will also be available, and we will need to know ahead of time which option you prefer. Please let Jeanne or Julie know so we can plan accordingly. The same choice should also pertain to our closed session before the regular meeting at 4 p.m. Closed session will begin at 2:30 p.m. and will take place in the President’s Conference Room in T270.

ACCJC

Please note this information from ACCJC about our college’s accreditation. We must submit our Institutional Self Evaluation Report (ISER) by Dec. 15, 2022. The visiting team will review our report March of 2023 and I should have a preliminary sense of their areas of inquiry within 1-2 weeks of that review.

The focused site visit will be the week of Sept. 18, 2023. This is the most important work happening on our campus that week. While I hope it will be a focused and a small visit, we should all be prepared and ready.

Futures Newcomers

Earlier this week, we sent an invitation to the campus community inviting them to attend a crash course on Futures 101 to acquaint them to what the current team has been learning since fall 2021. This 4-hour crash course will happen on February 28 and March 1 from 12:30 -5 p.m. (first half-hour for lunch). If you are interested in attending on one of these days, please let Jeanne know so we can plan accordingly for space and lunch.
