

Elections shall be held every two years, in even numbered years. The term of office of each trustee shall be four years, commencing on the second Friday in December following the general election in November. Terms of trustees are staggered so that, as nearly as practical, one half of the trustees shall be elected at each trustee election.

The election of a board member residing in and registered to vote in the trustee area they seek to represent shall be solely by the registered voters of the same trustee area. A map of the seven areas of the district is posted on the college Website.

The superintendent/president shall submit recommendations to the Board of Trustees regarding adjustments to be made to the boundaries of each trustee area, if any adjustment is necessary, after each decennial federal census. The superintendent/president shall submit the recommendation in time for the board to act as required by law.
