The Board of Trustees finds that the receipt of gifts by public officials from persons who do business with the district erodes public confidence in the impartiality of decisions made by those officials. The purpose of this policy is to prohibit giving by persons who do and wish to do business with the district and receipt of such gifts, thereby eliminating, to the greatest extent possible, this loss of confidence.

Unless otherwise expressly defined, the terms used in this policy shall have the same meaning as defined in the California Political Reform Act (Title 9 of the California Government Code) and regulations issued by the Fair Political Practices Commission pursuant to the authority of the Political Reform Act, as the act and regulations shall be, from time to time, amended.

Nothing in this policy should be construed as to limit contributions or donations for political campaign purposes.
