MiraCosta College (MCC) embraces a holistic and seamless approach to student learning. Through programs and services, we are committed to student success by creating a culture of care and support.

MiraCosta is committed to a proactive approach to helping our students succeed while maintaining a safe environment for the entire campus community.

In order for students to be successful, our goal is to help them be:

- **Directed**: have a goal and know how to achieve it
- **Focused**: stay on track to reach their academic goals
- **Nurtured**: we are here to help by providing tools and resources
- **Engaged**: by actively participating in class and co-curricular activities
- **Connected**: become part of the college community
- **Valued**: skills, talents, abilities, and experiences are recognized and positive contributions to this learning environment are appreciated

Additionally, every week on Monday, a MiraCosta College Student Success email is sent to all students. The email includes important deadlines and activities for that week.

The following pages provide some information on student support services that can help students be successful at MiraCosta.
CULTURE OF CARE

Campus Assessment, Resources, and Education (CARE) Program & Food Pantry

The Campus Assessment, Resources, and Education (CARE) Program is responsible for addressing the basic needs and other identified concerns of students through a holistic approach. The CARE team is committed to providing case management support to students through ensuring connections to on-and-off campus resources that will address food, housing insecurity, childcare, transportation, mental health, and more. If you or someone you know may benefit from our program, you may submit a CARE referral and a CARE Team member will outreach to determine how we can best provide care and support via phone, email, or Zoom.

For a list of available resources, please review our CARE Resource Guide for Basic Needs and our website for additional information and resources including application forms for the Emergency Grant, Student Transportation Assistance, and CalFresh Application Assistance.

Library and AIS Open Computer Lab

Lab assistants are available to provide support to MiraCosta students with course related and computer questions in the Online Open Computer Lab. Lab assistants are trained to answer your questions with a click of a button. The Online Open Computer lab uses the easy to access Canvas program Cranium Café. Getting connected to a lab assistant is easy and convenient, you can chat with a lab assistant for those quick questions or join a video meeting for more in-depth questions.

Please use the button below to access the main page for the Online Open Computer Lab and get started with getting your questions answered.

Librarians are available to help with research via our online 24/7 chat service. The library offers students online access to many resources, including books, journal articles, and streaming videos. Students may request that books and DVDs be mailed to them. The Library has many laptops and mobile hotspots available for spring semester long loans. Please fill out a Student Technology Request form at https://library.miracosta.edu/care and a staff member will be in touch regarding equipment delivery.

In-person research help, circulation services, and textbook reserve access will be available at the Oceanside Campus Library (2nd floor).

Community Learning Center courses Drop-in
Welcome to the New Online Writing Center! As before, you can drop-in, work on your writing, ask for feedback when you're ready, socialize a little with others, and get those papers written for your classes. We also have breakout rooms for your group meetings. We know it won't be easy doing this from home, but writing is rarely easy. And we're here for you. Just like always.

Consultants and coaches will all be available to provide feedback and speech support. Coaches will also be able to help with our grammar, reading, and scholarship and transfer services. It's all online now. Oh, and if you prefer sending your paper and getting video feedback like we've offered for years, that's available too.

The Service Learning & Volunteer Center, assists students in finding community and campus partnerships for course-connected and co-curricular service projects. The center partners with local non-profits, public schools, on-campus and virtual service opportunities. Students who participate in service tend to have higher course satisfaction, higher retention rate, higher GPA, and often these experiences lead to job opportunities and internships. The center also coordinates annual campus-wide days of service such as Dr. King Day of Service, Make a Difference Day, Cesar Chavez Day of Service, Read Across America, and Alternative Spring Break.

These experiences can be used to apply course content, explore career paths, increase social and cultural capital, and increase awareness of the importance of civic engagement and community resources. Many students apply experiential learning hours on their resume, when they apply for scholarships or transfer applications to UC and private schools. Students can earn certificates of participation for both service learning (15 hours for one course at one location) or volunteer hours (50+ hours during the school year).

*Course-connected service learning will be conducted virtually as long as the college continues to run classes online due to COVID restrictions. If you have questions regarding these restrictions, please email bpalmer@miracosta.edu.

The Department of Student Equity advocates for communities who the collegiate system was not originally designed to serve or who have not historically been centered. We work to create and support new and existing resources that cultivate inclusion, diversity, and equity at MiraCosta by fostering student leadership, collaborating with campus partners, and raising awareness of the unique experiences of the diverse populations we serve.

The department provides leadership and coordination for Academic Success & Equity Programs (ASE), the Social Justice and Equity Center (SJEC), LGBTQIA+ services and programs, History and Heritage programming series.

Academic Success and Equity (ASE) Programs intentionally center communities that have been historically marginalized in traditional higher education settings: students who are Black & African-American (Umoja), Latinx & Chicano (PUENTE Project), Native Hawaiian & Pacific Islander (Mana), Undocumented, DACAmented, mixed status, (UPRISE), former foster youth (RAFFY), and formally incarcerated, justice/system-impacted (Transitions).

The SJEC is a student-driven space where all students can come to learn about social justice and equity topics in interactive workshops, get resources like snacks, supplies, and practice advocacy and dialogue skills.

LGBTQIA+ Equity works to ensure the inclusion and support of LGBTQIA+ students and employees through training, workshops, and events.

Veterans Services provides a place for military-affiliated students to find resources on Veterans Affairs (VA) educational benefits, MiraCosta student services, and community organizations that are dedicated to assisting veterans and their family members. In addition, students can process paperwork and get their courses certified for GI Bill benefits, including Montgomery and Post 9/11 GI Bill, Veteran Readiness & Employment (VR&E) program and Chapter 35 – Dependent Education Assistance. The center also provides a place for students to relax, study, and meet with friends.

MiraCosta College is one of two schools in San Diego County that has a VetSuccess on Campus (VSOC) representative. The VSOC is an employee of the Department of Veterans Affairs who works in Veterans Services to assist students with support to pursue their educational and employment goals.

The Veterans Services staff is committed to helping you achieve your academic goals. For more information, please visit our website.

Student Life & Leadership (SLL) welcomes all students and empowers them to build community and enjoy their Spartan Experience. SLL connects students with clubs, advocacy work, and advances their leadership skills. SLL offers students the opportunity to track their involvement across campus with their Co-Curricular Learning Transcript, which they can refer to in their transfer applications and job interviews as they learn and grow their leadership skills.

SLL supports more than 35 student clubs and organizations! Some of our most active clubs include the Black Student Union (BSU), Latina Leadership Network (LLN), the Gender Sexuality Alliance (GSA), and Movimiento Estudiantil Chicana de Aztlán (M.E.Ch.A). Our notable organizations include Phi Theta Kappa Honors Society (PTK), Chariot News Media, and the Associated Student Government (ASG).

The ASG is a group of student leaders who represent students across the district and drive equity-focused goals forward through hosting College Hour events and through ASG committee work, such as the Diversity, Equity & Inclusion committee, to strive for progress across campus to best support our community.

We are also here to celebrate your success! SLL leads the Commencement team who plans graduations celebrations, including Grad Fest, leads the Commencement Speaker & Commencement Poet selection committee, and plans the big commencement event each May.
