

ADMINISTRATION OF JUSTICE

Administration of Justice is the study of the structure, functions, laws/procedures, and decision-making processes of those agencies that deal with the management of crime—the police, prosecutors, courts and correctional facilities.

"I participated in the ride along program with college police and got to talk in person with FBI agents and military attorneys. These experiences have helped me get a better understanding of the types of careers available to me."
—Alena Goodman, MiraCosta College student

"As a veteran, I am extremely pleased at how well MiraCosta has welcomed vets and their family. I am especially impressed with the Administration of Justice Program and how it prepared me for transfer to a 4 year institution and for the law enforcement career I am seeking."
—Thomas Sudnick, MiraCosta College student

This brochure was funded by the Carl D. Perkins Career and Technical Education Improvement Act of 2006 (17-C01-032) awarded to MiraCosta College and administered by the California Community College Chancellor's Office. The district, and each individual who represents the district, shall provide access to its services, classes, and programs without regard to age, ancestry, color, physical or mental disability, pregnancy, gender, gender identity, gender expression, marital status, medical condition, genetic information, national origin, parental status, race or ethnicity, religion, sexual orientation, military or veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

Shaping Minds for Success.
