## MiraCosta College Celebrates its Hispanic-Serving Institution (HSI) Designation

MiraCosta College is proud to be recognized as one of the 523 institutions nationally to be designated as a Hispanic-Serving Institution (HSI). An HSI has an enrollment of undergraduate full-time equivalent students that is at least 25 percent Hispanic students. MiraCosta is deeply committed to a racially just campus climate, and supporting our Hispanic, Latinx, and Chicanx students toward completion of their personal and educational goals is an important part of that commitment.

## Good Cause of the Month

Presented by the MiraCosta College Foundation

MiraCosta College food pantry serves more than 1,200 students per month, and that need is growing.

We invite you to support the MiraCosta Food Pantry to combat food insecurity in our community.

Before the pandemic food insecurity has been a serious challenge within San Diego County. Due to the pandemic one in three households are at risk for food insecurity, according to research from the San Diego Hunger Coalition. Support MiraCosta students by giving to the Food Pantry today. Your gift will directly support the MiraCosta Campus Assessment, Resources, and Education (CARE) team provide vital resources to our students through the Food pantry and monthly farmers market, serving more than 43,000 pounds of food to students in need.
