## **Class of 2022 Celebrates Commencement**

Almost 600 of MiraCosta College's more than 1,500 graduates, ranging from 16 to 75 years of age, celebrated their accomplishments in person at the 2022 Commencement at the Athletic Track and Field on the Oceanside Campus.

The college awarded 3,155 degrees and certificates, with many students receiving multiple degrees or certificates. More than 400 graduates are first-generation college students and nearly 290 are affiliated with the military.

A significant number of students will transfer to four-year universities and many will start or continue their careers with newly gained knowledge. No matter where our students go after graduating, they are sure to lead the way and make a tremendous impact locally or globally.

Congratulations, Class of 2022! Thank you and best wishes for a prosperous future.

Remember: Once a Spartan, always a Spartan. [Join the MiraCosta Alumni Association.](#)
