## Service Learning & Volunteer Center (Center for Course-Connected & Co-Curricular Services)

The Service Learning & Volunteer Center assists students in finding community and campus partnerships for course-connected and co-curricular service projects. The center partners with local non-profit groups, public schools, parks and recreation centers, libraries, etc. Service opportunities may be done in person and online. Students who participate in service tend to have higher course satisfaction, higher retention rate, and higher GPA.

In addition, students have reported that service experiences have led to job and internship opportunities. The center also coordinates annual campus-wide days of service such as Dr. King Day of Service, Make a Difference Day, César Chávez Day of Service, Read Across America, and Alternative Spring Break.

Students use these experiences to explore career paths, increase social and cultural capital, and increase awareness of the community resources. Many students apply service hours on their resume, when they apply for scholarships or UC transfer applications. Students may earn a certificates of participation for both service learning (15 hours for one course at one location) or volunteer hours (50+ hours during the school year). Check out our website:

## History & Heritage Programming and Social Justice and Equity Internship

In conjunction with MiraCosta College's mission to serve disproportionately impacted communities and close equity gaps, Student Equity leads and coordinates History and Heritage Programming which celebrate cultures, heritages, and histories through engaging events and activities. The eleven series of events that we host are the following:

- Chicanx/Latinx Heritage Month (September)
- LGBTQIA+ History Month (October)
- Pilipinx American History Month (October)
- Native American & Alaskan Native Heritage Month (November)
- Black History Month (February)
- Women's History Month (March)
- Ability Awareness Month (March)
- Autism Acceptance Month (April)
- Arab, Middle Eastern, Muslim, and South Asian+ Heritage Month (AMEMSA+, April)
- Asian & Pacific Islander Heritage Month (April)
- Second Chance Month (April)

The Student Equity manages and supervises the Social Justice and Equity Interns. They serve as student staff members for the department, providing resources to members of the college and community. They provide assistance for diversity and inclusion programming, as well as support for events related to the college's commemorations of History and Heritage Months Programming (HHM). This support includes some planning, logistics, and promotion of events. Interns, when invited, will give brief presentations to classes and meetings, publicizing upcoming activities. They receive career development and academic credit (1 unit) for completing an internship with a faculty mentor that culminates in a project related to a topic of their own choosing. Each Intern has a specialty that determines their ongoing responsibilities (flyers, social media, data, etc.). As college representatives, interns are expected to be role models for their peers, maintain and demonstrate a professional attitude, and always execute sound judgment while supporting MiraCosta's commitment to creating a racially just campus climate.

## Academic Success & Equity (ASE) Programs

**Academic Success and Equity (ASE) Programs** support students who bring diverse strengths and experiences that have not always been recognized in traditional college settings. We celebrate and support students who are Black/African-American, Latinx/Chicanx, Native Hawaiian/Pacific Islander (NHPI), undocumented/mixed-immigration status, former foster youth, formerly incarcerated, and LGBTQIA+.

We understand that each of our students has unique experiences and identities. That's why we offer mentorship, specialized resources, and teaching methods that respect and celebrate who you are. Our goal is to help you succeed in your studies and feel a strong sense of belonging on campus.

By providing academic and personal support, ASE Programs helps students stay on track and reach their goals. We also work to create a community where our students' identities are valued while they grow as a leader. Together, ASE students, staff, faculty, and administrators honor our shared histories and use them to inspire and empower future leaders and advocates.

## Student Life & Leadership (SLL)

[Student Life & Leadership](#) (SLL) welcomes all students and empowers them to build community and enjoy their Spartan Experience. SLL connects students with clubs, advocacy work, and advances their leadership skills. SLL offers students the opportunity to track their involvement across campus with their Co-Curricular Learning Transcript, which they can refer to in their transfer applications and job interviews as they learn and grow their leadership skills.

SLL supports more than 45 student [clubs and organizations](#)! Some of our most active clubs include the [Black Student Union \(BSU\)](#), [Latina Leadership Network \(LLN\)](#), the [Gender Sexuality Alliance \(GSA\)](#), and [Movimiento Estudiantil Chicanx de Aztlán \(M.E.Ch.A.\)](#). Our notable organizations include [Phi Theta Kappa Honors Society \(PTK\)](#), and the [Associated Student Government \(ASG\)](#).

The ASG is a group of student leaders who represent students across the district and drive equity-focused goals forward through hosting College Hour events and through [ASG committee](#) work, such as the Diversity, Equity & Inclusion committee, to strive for progress across campus to best support our community.

We are also here to celebrate your success! SLL leads the Commencement team who plans graduations celebrations, including Grad Fest, leads the Commencement Speaker & Commencement Artist selection committee, and plans the big commencement event each May.
