**Misrepresentation**

Misrepresentation is defined as any false, erroneous, or misleading statement that the District, a representative of the District, or a service provider with which the District has contracted to provide educational programs, marketing, advertising, recruiting, or admissions services, makes directly or indirectly to a student, prospective student, a member of the public, an accrediting agency, a state agency, or the United States Department of Education.

MiraCosta Community College District
A misleading statement includes any statement that has the likelihood or tendency to
deceive or confuse. If a person to whom the misrepresentation was made could
reasonably be expected to rely, or has reasonably relied, on the misrepresentation, the
misrepresentation would be substantial.

This procedure does not apply to statements by students through social media outlets
or by vendors that are not providing covered services, as reflected herein.

**Loss of Eligibility for California College Promise Grant (formerly known as a BOG Fee Waiver)**

A student shall become ineligible for a California College Promise Grant if the student is
placed on academic or progress probation, or any combination thereof, for two
consecutive primary terms. Loss of eligibility shall become effective at the first
registration opportunity after such determination is made.

The district shall notify students of their placement on academic or progress probation
no later than thirty days following the end of the term that resulted in the student’s
placement on probation. The notification must clearly state that two consecutive primary
terms of probation will lead to a loss of the California College Promise Grant until the
student is no longer on probation. The notification must also advise students about the
available student support services to assist them in maintaining eligibility.

The district shall adopt, prominently display, and disseminate policies ensuring that
students are advised about the student support services available to assist them in
maintaining and reestablishing California College Promise Grant eligibility. Dissemination
includes, but is not limited to, information provided in college catalogs and class schedules.

The district shall establish written procedures by which a student may appeal the loss of
a California College Promise Grant due to extenuating circumstances, or when a student
with a disability applied for, but did not receive, a reasonable accommodation in a timely
manner. Extenuating circumstances are verified cases of accidents, illnesses, or other
circumstances that might include documented changes in the student’s economic
situation or evidence that the student was unable to obtain essential student support
services. Extenuating circumstances also includes special consideration of the specific
factors associated with Veterans, CalWORKs, EOPS, and DSPS student status.

Foster Youth shall not be subject to loss of California College Promise Grant due to
placement on academic or progress probation. This exemption for Foster Youth is
effective until the date specified in Education Code Section 66025.9 subdivision (c).
